To make things easier, our publisher commissioned a student's guide to the book as well as an instructor's guide. The student's guide can be downloaded by anyone, from this website. To discourage students from downloading the instructor's guide (and its answers to quiz questions), our publisher sensibly set up a website within its academic division to distribute the guide to ...

All students in bad schools—black and white—don't do as well as students in good schools, implying it is this gap, not the white-black gap, that is significant. A child whose parents are highly educated, have a high socioeconomic status, speak English at home, and are involved in the school tends to do well in school, whereas a child with a low birth weight or who is adopted tends to do ...
