This GED study guide combines theory and practice questions so that students are fully prepared before writing the exam. While other guides only provide around 200 questions, this guide has 723 questions along with answer explanations. There are 3 full-length tests included so that test takers will have enough practice before attempting the real exam. Newstone Test Prep provides students with up-to-date test questions so that they are well prepared before taking the exam. We take pride in our guides because they combine both theory and test questions. At Newstone Test Prep, we do not just compile test questions; we compile the same number of questions as the real exams, in the same format. This has been a great help for past students because they were able to simulate the real exam while studying. GED Study Guide 2022 All Subjects Simon and Schuster Provides test-taking tips and strategies, reviews topics on the test, and includes two full-length practice exams with answers and explanations.
