prepared to do your best when taking the SAT. It won 't take you long to discover that the SAT is unlike any test you 've taken before, and it is probably unlike any test you will ever take again in your academic career. The typical high school or college test is a knowledge-based test. The SAT, however, is skills-based.

So what book is it? None other than The Official SAT Study Guide, 2020 Edition. It feels really weird to recommend not buying this book because, for years and years, this was the book to use to study for the SAT. This guide used to contain 10 full-length practice tests you could only get by buying the book.
