Never Far Away Springer Science & Business Media

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-

industry awards are measured.

The Cooke and Hood families have been at each other's throats since the Spanish Main days. The latest chapter in their piratic rivalry takes place in 2004, when an old treasure

map turns up. None of this seems to matter to Morgan Cooke, a cowardly, landlubbing accountant entirely ignorant of his heritage until his estranged father, Isaac, in need of crewmen, kidnaps him and thrusts him into the fray. When Morgan wakes up on a boat in the middle of the Caribbean, he learns that piracy still flourishes, albeit with far more discretion than in the old days--pirates disguise their fast boats as shrimpers or tugs--but with no less bloodshed. Judging even a shot at riches vastly preferable to a return to his lonely, fluorescent-lit work station existence, Morgan pierces his ear, dons the eye patch and peg leg, and set sail for glorious adventure.

Boating Fox Chapel Publishing

Sarah Harland is nineteen, and she is in prison. At the airport, they find heroin in her bag. So now she is waiting to go to court. If the court decides that it was her heroin, then she must die. She says she did not do it. But if she did not, who did? Only two people can help Sarah: her mother, and an old boyfriend who does not love her now. Can they find the real criminal before it's too late?

Ultimate Illustrated Guide to Sewing Clothes DK Children

With the ever-increasing incidence of harmful cyanobacterial algal blooms, this monograph has added urgency and will be essential reading for all sorts of researchers, from

neuroscientists to cancer research specialists. The volume contains the proceedings of the 2005 International Symposium on Cyanobacterial Harmful Algal Blooms, and has been edited by H. Kenneth Hudnell, of the US Environmental Protection Agency. It contains much of the most recent research into the subject.

Brickmaster Haynes Manuals N. America, Incorporated
The book covers a decade of work with some of the largest commercial and government agencies around the world in addressing cyber security related to malicious insiders (trusted employees, contractors, and partners). It explores organized crime, terrorist threats, and hackers. It addresses the steps organizations must take to address insider threats at a people, process, and technology level. Today's headlines are littered with news of identity thieves, organized cyber criminals, corporate espionage, nation-state threats, and terrorists. They represent the next wave of security threats but still possess nowhere near the devastating potential of the most insidious threat: the insider. This is not the bored 16-year-old hacker. We are talking about insiders like you and me, trusted employees with access to information - consultants, contractors, partners, visitors, vendors, and cleaning crews. Anyone in an organization's building or networks that possesses some level of trust. * Full coverage of this hot topic for virtually every global 5000 organization, government agency, and individual interested in security. * Brian Contos is the Chief Security Officer for one of the most well known,

profitable and respected security software companies in the U.S.—ArcSight.

Accounting

I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

Sea-Doo Water Vehicles Shop Manual 1988-1996 (Clymer Personal Watercraft)

There are not many books in India that can serve as a useful

textbook to the students and guides to the practising journalist. It is this lacuna that M.V. Kamath, one of the most prominent Indian Journalists, has tried to fill. This is a book on Indian journalism for Indian journalists, citing examples of Indian writers, Kamath quotes profusely from the writings of Indian editors to illustrate his ideas which considerably adds to the relevance of his work.

SNOWMOBILE SERVICE MANUAL. 11TH ED.

The tenth edition of Accounting (Hoggett et al.) provides an introductory but comprehensive description of the purpose, practice and process of contemporary international financial and management accounting in an Australian context. With the increased emphasis on the globalisation of business, the material is ideal for the study of introductory accounting in a broad international context. The tenth edition builds on the strengths of previous editions with a strong focus on the decision-making role of accounting, as well as on a student's acquisition of generic skills such as communication, analytical, problem solving, critical thinking and judgement skills. The technical skills required in the application of accounting concepts still remain a core objective of the new edition.

Books in Print Supplement

In 1314, seventeen year old Pietro Alighieri travels to Verona with his father, the infamous poet Dante, at the invitation of its leader, the legendary Francesco "Cangrande" della Scala. A sneak attack from Padua leads Pietro into his first battle, fighting alongside the charismatic Cangrande, and into a tight friendship with Mariotto Montecchio and Antonio Capulletto. Behind the scenes, repeated

attempts are made against the life of a child believed to be Cangrande's illegitimate son and possible heir. Pietro is drawn into the web of intrigue around the child and the tension building between Mariotto and Antonio over a woman betrothed to one and in love with the other – a situation that will sever a friendship, divide a city, and ultimately lead to the events of the best known tragic romance in the world. Inspired by the plays of Shakespeare, the poetry of Dante, and the events of history, *The Master of Verona* is a compelling novel of politics, loyalty, conspiracy and star-crossed romance.
