This *Simple Sabotage Field Manual*, a genuine guide from the Second World War, states that its purpose is to "characterize simple sabotage, to outline its possible effects, and to present suggestions for inciting and executing it."

Among the other fine pieces

of advice in this handy volume, one is encouraged to "switch address labels on enemy baggage", "let cutting tools grow dull", "forget to provide paper in toilets", and "change sign posts at intersections and forks; the enemy will go the wrong way and it may be miles before he discovers his mistakes." While the Nook Simple Touch is somewhat similar to the original Nook, its infrared touchscreen makes for a completely different reading experience. The Nook Simple Touch Survival Guide provides you with tips and tricks you can use upon unboxing your new eReader. This guide sorts through all of the unnecessary clutter of the official manual and gives you task-based instructions.

Instead of learning which buttons perform which functions, you will learn how to use those buttons to navigate your Nook to buy, read, and mark up your eBooks. Instead of presenting an arbitrary table of gestures you can use on the touchscreen, this book shows you where those gestures are needed by integrating them into the tasks you are doing. Additionally, each set of step-by-step instructions is accompanied by a set of detailed screenshots to help you to confirm that you are on the right track. By reading this book, you will unlock hidden secrets, such as downloading FREE eBooks and surfing the web using the hidden web browser on your Nook Simple Touch. The reference

More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the

process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100

charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you:

- Avoid the 9 deadly sins that destroy startups' chances for success
- Use the Customer Development method to bring your business idea to life
- Incorporate the Business Model Canvas as the organizing principle for startup hypotheses
- Identify your customers and determine how to "get, keep and grow" customers

profitably • Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.
