Bookseller Carson-Dellosa Publishing

Practice identifying different shapes with confidence. Our resource provides warm-up and timed drill activities to practice procedural proficiency skills. Match items in your classroom with certain shapes. Identify circles from squares and triangles. Complete the pattern of shapes. Draw a line of symmetry through shapes. Put the star in the right location. Count the number of sides and corners of plane shapes. Match each plane shape with its solid shape. Count the number of edges, faces and corners of solid shapes. The drill sheets provide a leveled approach to learning, starting with prekindergarten and increasing in difficulty to grade 2. Aligned to your State Standards and meeting the concepts addressed by the NCTM standards, reproducible drill sheets, review and answer key are included.

Building Vocabulary: Grade 7: Kit eBook Cambridge University Press

Do you believe love can transcend time? It's only been a week, but Justin is miserable waiting for Lucy to contact him. He's back in London for Indigo's concert series and needs to get his head in the game, but his heart is back in America. Stuck hiding out at her parents' house in Los Angeles, Lucy is consumed with doubt and regret about her decision to stay behind. When the Varangian Cross is sold to a private buyer in London, Lucy jumps at the chance to deliver the cross to the new owner and maybe reconnect with Justin. Lucy arrives in London in time for another roadblock to their relationship: a serious allegation has been made against Justin, and the paparazzi are in overdrive, forcing Justin under cover just to make it through the concert series. Finally reunited, their passion is renewed. But their nightmares have returned and are feeling more like memories than dreams. It's time to find out the truth behind their connection. Waiting for You is the second book of a contemporary romance trilogy. Note to Readers: This book contains scenes which may be triggering to survivors of sexual violence.

Geometry - Drill Sheets Vol. 5 Gr. PK-2 Classroom Complete Press

Four Corners Level 3 Student's Book with Self-study CD-ROM Cambridge University Press

Alex is now a werewolf, along with her new mate, Chris, but living the life of a werewolf isn't all fur and games. The Wolf Council has been called to order, and the members have chosen Greylock Manor as the place for their meeting. That means a lot of werewolves who aren't particularly fond of each other are about to descend on the manor, and the Wolf Mountain pack have to be the referees in a dangerous and possibly deadly game of diplomacy. If that wasn't enough trouble, something is amiss in the magical woods that surround the manor. A shadow hangs over the enchanted creatures, though none can say what lurks in the darkness. Worse, one of their own has gone missing, and the delicate balance of the forest is in danger of collapsing. And in the middle of all that chaos is Alex and Chris. Together the pair must help their new pack keep the peace and piece together the danger that lurks in the woods, all while keeping their hands off each other long enough to do that. Year Book Classroom Complete Press

"This program helps students unlock the meaning of over 60% of the words they encounter in the classroom and beyond with a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Students are introduced to one new root per lesson with daily activities to ensure that they learn the root and the many English words it generates. The teacher's guide includes lesson plans with detailed notes about words from each root, overhead transparencies for introductory activities, standards-based connections, and differentiation strategies."--Publisher website.
