Awarded the Nobel
Prize for Literature in
1969, Samuel Beckett's
influence on 20th
century fiction and
drama is immeasurable.
Published in
conjunction with the RT
(Radio Telef s ireann)
Thomas Davis Lecture
Series to mark the
centenary of Beckett's
birth, Samuel Beckett -
100 Years consists of
thirteen essays by
many of the foremost
academics studying
Beckett today. Literary
luminaries such as John
Banville and Anthony
Cronin line up alongside
philosophers Dermot
Moran and Richard
Kearney to delve into
the psyche of the man
responsible for classics
such as Murphy,
Krapp's Last Tape, and
Waiting for Godot,
while actors Barry
McGovern and
Rosemary Pountney
describe what makes
his works so theatrical.
The book is a
challenging and serious
look at Beckett's work

and its impact on
literature today.

Honda Civic Petrol and Diesel Owner's Workshop Manual Haynes Manuals N. America, Incorporated
When it comes to their personal transportation, today's youth have shunned the large, heavy performance cars of their parents' generation and instead embraced what has become known as the "sport compact"--smaller, lightweight, modern sports cars of predominantly Japanese manufacture. These cars respond well to performance modifications due to their light weight and technology-laden, high-revving engines. And by far, the most sought-after and modified cars are the Hondas and Acuras of the mid-'80s to the present.

An extremely popular method of improving vehicle performance is a process known as engine swapping. Engine swapping consists of removing a more powerful engine from a better-equipped or more modern vehicle and installing it into your own. It is one of the most efficient and affordable methods of improving your vehicle's performance. This book covers in detail all the most popular performance swaps for Honda Civic, Accord, and Prelude as well as the Acura Integra. It includes vital information on electrics, fit, and drivetrain compatibility, design considerations, step-by-step instruction, and costs. This book is must-have for the Honda enthusiast.
