**Frankenstein, Annotated  
and Illustrated** YOUTH  
COMPETITION TIMES  
Mary Shelley began writing  
Frankenstein when she was  
only eighteen. At once a  
Gothic thriller, a passionate  
romance, and a cautionary  
tale about the dangers of  
science, Frankenstein tells  
the story of committed  
science student Victor  
Frankenstein. Obsessed with  
discovering the cause of  
generation and life and

---

bestowing animation upon lifeless matter, Frankenstein assembles a human being from stolen body parts but; upon bringing it to life, he recoils in horror at the creature's hideousness. Tormented by isolation and loneliness, the once-innocent creature turns to evil and unleashes a campaign of murderous revenge against his creator, Frankenstein. Frankenstein, an instant bestseller and an important ancestor of both the horror and science fiction genres, not only tells a terrifying story, but also raises profound, disturbing questions about the very nature of life and the place of humankind within the cosmos: What does it mean to be human? What responsibilities do we have to each other? How far can we go in tampering with

Nature? In our age, filled with news of organ donation genetic engineering, and bio-terrorism, these questions are more relevant than ever. Frankenstein Study Guide CD Research & Education Assoc. “ Both timely and terrifying. ” —Gregory Macguire, New York Times – bestselling author of Wicked Pairing free verse with over three hundred pages of black-and-white watercolor illustrations, Mary ’ s Monster is a unique and stunning biography of Mary Shelley, the pregnant teenage runaway who became one of the greatest authors of all time. Legend is correct that Mary Shelley began penning Frankenstein in answer to a dare to write a ghost story. What most people don't know, however, is that the seeds of her novel had been planted long before that night. By age nineteen, she had been disowned by her family, was

---

living in scandal with a married man, and had lost her baby daughter just days after her birth. Mary poured her grief, pain, and passion into the powerful book still revered two hundred years later, and in *Mary's Monster*, author/illustrator Lita Judge has poured her own passion into a gorgeous book that pays tribute to the life of this incredible author. A 2019 NCSS-CBC Notable Social Studies Trade Book A 2019 Amelia Bloomer Project Book This title has Common Core connections.

**Mary Shelley's  
Frankenstein, 1818-2018**

Simon and Schuster  
This study focuses on how Frankenstein works: how the story is told and why it is so rich and gripping. Part I uses carefully selected short extracts for close textual analysis, while Part II examines Shelley's life, the historical and literary

contexts of the novel, and offers a sample of key criticism.

Paradise Lost Cambridge Scholars Publishing  
Heavily steeped in mythology, *Prometheus Unbound* is a drama that follows the release of Prometheus from Zeus' captivity. As a closet drama, the play was not intended to be performed in front of an audience. *The Romantic Conflict* Grand Central Publishing  
*Frankenstein; or, The Modern Prometheus*, generally known as *Frankenstein*, is a novel written by the British author Mary Shelley. The title of the novel refers to a scientist, Victor Frankenstein, who learns how to create life and creates a being in the likeness of man,

---

but larger than average and more powerful. In popular culture, people have tended to refer to the Creature as "Frankenstein," despite this being the name of the scientist.

Frankenstein is a novel infused with some elements of the Gothic novel and the Romantic movement. It was also a warning against the "over-reaching" of modern man and the Industrial Revolution, alluded to in the novel's subtitle, *The Modern Prometheus*. The story has had an influence across literature and popular culture and spawned a complete genre of horror stories and films. It is arguably considered the first fully realized science

fiction novel.

Selection from Dubliners  
(A) SparkNotes  
Not reprinted since its  
first edition, Mary  
Shelley's second novel is  
sure to be a major  
discovery of the Mary  
Shelley bicentenary of  
1997. The novel's lack of  
success as a follow-up to  
Frankenstein was the  
result of its subject  
matter and  
unconventional approach  
to the genre of  
historicalfiction,  
attributes that can only  
delight the twentieth-  
century reader. Shelley's  
mastery of the intricate  
details of thirteenth-  
century Tuscan politics  
is unique among women  
of her time, and her  
resolute filtering of the  
bloody heroics of the age  
through the sensibilities  
of two women who

---

are destroyed by them reveals the feminist perspective missing so conspicuously from her first novel. The latest addition to the acclaimed Women Writers in English series, this glittering novel from Romanticism's premier woman storyteller belongs on the shelves of all serious readers of English fiction.

Stasiland tells true stories of people who heroically resisted the communist dictatorship of East Germany, and of people who worked for its secret police, the Stasi.

Internationally hailed as a classic, it is 'fascinating, entertaining, hilarious, horrifying and very

---

important ’ (Tom Hanks) and ‘ a heartbreaking, beautifully written book. ’ (Claire Tomalin). East Germany was one of the most intrusive surveillance states of all time. One in 7 people spied on their friends, family and colleagues. In ‘ the most humane and sensitive way ’ (J.M. Coetzee) Funder tells the true stories of four people who had the extraordinary courage to refuse to collaborate with the Stasi, and the price they paid. She meets Miriam Weber, who was imprisoned at 16 after scaling the Berlin Wall. She drinks with the legendary “ Mik Jegger ” of the Eastern

Bloc who was ‘ disappeared ’ . And she finds former Stasi men who defend their regime long past its demise, and yearn for the second coming of Communism. Stasiland won the Samuel Johnson Prize for best non-fiction published in English in 2004. It was a finalist for the Guardian First Book Award, the W.H. Heinemann Award, the Index Freedom of Expression Awards, The Age Book of the Year Awards, the Queensland Premier ’ s Literary Award and the Adelaide Festival Awards for Literature (Innovation in Writing). It is read in schools and universities in many countries, and has been

adapted for CD and the stage by The National Theatre, London.

Frankenstein  
(Annotated and  
Illustrated) Volume

Capstone

This deluxe ebook package features Mary Shelley 's classic gothic novel plus an extended excerpt of award winning author Kenneth Opel 's thrilling prequel, This Dark Endeavor! What happens when an obsession defies your control? Victor Frankenstein has long sought the answer to creating new life. When he finally achieves his goal, he 's horrified by the results and abandons his creation, ready to forget what he 's done. But when

tragedy befalls his family, Victor returns home to discover his creation is hiding nearby. To save his family from further despair, Frankenstein 's creature asks him to do the one thing he swore he never would do again. Mary Shelley 's novel explores with chilling dimensions the questions that reside at our core. What is the fabric of life and the soul? Where are the limits of our imagination? Can man 's reach shatter the boundaries between science, nature and God?

A monster assembled by a scientist from parts of dead bodies develops a mind of his own as he learns to loathe himself and hate his creator. In graphic novel format.

Dracula EDCON Publishing Group

Florence. Nov. 9th 1819It is only four o'clock; but it is winter and the sun has already set: there are no clouds in the clear, frosty sky to reflect its slant beams, but the air itself is tinged with a slight roseate colour which is again reflected on the snow that covers the ground. I live in a lone cottage on a

solitary, wide heath: no voice of life reaches me. I see the desolate plain covered with white, save a few black patches that the noonday sun has made at the top of those sharp pointed hillocks from which the snow, sliding as it fell, lay thinner than on the plain ground: a few birds are pecking at the hard ice that covers the pools-for the frost has been of long continuance. Mary has here added detail and contrast to the description in F of F-A, in which the passage "save a few black patches... on the plain ground" does not appear. I am in a strange state of mind. The addition of "I am alone... withered me" motivates Mathilda's state of mind and her resolve to write her history. I am alone-quite alone-in the world-the blight of misfortune has passed over me and withered me; I know that I am about to die and I feel happy-joyous.-I feel my

---

pulse; it beats fast: I place my thin hand on my cheek; it burns: there is a slight, quick spirit within me which is now emitting its last sparks. I shall never see the snows of another winter-I do believe that I shall never again feel the vivifying warmth of another summer sun; and it is in this persuasion that I begin to write my tragic history. Perhaps a history such as mine had better die with me, but a feeling that I cannot define leads me on and I am too weak both in body and mind to resist the slightest impulse. While life was strong within me I thought indeed that there was a sacred horror in my tale that rendered it unfit for utterance, and now about to die I pollute its mystic terrors. It is as the wood of the Eumenides none but the dying may enter; and Oedipus is about to die. Mathilda too is the unwitting victim in a story of incest. Like Oedipus, she has lost her parent-lover by suicide; like him she leaves the scene of the revelation overwhelmed by a sense of her own guilt, "a sacred horror"; like him, she finds a measure of peace as she is about to die. Mary Shelley was a British novelist, short story writer, dramatist, essayist, biographer, and travel writer, best known for her Gothic novel *Frankenstein*. She also edited and promoted the works of her husband, the Romantic poet and philosopher Percy Bysshe Shelley. Until the 1970s, Mary Shelley was known mainly for her efforts to publish Percy Shelley's works and for her novel *Frankenstein*, which remains widely read and has inspired many theatrical and film adaptations. Recent scholarship has yielded a more comprehensive view of Mary Shelley's achievements. Scholars have shown increasing

---

interest in her literary output, particularly in her novels, which include the historical novels *Valperga* and *Perkin Warbeck*, the apocalyptic novel *The Last Man*, and her final two novels, *Lodore* and *Falkner*. Studies of her lesser-known works such as the travel book *Rambles in Germany and Italy* and the biographical articles for *Dionysius Lardner's Cabinet Cyclopaedia* support the growing view that Mary Shelley remained a political radical throughout her life. Mary Shelley's works often argue that cooperation and sympathy, particularly as practised by women in the family, were the ways to reform civil society. This view was a direct challenge to the individualistic Romantic ethos promoted by Percy Shelley and the Enlightenment political theories articulated by her father, William Godwin.

Frankenstein Oxford University Press Retells, in graphic novel format, Mary Shelley's classic tale of a monster, assembled by a scientist from parts of dead bodies, who develops a mind of his own as he learns to loathe himself and hate his creator.

*Mathilda* Odyssey Editions

Ever since Mary Shelley's *Frankenstein* was first published in 1818, the story of the scientist and his Creature has been constantly told, discussed, adapted, filmed, and translated, making generations of readers approach the novel in an extraordinary variety of ways and languages.

---

This new collection of nineteen essays brings together a range of international scholars to provide an introduction to, and a series of pathways through, this iconic novel. Chapters explore various topics, from the Bible, mythology, ruins, and human rights, to the sublime, the epistolary, and acoustics. They also place the novel in a wider cultural context, exploring its numerous afterlives, its reception, and adaptations in different media, such as drama, cinema, graphic novels, television series, and computer games. Aimed at both scholars and new readers of Frankenstein, in its different guises, this volume stimulates an informed appreciation of one of the most influential and haunting novels of all time.
