The present book has been written for teachers and students of English as a second language (L2, henceforth) and considers the three educational levels, namely, school, college and university. They will find it as a useful resource since it provides readers with insights, suggestions and approaches to implement the so-called Information and Communication Technology (ICT, henceforth) tools to develop the four language skills, namely, reading, writing, listening and speaking, along with a grammar knowledge. More specifically, this

book will contribute to help L2 English teachers in designing creative and motivating lesson plans in which L2 English students will learn English through the use of ICT tools while developing several competences such as the digital competence, the learning to learn (that is to say, they learn by doing), autonomy and an active role given they are responsible for their own learning. In this student-centred approach, the teacher is a guide and a facilitator of resources. The resources described in this book will foster L2 English teachers and L2 English learning to consider that lesson plans are more effective when the teacher has determined the learning and teaching objectives for both ICT and English. A detailed explanation regarding how each ICT tool functions is provided in the corresponding chapters so that L2 English teachers are able to build standing selection criteria when applying each ICT tool in the classroom.

More than anything in the world, Andrew wants freckles. His classmate Nicky has freckles -- they cover his face, his ears, and the whole back of his neck. (Once sitting behind him in class, Andrew counted eighty-six of them, and that was just a start! One day after school, Andrew screws up enough courage to ask Nicky where he got his freckles. And, as luck would have it, who should overhear him but giggling, teasing Sharon (who makes frog faces at everybody!) Sharon offers Andrew her secret freckle juice recipe -- for fifty cents. That's a lot of money to Andrew -- five whole weeks allowance! He spends a sleepless night, torn between his desire for freckles and his reluctance to part with such a substantial sum of money. Finally, the freckles win, and Andrew

decides to accept Sharon's offer. After school, Andrew rushes home (with the recipe tucked into his shoe for safekeeping). He carefully begins to mix the strange combination of ingredients -- and immediately runs into some unforeseen problems. How Andrew finally manages to achieve a temporary set of freckles -- and then isn't sure he really wants them -- makes a warm and hilarious story.
