There are many ways to use the free EMT-B practice test questions found on EMT Questions.com. But before you dive in, it's best to think about how you want to use the information on this site. Multiple choice questions present a golden opportunity to focus your study, not just to get the right answer, but to understand the subject in question.

[EMT Practice Exams and Study Guide](#)

The cognitive exam is computer-adaptive, meaning that the difficulty of questions is determined by the examinee's responses to preceding questions. Test-takers can expect to answer anywhere from 70 to 120 questions, of which between 60 and 110 questions will count toward the final score. The exam also has 10 pilot questions that do not affect ...
