Retired high school teacher Gwen Franklin has a new pet valet business with her BFF, and a whole new leash on life. But a killer is about to come sniffing around . . . Gwen Franklin is looking forward to spending her retirement drinking her favorite coffee and reading mystery novels. Those peaceful plans are brought to heel by her best friend, Nora. Sporting stiletto heels, leggings, and a "more is better" makeup routine, fifty-something Nora Goldstein has a penchant for marrying--and divorcing--rich men. Now that Gwen's got free time, Nora figures

they should start a dog-walking and pet-sitting service together. But it's far from a walk in the park when the corpse of Linda Fletcher is found in Nora's kitchen. Linda was Nora's nemesis, and the large knife protruding from her chest points to murder. With no doubt that her bestie's being framed, Gwen puts her sleuthing skills--acquired from reading every Agatha Christie mystery--to the test as she digs through suspects, including four disgruntled ex-husbands, ten greedy ex-stepchildren, not to mention all her exes' exes. But with death threats and another body surfacing, can Gwen curb a killer before her own (dog) days come to an end?

A view of America—as seen in small towns, rural roads, and its overlooked in-between-places John Porcellino makes his love of home and of nature the anchors in an increasingly turbulent world. He slows down and visits the forests, fields, streams, and overgrown abandoned lots that surround every city. He studies the flora and fauna around us. He looks at the overlooked. Porcellino also digs deep into a quintessential American endeavour—the road trip. Uprooting his comfortable life several times in *From Lone Mountain*, John drives through the country weaving from small town to small town, experiencing America in slow motion, avoiding the sameness of airports

and overwhelming hustle of major cities. From *Lone Mountain* collects stories from Porcellino's influential zine *King-Cat*—John enters a new phase of his life, as he remarries and decides to leave his beloved second home Colorado for San Francisco. Grand themes of *King-Cat* are visited and stated more eloquently than ever before: serendipity, memory, and the quest for meaning in the everyday. Over the past three decades, Porcellino's beloved *King-Cat* has offered solace to his readers: his gentle observational stories take the pulse of everyday life and reveal beauty in the struggle to keep going.
