 opportunities

**Motion Picture Story Magazine** Stanford  
 University Press

The first of his peerless novels of Cold War  
 espionage and international intrigue, *Call for the  
 Dead* is also the debut of John le Carré's masterful  
 creation George Smiley. "Go back to Whitehall  
 and look for more spies on your drawing boards."  
 George Smiley is no one's idea of a spy—which is  
 perhaps why he's such a natural. But Smiley  
 apparently made a mistake. After a routine security  
 interview, he concluded that the affable Samuel  
 Fennan had nothing to hide. Why, then, did the  
 man from the Foreign Office shoot himself in the  
 head only hours later? Or did he? The heart-  
 stopping tale of intrigue that launched both  
 novelist and spy, *Call for the Dead* is an essential  
 introduction to le Carré's chillingly amoral  
 universe.
