"Mark Edward is an equivocator, fibber, and mountebank. Which begs the question: if a liar admits to lying, can he be telling the truth? He is a literate, informative, intellectual, a student of the psychology of humans, a foe of those who would defraud the public for personal gain, and as an author and practicing psychic, he is first and foremost an entertainer."—Joel

Moskowitz, International Brotherhood of Magicians Mark Edward admits that for years he exploited believers who wished to connect with supernatural ideas and sad family members who missed dead loved ones. Now Edward is a magician who works the Haunted Castle in Hollywood and is also on the editorial board of Skeptic magazine, where he reveals the means of psychic scamsters. This entertaining book is at once a confessional and instructional regarding human belief and those who exploit it. Though Edward believes that most practitioners of the psychic business are out-and-out scam artists, he also counters the skeptic belief that the supernatural is a lie. Both skeptic and skeptical of skepticism, Mark Edward has worked as a 900-number psychic, ghost hunter, and Hollywood Magic Castle medium. He has also worked vigorously to debunk psychic frauds and currently works on the editorial board of Skeptic magazine.
