Each of the 14 units in this book introduces a different reading task that you may encounter during the IELTS Academic Reading test: Matching headings True / False / Yes / No / Not Given Matching information Summary completion Sentence completion Multiple choice Matching features Choosing a title Categorisation/classification

Matching sentence endings Table completion Flowchart completion Diagram completion Short answer questions Each unit contains three two-page sections: 1. Think and prepare starts with some questions to get you thinking about the unit topic, and introduces some challenging words and phrases that will appear in the practice activities that follow. 2. Practise introduces a new reading task for you to practise the task type using a text that is shorter than what will feature in the exam. It starts with some strategies and tips for how to approach each task, for you to try these strategies out during the activities then reflect on what went well, what you learned and what you will need to do to improve. 3.

Put it to the test includes a text that is designed to replicate an IELTS Reading test task. There is no support here - it's just you, the text and the questions! Appendices: Task info and tips: Definitions of each task type, and tips on how to approach the task. Extra activities: Further practice in applying different task types to the units' texts. Answers: Comprehensive answers and guidance for each activity. Glossary and Index: Definitions of all high-level vocabulary used. IELTS test. If you're not doing an IELTS reading test every day for a few months before the exam, you'll find it harder to get the band score you want. These questions have been created based on many discussions with IELTS examiners, IELTS teachers and especially IELTS students who have described the sort of questions they get in the exam. Through practicing these questions and other questions in the series you'll be able to become

more familiar with the types of questions asked in the exam and be better able to respond confidently. Additional notes for the private ESL tutor and classroom IELTS teacher - You'll find the text in this second edition of general reading questions has been spread out further for easier annotating while keeping the book size small for more convenient carrying in a backpack. ESL schools may also wish to offer the book as

part of their IELTS course offerings. Considering this, the tests answers have been shifted to the back in case you wish to remove them easily from the book before giving it to your students. Also, to help make this less of a strain on ESL college budgets, the RRP price has been set lower than the previous edition. Adding the Just IELTS Questions series to your collection of resources for studying for the IELTS exam can help you reach the band score
