More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you:

- Avoid the 9 deadly sins that destroy startups' chances for success
- Use the Customer Development method to bring your business idea to life
- Incorporate the Business Model Canvas as the organizing principle for startup hypotheses
- Identify your customers and determine how to "get, keep

and grow" customers profitably • Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

Vintage camper trailers are a unique symbol of midcentury America that resonates with many people. This book introduces many of those people, along with the trailers they've lovingly maintained or restored. It includes hundreds of photographs of everything from fancy and comfortable trailers designed for glamping (glamorous camping), to trailers handed down through families across generations, and even entrepreneurs who have transformed their trailers into vending booths. Paul Lacitinola enjoys everything about vintage camper trailers, including rescuing, restoring, and rallying. In 2011, he began publishing the first U.S.-based magazine for collectors, restorers, and admirers of American-made camper trailers, *Vintage Camper Trailers*, which now has thousands of subscribers in more than a dozen different countries. He lives in Elverta, California.

Are you thinking about doing a camper renovation? Do you need some direction as to how to remodel a travel trailer so you can live the nomadic life of your dreams? Restoring, remodeling, or even just redecorating an old RV can breathe new life into your trusty motorhome. If you're looking for a place to start, look no further. I wrote this book to show you how an RV renovation can be cheap and easy as long as you know how to start. Save Money The best way to save money when you're looking into buying an RV is to remodel a used one. In my book, *DIY Motorhome & RV Rehab and Renovation Guide*, I will take you through the complete process of planning your remodel from start to finish. I'll show you how to pick the right RV for you, how to plan the interior layout, and what you should be sure to do when undertaking a remodel. You really can do-it-yourself when it comes to RV renovation and remodel. You Call the Shots I'm a bit of a backyard mechanic. Pretty much since I was old enough to hold a wrench, I was working on some sort of project with my dad. He was a tinkerer, inventor, and all-around handyman. His favorite

projects were fixing up cars and old campers - Airstreams, motorhomes of all classes, and RVs of all sizes. In fact, when he passed away, I am sure there were at least 3 or 4 unfinished, ongoing projects still left in his garage. Luckily, I inherited much of his know-how when it came to refurbishing and refinishing fixer-uppers. It's Easy - Anyone Can Do It! Redecorating a used RV is the easiest way to customize your new home on wheels. In fact, family vacations taken in an RV are, on average, 27-62% cheaper than other methods of travel. You can see the country and make memories together that you will not soon forget. Those monetary savings start when you decide to purchase a used camper and make it your own rather than buying a brand new one. Don't know where to start with your RV renovation? Start with my book! In my book about renovating an RV, you will learn the best way to plan your travel trailer remodel. In this book, you will see where to begin when taking on such a huge task as renovating and redecorating a motorhome. You will learn all about how to remodel, redecorate, and refurbish an RV, camper, motorhome, and travel trailer. Topics You will Learn About Include: The evolution of the camper through history The glamping movement Types of RVs Picking the best RV for you Costs of renovation and planning your budget Advice about towable travel trailers and towing vehicles Designing the camper Layout ideas and floor plan suggestions Interior design best practices All about remodeling - from top to bottom Replacing the flooring Repainting the RV inside and out Rookie mistakes to avoid Remodeling the bathroom Remodeling

the dinette Bedroom upgrade tips Space-saving tips and tricks Going the eco-friendly route My goal is to provide you with the best starting point when renovating a used RV. I'm certain that my book will provide you with inspiration and the courage to get your project started. Hopefully, you come away with some new ideas and maybe something new that you haven't thought of before. I encourage you to read all you can about RV restoration, including reading this whole book. Be sure to click "Buy Now" to add this title to your collection. This book also makes a great gift for that person in your life who loves to undertake a hands-on project.
