More than 100,000 entrepreneurs rely on this book. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you: Avoid the 9 deadly sins that destroy startups' chances for success Use the Customer Development method to bring your business idea to life

Incorporate the Business Model Canvas as the organizing principle for startup hypotheses Identify your customers and determine how to "get, keep and grow" customers profitably Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owners Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

Instill grammar fundamentals using lessons that stick! In this book, authors Amy Benjamin and Joan Berger share procedures for teaching grammar effectively and dynamically, in ways that appeal to students and teachers alike. Ideal for teachers just beginning their work in grammar instruction, this book includes day-by-day units and reproducibles to help them embed grammar lessons into writing instruction. Using visuals, wordplay, problem solving, and pattern-finding activities, teachers can forgo methods that fail to engage students in grammar. Through a series of activities designed to delve deeper into grammar learning, the authors share strategies that have proven successful during their extensive years of teaching and literacy consulting. Topics include: Using time wisely: Assess for cumulative understanding and development of writing style The "Verb Map": A visual metaphor of the verb system Teaching parts of speech for effective expression, not just memorization And more!
