Small Engine Repair Brooklands Book Limited

The aim of this book, with its superb step by step photographs and detailed diagrams is to enable every owner to understand the workings of an outboard motor (2 or 4 stroke) and be able to fix it with relative ease. It includes: an explanation of the different parts that make up the engine and how they interact; how fuel is transformed into propulsion; regular maintenance and repair worksheets to help even the most mechanically ignorant to work on their outboard engine with confidence; the most common causes of breakdown; troubleshooting tables to allow you to diagnose and fix the most common engine problems and advice on how to winterize your outboard in one short afternoon. After reading this book, your outboard will no longer be a potential bother to you but an ally for better boating.

Factory engine repair manual for the iconic 2F petrol/gasoline engine as fitted to the Toyota 40, 55 and 60 Series four wheel drive vehicles. This repair manual has been prepared to provide information covering general repair for 2F Gasoline engine as fitted to the TOYOTA LAND CRUISER. Per Toyota Motor Sales Co., LTD. The Toyota 2F engine was one of the "F" series of OHV inline-6 cylinder engines produced by Toyota between 1955-1992. "F" Series engines are known for their high amount of torque at low RPM, massive cast iron blocks and heads and also their high reliability. The 2F Engine had one of the longest production runs of any Toyota engine. The "F" Series engines all incorporate overhead valves actuated by pushrods from a gear driven camshaft in the lower portion of the engine. The engine was first introduced in the Toyota FJ40 Land Cruiser, and in many countries, was the only gasoline engine offered in the Landcruiser until 1993. Although it's commonly badged as the Land Cruiser engine, it was used in a variety of other large truck applications as well, such as in fire trucks and the Toyota FQ15 trucks. It was also used in the Crown based Japanese Police Patrol Cars FH26 and FS20-FS50.
