The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as "the definitive account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

A story of inspiration and transformation for the really desperate housewife—now a TV series from the creator of Sex and the City, starring Sutton Foster and Hilary Duff! She ' s old enough to be his mother. Alice has always looked young for her age, even with her graying hair and her dowdy New Jersey housewife style. Make that ex-housewife: Now that her husband ' s gone and her daughter is grown, Alice is in desperate need of a whole new life. So she lets her best friend Maggie, a hip New York City artist, transform her on New Year ' s Eve. Soon, thanks to the wonders of hair dye and tight jeans, Alice looks really young, as one night in a Manhattan bar confirms. At midnight, she kisses a boy who was in diapers when she was in high school. She ' s having too much fun to care. The white lie Alice tells Josh gets her thinking that if no one asks her age, she doesn ' t have to tell. So she applies for a job she had briefly before becoming a full-time mom—and gets it. Meanwhile, Josh is falling head over heels for Alice, who ' s just way cooler than girls his age. He figures she ' s about twenty-nine—and for the first time since she was twenty-nine, or possibly ever, Alice feels that life is ripe with possibility. Unfortunately one possibility is that she ' s gonna get caught. Challenging the adage that the truth will set you free, Younger is a hilarious and insightful story that proves that you ' re only as young as you feel.

In season four of Darren Star's hit TV Land series Younger, the editors at Empirical Press are shocked and deeply moved when they read Marriage Vacation, an autobiographical novel by the publisher's estranged wife, Pauline Turner Brooks. Knowing the book will cause a sensation, they decide they must publish it. Now you can read what the hype is about—including page 58 that had everyone buzzing (...and blushing). Marriage Vacation is for anyone who has ever fantasized about what it would be like to run away from it all. By all appearances, Kate Carmichael has the perfect life: two adorable daughters, a prewar townhouse on the Upper East Side, and a husband who runs one of the most successful publishing companies in New York. But when Kate attends a wedding and reconnects with successful friends from graduate school, she suddenly sees her life in a different light: the career she didn't pursue, the dreams she's locked away, the empty veneer of her privilege. When the wedding weekend ends, instead of heading home to her husband and family, Kate gets on a plane and flies halfway around the world. She claims it's just going to be for a week—two max—just so she can clear her head and reconnect with her lost dreams. But the adventure doesn't go quite as planned. This provocative and gripping novel asks: Is a wife and mother allowed to have a midlife crisis? And, if she does, can she ever be forgiven? PRAISE FOR Marriage Vacation "Marriage Vacation has everything you want an in a novel: fascinating characters, drama, secrets, emotional reckonings, and far-flung adventure. If you love Younger, you'll love this book. If you've never watched an episode of Younger (you should change that), you'll still love this book. And just wait until you read page 58!" —Darren Star, creator of Sex and The City and Younger "This brilliant romp helps us understand why Liza was so excited to discover the manuscript, how any woman could leave the dreamy Charles, and what exactly Pauline—by way of her fictional alter ego, Kate Carmichael—did on that mysterious Marriage Vacation. Pack this heartfelt, insightful, funny, sexy book when you take a vacation of your own." —Pamela Redmond Satran, author of Younger

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. **START WITH WHY** asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. **START WITH WHY** shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

### What Every Woman Should Have

Penguin

New York Times bestselling author Pamela Redmond delivers a beautifully written novel about three generations of women in New York City and the experiences that shape and connect them to each other. *The Possibility of You* weaves together three interlocking stories involving three women dealing

with issues of pregnancy and motherhood at key moments in history of the last century: On the brink of the First World War and the dawn of the modern age; as the liberalism of the '60s and '70s gave way to Reagan's 1980s; and during the autumn of Barack Obama's election. Contemporary heroine Cait, an African-American journalist raised by white adoptive parents, goes on a search for her birth mother inspired by her own unplanned pregnancy. Orphan Billie travels from her hippie upbringing in San Francisco to discover the upscale New York grandmother she never knew existed. And Irish nanny Bridget loses the boy she cares for and loves in the 1916 polio epidemic, only to try and replace him with a child of her own. Delving into the complex emotions that lie at the heart of unplanned pregnancy, motherhood, and the definition of family, this sweeping inter-generational saga illuminates the struggles of these very different women—and shows how the search for belonging is a connection that remains universal.

'I loved every bit of this novel, and finished it with a giant smile on my face' - Jodi Picoult, New York Times bestselling author of *The Book of Two Ways*. Liza never dreamed that anyone would be interested in her life, let alone buy a book about it. But when she publishes a thinly veiled novel about a woman posing as a millennial, called *Younger*, not only is the book a hit, but her old friend Kelsey wants to turn into a TV show. Flying off to Los Angeles to help write the pilot, Liza leaves behind her on-again off-again boyfriend Josh, her pregnant daughter, and her best friend Maggie. But as Liza is swept up in the heady world of Hollywood, she finds herself thinking less and less of her life back home in New York. And when she meets Hugo Fielding - the devastatingly handsome and incredibly flirtatious Brit playing her boss on the show - she toes the line between having a crush and falling in love. Torn between New York and Los Angeles, a familiar love and a risky one, an established career and a shot at stardom, Liza must decide if it's too late to go to the ball . . . and if she even wants to. The hotly anticipated sequel to the beloved *Younger* - now a hit TV series from the creator of *Sex and the City*, Darren Star, starring Sutton Foster and Hilary Duff.

Read the story of the Founding Father who inspired the smash Broadway musical. Born in the British West Indies and orphaned as a child, Alexander Hamilton made his way to the American Colonies and studied to become a lawyer. He joined a local militia during the American Revolution, rose to the rank of Major General, and became the chief aide to General George Washington. After the war, he became the first U.S. Secretary of the Treasury. He founded the Bank of New York and The New York Post newspaper. He served as a delegate to

the Constitutional Convention and is also celebrated as a co-author of The Federalist Papers, a series of essays that are still used today to interpret the U.S. Constitution. The end of his life became a national scandal when he was shot and killed in a duel with then-Vice President Aaron Burr.

In Coyote County, Christmas means festive lights, the town parade, hot coffee and cinnamon rolls...not creatures from another planet. While a glowing green Peeping Tom with two antennae is a little hard to buy, Libby Hawkins doesn't believe her former school teacher suffers from either dementia or a runaway imagination. There's a logical explanation, and she intends to discover it before the older woman is placed in a nursing home. After a twelve year absence, Sheriff Jackson Carter returns to Coyote County to clear his father's name. He never expected to be waylaid in his quest by alien sightings, and it doesn't help that stubborn Libby Hawkins—his former girlfriend—is determined to meddle in the investigation. He hurt Libby when he left town after his father's death, but it was for her protection. Now Libby's stumbled on something dangerous. Can he keep her from harm this time? He doesn't know, but one thing is certain: Christmas in Coyote County has never been so interesting.
