100 other new features, iPhone 4.0 is a real treat, cooked up with Apple TMs traditional secret sauce of simplicity, intelligence, and whimsy. iPhone UK: The Missing

Manual gives you a guided tour of everything the new iPhone has to offer, with lots of tips, tricks, and surprises. Learn how to make calls and play songs by voice control, take

great photos, keep track of your schedule, and much more with complete step-by-step instructions and crystal-clear explanations by iPhone master David Pogue. Whether you have a brand-new iPhone, or want to update an earlier model with the iPhone 4.0 software, this beautiful full-colour book is the best, most objective resource available. Use it as a phone -- learn the basics as well as time-saving tricks and tips for contact searching, texting, and more. Treat it as

an iPod -- master the ins and outs of iTunes, and listen to music, upload and view photos, and fill the iPhone with TV shows and films. Take the iPhone online -- make the most of your online experience to browse the Web, read and compose email, use social networks, or send photos and audio files. Go beyond the iPhone -- learn how to use the App Store, and how to multitask between your apps, organize them in folders, and read ebooks in iBooks. Unlock the full potential of your iPhone with

the book that should have been in the box. [The Rough Guide to First-Time Around the World](#) "O'Reilly Media, Inc." The iPhone 5S introduced several new features not seen in the iPhone 5, such as a fingerprint scanner, new camera features, and an entirely new operating system. This guide will introduce you to these new features and show you how to use them. This book gives task-based

instructions without using any technical jargon. Learning which buttons perform which functions is useless unless you know how it will help you in your everyday use of the iPhone. Therefore, this guide will teach you how to perform the most common tasks. Instead of presenting arbitrary instructions in lengthy paragraphs, this book gives unambiguous, simple step-by-step procedures. Additionally,

detailed screenshots help you to confirm that you are on the right track. This Survival Guide also goes above and beyond to explain Secret Tips and Tricks to help you accomplish your day-to-day tasks much faster. If you get stuck, just refer to the Troubleshooting section to figure out and solve the problem. Here is your essential companion to Apple's iPhone! The iPhone Pocket Guide, Third Edition covers all iPhone models including the new iPhone 3G. Unlike other iPhone books, The iPhone Pocket Guide, Third Edition was written based on the final release of iPhone 2.0 software and the iPhone 3G, and the content accurately reflects the design of your iPhone 3G and how you will use it. Author Christopher Breen has been covering the iPod and iPhone from the

first day of their releases. This affordably priced Pocket Guide incorporates snappy writing and eye-catching graphics as Breen steers you through how to: Set up and quickly start using your phone/iPod/Internet device. Download applications from the App Store. Make and receive calls and send text messages with your phone. Keep everything in sync between your Windows PC or Mac and your iPhone. E-mail family and friends using your

carrier's wireless network or a Wi-Fi hotspot. Listen to songs and podcasts, and watch movies and TV shows (and YouTube!). Browse the Web using the built-in Safari browser. Figure out where you are with the iPhone's location services. Fix common problems, and learn what to do if you can't fix them yourself.
