Hit the road in style and comfort you built yourself... The road trip has been a celebrated

American tradition for as long as there have been roads on which to travel. Combined with our love of the great outdoors, hitting the road in search of some peace under the stars is a goal for anyone old enough to drive -- even more so in today's hectic, wired world.

Millennials and retiring boomers want to take a break, especially one that reflects their ever increasing simple and minimal mindset. Enter the Teardrop Trailer. First designed in 1930's for cars lacking power, they've re-emerged as a smart, aerodynamic, and eye-catching option for seeking out the quiet beauty that camping offers...but with plenty of comfort. Think of the tiny house movement going camping... Matt Berger's book *The Handmade Teardrop Trailer: Design & Build a Tiny Classic Camper from Scratch* hands you the keys to craft your own stylish adventure. The *Handmade Teardrop Trailer* guides you through the journey from sketchbook to first road trip, and

will prepare you to design and build your own comfortable pull-behind Tiny Trailer. And, to achieve this you don't need much space, just a garage bay or shared workspace, and the most basic tools and materials available at your nearby hardware store or home center.

Because we all have our own "get away from it all" road-trip fantasies when it comes to comfort, style, and purpose, *The Handmade Teardrop Trailer* will train you up like a pro on the basics of trailer design, backed up by deep research and experimentation. Illustrations provide measurements and construction details that are easy to adapt for variations in size and configuration and more than 100 step-by-step photos illuminate every detail in the design and build process. With this handy guide leading the way, you'll be shutting down the computer, storing the cellphone, and hitting the road to find some peace in a classic tiny trailer camper you built by yourself.

Updated and enhanced information on the most recent topics added to the Pony Club curriculum This C Level manual builds on material covered in The United States Pony Club Manual of Horsemanship: Basics for Beginners/D Level. Whether you're a Pony Clubber who has passed the D Level tests or simply a rider who has mastered the same basics, this manual enables you to increase your skills and

teach you what you need to know in order to rise independently and correctly with good position, balance, and use of the aids on the flat, over fences, and in the open. At the intermediate level you're expected to take more responsibility for the care and management of your pony, and you'll learn how to do this as well. In addition, you'll learn the skills needed for conditioning and preparing your pony and yourself for competitions and special events. New and revised coverage of land conservation and horse health and safety Better organization to ease reference A full review and update of critical developments in riding, instruction, and competition In-depth revision of nutrition and veterinary topics, the two areas in which there has been the most significant research and development

over the past two decades From the C Level, you may go on to higher Pony Club ratings such as B, H, A, or A Ratings, or specialize in such disciplines as dressage, show jumping, eventing, and showing. Or you may just want to have the pleasure of caring your horse or pony and participating in your favorite riding activities. Either way, The United States Pony Club Manual of Horsemanship: Intermediate Horsemanship/C Level will give you an excellent basis in horsemanship for the lifelong enjoyment of horses and horse sports.
