Jerry Alten started as Art Director of TV

Guide in 1967, and for almost 50 years he engaged the world's greatest illustrators to provide the artwork for the pages of the widest circulated magazine in the world. Unlike TV Guide and other entertainment magazines today, the digest-sized magazine relied almost solely on illustration, and in many cases, it helped to support the careers of many of the illustrators. Artists ranged from Norman Rockwell to Charles Addams, Edward Gorey to Andy Worhol. Jerry Alten provides a view behind-the-scenes of a magazine that featured some of America's greatest celebrities, the artists who painted them, and the interesting, highly entertaining, and sometimes outrageous interactions between subject, artist, and art director. The book is also a nostalgic look at the people who helped make the medium what it is today.

Even when her path seemed bleak, it was this unwavering faith that allowed her to follow her dreams, both professional and personal, and survive the hardest times in her life. Like so many women out there, Marie has struggled through years of being a single parent and a

working parent, while juggling the need to be there for her children and still be there for her other "family," the multitude of fans and followers who look up to her. Through it all, Marie has turned to the person who helped her through every stage of her life and her career: her mother. Drawing on the wisdom that Olive Osmond imparted over the years, Marie weaves a rich, touching, and honest memoir about her life offstage and off-camera, where she took on her most important role: motherhood. Through her personal delights, dreams, downturns, and devastating tragedy, Marie offers insights on creating a strong family, raising happy and independent children and, especially, moving forward when it seems impossible to do so.
