Theres one landing page service you have not included in your review, and thats mailchimp. They do free landing pages . But i still dont know which site to choose . I am so new at this that i am still doing research and watching you tube tutorials. I dont even have an email list.

**Free Landing Page Manual**

When it comes to promoting your product online, a well-designed product landing page can make all the difference for a successful launch. Given the fact that landing pages incorporate a minimal design that eliminates unnecessary distractions, it's easy to understand how visitors have higher chances of converting into customers and clients.

*Manual - landing page design inspiration - Lapa Ninja*

This landing page is unique because Jeff uses video content in the background of his title page. The videos change as you scroll down which provides an interesting backdrop and breaks up the content. The headline, "Why Christianity is so much more than going to heaven when you die," is found a little way down the page.
