The United States and Britain in Bible Prophecy Philadelphia Church of God

What's ahead for the United States and Britain? Is the world's most powerful nation—the United States of America—overlooked in Bible prophecy? Why are relatively small powers like Egypt, Syria and Lebanon mentioned, but no nation recognizable as the United States can be found? What about other major English-speaking nations such as the United Kingdom, Canada and Australia? In fact, many prophecies do mention these nations. But, without a proper understanding of history and the Scriptures, few can identify these countries and understand what lies ahead for them. You can't afford to be without this priceless information. Why have they been blessed so favorably over the nations that preceded them in history? The answer lies in the understanding and fulfillment of biblical prophecy." "God's promise to Abraham was not limited to a small and ancient people in the Middle East. It extends far into the future, and it is not limited by national boundaries." "Where can we find the

descendants of Joseph, the lost tribes of Ephraim and Manasseh? This list of blessings eliminates most of the nations of the world as contenders. To find them we must ask: Which nations possess these blessings in our world?" "When we understand that the modern descendants of Joseph are the people of the United States and Britain, we see that over the past three centuries God has been true to His promises." "Though the United States and Britain do not appear in the Bible's prophecies of the end time under their present names, God hasn't ignored these nations. He identifies them in prophecy according to their ancestry. Most people simply haven't known where to look for them."

The Seer Random House Digital, Inc.

The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet, whose revelation is primarily verbal, and the seer, whose revelation is more visionary in nature. While the role of the prophet is familiar, less is known about the seer dimension. To many people, these visionary prophets remain mysterious, otherworldly, and even strange. Knowledge dispels misunderstanding. Join author Jim W. Goll on an exciting and insightful journey into this lesser-known dimension—the visionary world of the seer. You will discover the prophetic power of dreams, visions, and life under the open heavens. How does visionary revelation "happen?" Can it be trusted? Where does it fit into the life of the church today? Can any believer become a seer, or is this a prophetic dimension reserved for the specially-gifted? The Seer answers these questions and will move your heart and stir up your hunger for intimacy with God,

because The Seer's goal is to reveal the man Christ Jesus!

The Word of the Lord (A 10-week Bible Study) United Church of God

In August, 2007, something extraordinary happened in the life of Mrs. Jennifer Isabirye (not her real names), a short, slender, middle-aged career teacher whom I had not met until that day. It was at a conference organized annually in Kamuli, a small town district in the eastern region of Uganda. The conference was held at Bethel Church. It was the first time I attended this prophetic event upon invitation to speak. Seated in the crowded room were people from the surrounding area and beyond, about 200 of them. This was not your usual event; strange things were happening as I singled out individuals, uncannily describing facts about their lives with amazing accuracy. Mrs. Isabirye happened to be one of them. "You are angry at a certain man for financial reasons," I said to her. "Forgive him, for if you don't you will hold back your progress." "I also see a problem with your fibroids," I added. "I see you had an operation about them, but it wasn't successful. I see a swelling around your lower abdomen (that part of her body was fully covered by her dress) and it's because of those fibroids." I was not through with Mrs. Isabirye. "Today you will experience a strange discharge from your body, but have no fear about it, for it will be God dealing with you. However, make sure you neither let your doctor nor your daughter know about it. If you do this if you keenly follow my revelatory directions you will receive a miraculous healing shortly." In her subsequent testimony, a day later, Mrs. Isabirye verified everything. Astounded at how I could know these things, she said, "The man I was bitter with was my employer, because for six months I had not received my salary. Also, I have fibroids, and a few months ago I had an operation about them that wasn't successful. "However, what surprised me even more was when he (implying me) said I should neither tell my doctor nor my daughter after the strange discharge from my body. I only see one doctor and I only have one daughter for a child; how he could have known that is beyond any earthly explanation. I experienced the strange discharge from my body that day, but unfortunately I told my doctor and daughter about it." Because she did not keenly follow the revelatory directions, Mrs. Isabirye did not receive her miraculous healing. However, the following year I was back there and I was taken to her house where I prayed for her. I called the experience extraordinary because that is what it was for Mrs. Isabirye and for several other people who got to witness or experience the mystical for the first time. But to me, such uncanny comprehension and the supernatural world are, for the lack of a better word, commonplace. And they can be for you too, if you are daring enough to read through. Atheist or agnostics may dismiss Mrs. Isabirye's story as spiritual mumbo-jumbo. They will undoubtedly have a perfectly logical argument why such supernatural occurrences are not possible. Denominational Christians who think of faith as nothing more than a set of dos and don'ts might similarly dismiss it, perhaps with less fervour. They too would have sound arguments in support of their positions. What I am presenting in this book, however, are experiences. The world abounds with arguments, every man or woman has one to back their position and most of them make good sense. But in her time of need, Mrs. Isabirye didn't need an argument, she needed an experience. Someone with an experience is never at the mercy of someone with just an argument. So whatever your disposition; believer, agnostic, atheist or anything in between, I dare you to read this with an open mind, you will undoubtedly find this text eerily challenging. Early experiences The mysterious world of the supernatural is not a reality I discovered in my latter years. Growing up as a child in Bugolobi, a middle-class suburb of Kampala, I frequently experienced close encounters with the supernatural. Not illustrated. 1912 edition. Excerpt: ... 18. "And the nations were angry, and thy wrath is come, and the time of the dead, that they should be judged, and that thou shouldest give reward unto thy servants, the prophets, and to the saints, and them that fear Thy name, small and great; and shouldest destroy them which destroy the earth." Here the door of mercy is already closed and the spiritually dead, which are the

children of the devil, are to be judged, and the children of God to be rewarded. Verse 19. "And the temple of God was opened in heaven, and there was seen in His temple the ark of His testament: and there were lightnings, and voices, and thunderings, and an earthquake, and great hail." Yes, the knowledge of God and of the Scriptures will be given to the world before the wrath of God consumes the children of the devil. CHAPTER XV. THE CHURCH OF GOD. In the twelfth chapter is described the true church of God, and how the devil persecuted and tried to destroy her. 1. "And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: ' 2. "And she being with child cried, travailing in birth, and pained to be delivered.' Moon symbolizes the law, and the Sun the Gospel of Christ, and the twelve stars are the Apostles, who preached the pure doctrine of Christ. The foundation of this church is the law of God, and her life is the Gospel or the Spirit of God, which is "peace on earth and good will toward men." Verse 3. "And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads." This great red dragon with seven heads and ten horns is the devil's material body. It is the Western Roman Empire, and the ten horns on his...

The Gift of Prophecy Createspace Independent Publishing Platform Despite the hype and speculation, the second coming of Christ had seemingly been postponed. A much-anticipated 2012 went by without so much as a hiccup from an angry god. People were so obsessed with the idea of global destruction that the absence of annihilation was a slight disappointment. Where were the famed four horsemen? What had happened to the rivers of blood? Was all that doomsday preparation for nothing? The notion quickly faded like an internet fad as the world resumed its regular routine, so imagine their surprise when something began a few years later. Those biblical signs were finally being witnessed. Things were beginning to happen, but was it just a coincidence? Why wasn't it happening exactly as scripture described? Had the prophecy changed? Something wasn't adding up. Then came the sign that couldn't be ignored. Even the angels themselves took notice as an act of cosmic proportions changed the Earth forever. Had the Lord of the Earth overstepped his bounds while managing to keep the balance in check? There was little choice but to watch helplessly as events unfolded, but that didn't mean that the Aion of the Heavens had to like it. Something was amiss in the mortal realm, and someone would have to answer for it. Prophecy: Child of Light FaithWords

The Great Prophecies: Concerning the Gentiles, the Jews and the Church of God Xlibris Corporation

A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of Beyond Belief. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

After twenty years of research, Dr. J. Barton Payne has compiled the one complete guide to Biblical prophecy. From the prediction of Adam's death in Genesis 2: 17 to the prophecy of mankind's perpetual worship of God in the new heaven and earth (Psalm 72:5), the ENCYCLOPEDIA OF BIBLICAL PROPHECY discusses every verse of prophetic matter in Scripture. It identifies every probable point of fulfillment whether in the past, present, or still in the future. The first 144 pages of the ENCYCLOPEDIA OF BIBLICAL PROPHECY set forth a systematic approach to the subject of Biblical prophecy and the legitimate place for prediction in it. The ENCYCLOPEDIA is arranged according to the 66 books of the Bible. In each book, all the verses on one prophetic theme are treated in one combined discussion. For example: The 12 verses of Genesis that foretell God's granting of the land of Canaan to the descendants of Abraham are discussed together. It is then shown how the promise was fulfilled in the days of Joshua. One of the ENCYCLOPEDIA'S concluding summaries lists all the 737 major subjects that appear in Biblical prediction, with the books and paragraphs in which each is found. This way, each prophecy can be traced from its first appearance in the Bible to its last. Among the many features is a complete list of all the Scriptural prophecies pertaining to Christ. No other book has ever examined Biblical prophecy so thoroughly or presented it in such a balanced perspective as the ENCYCLOPEDIA OF BIBLICAL PROPHECY. • 1,817 entries covering all the Biblical predictions in both the Old and New Testaments • A complete discussion of all 8,352 predictive verses in the Bible • 14 tables, including three on the Book of Revelation • Bibliography • 4 summaries • 4 statistical appendixes • 5 complete indexes An indispensable tool for students of the Bible, for students in theological seminaries and Bible colleges, for pastors as a reference guide, and for concerned lay people. The ENCYCLOPEDIA OF BIBLICAL PROPHECY is certain to bring a fresh understanding and rewarding insights of the bible.

Therefore, thou son of man, prophesy against Gog, and say, Thus sailh the Loud God; Behold, I am against thee, O Gog, the chief prince of Meshech and Tubal. And it shall come to pass in that day, that I will give unto Gog a place there of graves in Israel, the valley of the passengers on the east of the sea: and it shall stop the noses (or mouths) of the passengers: and there shall they bury Gog, and all his multitude: and they shall call it The valley of Hamon, gog. A Few things, in this prophecy, may to us be dark and intricate, not because God designed in his revelation to make it so, to deceive, puzzle or perplex his children, in the study of his holy word;--far be it from me to impute such motives to my heavenly Father;--but on account of the translators' retaining certain words, or names of places, or things, in the original language, which might have been used intelligently when Ezekiel prophesied of them in their common tongue, but which, as it respects us, have become obsolete. Yet I think when I read this passage, which at first view may appear dark, with other prophecies of like import, and compare scripture with scripture, I find not only much instruction, but comfort and consolation in believing that in God's light I can see light. And even in the history of modern times, I can behold the prophet's eye calmly surveying scenes, (on which we are looking, or may look,) with a keen vision and clear perception, which on the score of human reason can never be accounted for, only by supposing something more than mortal had given to the prophet's eye powers of perceiving the end from the beginning; which fixes upon our minds a solemn conviction, that the ken of the prophet once looked on scenes, which he has described in the common.
