Insight Guides Pocket Copenhagen (Travel Guide eBook) Macmillan Chess tactics explained in English: the website www.chesstactics.org in book form. This volume is the first in a two-part set. The two books together contain over a thousand examples organized in unprecedented detail. Every position is accompanied by a commentary describing a train of thought that leads to the solution; these books thus are the ideal learning tool for those who prefer explanations in words to long strings of

notation. This first volume provides an introduction to tactics and explains forks and discovered attacks. (Book II covers pins and skewers, removal of the guard, and mating patterns.) A hardcover version is also available.

Written by locals, Fodor's travel guides have been offering trusted advice for all tastes and budgets for 80 years. Fodor's The Complete Guide to the National Parks of the West features comprehensive information on everything within each of the 38 national parks of the West and on the towns and attractions nearby. Every recommendation has been vetted by a local Fodor's expert to

ensure travelers plan the perfect trip, from rafting the raging Colorado River as it pushes through the Grand Canyon, to viewing wildlife in Yosemite while you hike, to watching Yellowstone 's Old Faithful geyser in action. This guide also includes special chapters to help you choose a park and advice for planning your visit like what to pack, which park passes to buy, and photography tips. This travel guide includes: · Dozens of full-color maps · Hundreds of hotel and restaurant recommendations · Covers: Arches National Park, Badlands National Park, Banff National Park, Big Ben National Park, Black Canyon of the Gunnison National Park, Bryce Canyon National Park, Canyonlands National Park, Capitol Reef National Park, Carlsbad Caverns

National Park, Channel Islands National Park, Crater Lake National Park, Death Valley National Park, Glacier and Waterton Lakes National Park, Grand Canyon National Park, Grand Teton National Park, Great Basin National Park, Great Sand Dunes National Park, Guadalupe Mountains National Park, Jasper National Park, Joshua Tree National Park, Lassen Volcanic National Park, Mesa Verde National Park, Mount Rainier National Park, North Cascades National Park, Olympic National Park, Petrified Forest National Park, Pinnacles National Park, Redwood National Park, Rocky Mountain National Park, Saguaro National Park, Sequoia and Kings Canyon National Parks, Theodore Roosevelt National Park, Wind Cave National Park, Yellowstone National Park, Yosemite National Park, and Zion National Park

The Rough Guide to Scotland
Rough Guides

Hailed as "extraordinarily learned" (New York Times), "blithe in spirit and unerring in vision," (New York Magazine), and the "definitive record of New York's architectural heritage" (Municipal Art Society), Norval White and Elliot Willensky's

book is an essential reference for everyone with an interest in architecture and those who simply want to know more about New York City. First published in 1968, the AIA Guide to New York City has long been the definitive guide to the city's architecture. Moving through all five boroughs, neighborhood by neighborhood, it offers the most complete overview of New York's significant places, past and present. The Fifth Edition continues to include places of historical importance--including extensive coverage of the World Trade Center site--while also taking full account of the construction boom of the past 10 years, a boom that has given rise to an unprecedented number of new buildings by such architects as Frank Gehry, Norman Foster, and Renzo Piano. All of the buildings included in the Fourth Edition have been revisited and re-photographed and much of the commentary has been re-written, and coverage of the outer boroughs--particularly Brooklyn--has been expanded. Famed skyscrapers and historic landmarks are detailed, but so, too, are firehouses, parks, churches, parking garages, monuments, and bridges. Boasting more than 3000 new photographs, 100 enhanced maps, and thousands of short and spirited entries, the guide is arranged geographically by borough, with each borough divided into sectors and then into neighborhood. Extensive commentaries describe the character of the divisions. Knowledgeable, playful, and beautifully illustrated, here is the ultimate guided tour of New York's architectural treasures.

Acclaim for earlier editions of the AIA Guide to New York City: "An extraordinarily learned, personable exegesis of our metropolis. No other American or, for that matter, world city can boast so definitive a one-volume guide to its built environment." -- Philip Lopate, New York Times "Blithe in spirit and unerring in vision." -- New York Magazine "A definitive record of New York's architectural heritage... witty and helpful pocketful which serves as arbiter of architects, Baedeker for boulevardiers, catalog for the curious, primer for preservationists, and sourcebook to students. For all who seek to know of New York, it is here. No home should be without a copy." -- Municipal Art Society "There are two reasons the guide has entered the pantheon of New York books. One is its encyclopedic nature, and the other is its inimitable style--'smart, vivid, funny and opinionated' as the architectural historian Christopher Gray once summed it up in pithy W & W fashion." -- Constance Rosenblum, New York Times "A book for architectural gourmands and gastronomic gourmets." -- The Village Voice

Mobil Travel Guide Rough Guides

The Mobil Travel Guide star ratings are a 45-year-old consumer advocacy

concept originally developed following the introduction of the interstate highway system. The goal of the Guide is not to identify and rate every property in the country, but to recommend only the best in each category, ones that we would send our customers to. We look at the stars from a consumer's point of view, rating lodgings and restaurants across North America from the perspective of the "average traveler." The Guides feature new enhanced descriptions for 2004. Listings include lodgings, restaurants, attractions, and events in established travel destinations, as well as cities and towns on the way to established travel destinations. Our new easy-to-use format makes the Guides even more indispensable to travelers. Each regional guide is organized alphabetically by state, with introductory information about the state followed by city listings in alphabetical order. For each city, the guide lists sites and attractions, lodgings, and then restaurants. One of the features that sets the

Mobil Travel Guide apart from its competitors is its proprietary Mobil star rating system. Forty-five plus years of publishing experience and the oldest non-biased rating system in North America make the Mobil Travel Guide series a must-have for travelers wanting up-to-date ratings of hotels and restaurants.

Rough Guides UK

The Rough Guide to Camping in Britain reviews over three hundred of the country's best campsites, travelling from Scilly to Shetland, taking in Yorkshire hills, Hampshire glampsites, Welsh Islands and Highland co-operatives. This, the second edition, features new campsites that have caught our attention since the first edition, and has been thoroughly researched and updated. Written by campers for campers, Rough Guides'

writers have visited sites across the country, checking out views, testing the shower temperatures and spending night after night under canvas. The Rough Guide to Camping in Britain explores everything from equipment and cooking to glamping, wild camping and festivals. Full-colour throughout, its pictures bring the splendid sites to life, whilst indexes, maps and lists arranged by category help you move through the guide with ease.

The Rough Guide to Camping in Britain is the complete companion for novice campers who don't know where to start and experienced tent-riggers looking for a new destination. Whether you want snug tipis and creature comforts or simple sites in stunning wilderness locations, this guide has it covered. Now available in PDF format.

A comprehensive guide to

this beautiful predecessor to elastic for every crafter, from those just starting out to those looking to step up their skills. A-Z of Smocking features every smocking stitch, clearly explained for beginners, but also has inspiring examples and new or little-known techniques to appeal to experienced smockers. It shows you how to work the stitches, read graphs, and select colors, fabric, and threads. Learn how to pleat and block a garment, with advice on different techniques such as ribbon weaving, counterchange, template, and freeform smocking, and much more. This book is bursting with hints for all the stitches and techniques, as well as beautiful photographs of smocked garments to encourage the reader to pick up a needle. There is even full advice on the fabric, needles, and thread needed, and a glossary of smocking terms. Praise for the series "The A-Z series has truly stood the test of time and remains one of the most comprehensive, easy-to-use guides available to embroidery, knitting, and crochet."

—Kathy Troup, Editor, Stitch magazine
