Winner of the Nebula Award! Finalist for the Hugo Award! Finalist for the World Fantasy Award! A New York Times Best Romance of 2022! C. L. Polk turns their considerable powers to a fantastical noir with *Even Though I Knew the End*.

“Eerie, sharp, and fiercely bittersweet.”
—The New York Times
A magical detective dives into the affairs of Chicago's divine monsters to secure a

future with the love of her life. This sapphic period piece will dazzle anyone looking for mystery, intrigue, romance, magic, or all of the above. An exiled augur who sold her soul to save her brother's life is offered one last job before serving an eternity in hell. When she turns it down, her client sweetens the pot by offering up the one payment she can't resist—the chance to have a future where she grows old with the woman she loves. To succeed, she is given three days to track down the White City Vampire, Chicago's most notorious serial killer. If she fails, only hell and heartbreak await. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. The Curse of Slagfid Simon & Schuster Books for Young Readers

With a bit of imagination and a heavy dose of artistic talent, Minecraft blocks can be used to build almost anything. But as you 'll see, some artists are taking Minecraft building to a whole new level. Beautiful Minecraft is a compendium of stunning artwork built in Minecraft. Using millions of blocks and spending hundreds of hours, these artists have created floating steampunk cities, alien worlds, detailed classical sculptures, fantastical landscapes, architectural marvels, and more. The results are simply beautiful.

Fixed It Harper Collins

Thirteen-year-old Floey Packer feels like she's always blended into the background. After all, she's the frumpy younger sister of the Fabulous Lillian, a girl so popular and spontaneous that their house is always packed

with a gaggle of admirers. But when Lillian suddenly gets married and heads off on a month-long honeymoon, Floey decides it's her time to shine. Armed with her trusty diary, some books on Zen philosophy, and a jar of Deep Wild Violet hair dye, Floey embarks on a self-improvement mission—with excellent results. People are finally noticing her, especially the boy who really counts. But then disaster strikes. Are people noticing Floey because she's so fabulous—or because her evil cousins posted her diary on the Internet? And how will Floey ever repair the damage?

#MakeoverMonday Delacorte Press

The second time I witnessed Jackson try and kill himself, he was standing in the surf on the ocean's edge with a .22 in his right hand. It was September, and I squinted down the coastline, hoping to see someone, anyone, witness what was about

to happen. But there was no one. No one would ever know what caused the jagged, broken pieces of Jackson to collide into my world. No one would know the whole story, the true story. Not unless I kept him alive. I had to keep him alive. If he was going to die right then and there, he deserved to know who I really was, not just who I was pretending to be. I closed my eyes, not knowing if what I was about to say was going to help or hurt the situation.

"Jackson, I've been lying to you this whole time." Due to graphic scenes and mature content, this book is recommended for readers 18+.

An Awesome Book! U of Minnesota Press

Provides a practical modern guide to delivering high-quality images on the web -- from formats and compression to delivery and maintenance. The book focuses on what matters: modern

approaches to image compression and image delivery, practical tools and techniques to automate optimization, responsive images, current and emerging image formats, how browsers load, decode and render images, CDNs, lazy-loading, adaptive media loading and how to optimize for Core Web Vitals.

Living Documentation Stasheff Literary Enterprises

No, *Anti-Book* is not a book about books. Not exactly. And yet it is a must for anyone interested in the future of the book. Presenting what he terms “a communism of textual matter,” Nicholas Thoburn explores the encounter between political thought and experimental writing and publishing, shifting the politics of text from an exclusive concern with content and

meaning to the media forms and social relations by which text is produced and consumed. Taking a “post-digital” approach in considering a wide array of textual media forms, Thoburn invites us to challenge the commodity form of books—to stop imagining books as transcendent intellectual, moral, and aesthetic goods unsullied by commerce. His critique is, instead, one immersed in the many materialities of text. *Anti-Book* engages with an array of writing and publishing projects, including Antonin Artaud’s paper gris-gris, Valerie Solanas’s SCUM Manifesto, Guy Debord’s sandpaper-bound *Mémoires*, the collective novelist Wu Ming, and the digital/print hybrid of *Mute* magazine.

Empirically grounded, it is also a major achievement in expressing a political philosophy of writing and publishing, where the materiality of text is interlaced with conceptual production. Each chapter investigates a different form of textual media in concert with a particular concept: the small-press pamphlet as “communist object,” the magazine as “diagrammatic publishing,” political books in the modes of “root” and “rhizome,” the “multiple single” of anonymous authorship, and myth as “unidentified narrative object.” An absorbingly written contribution to contemporary media theory in all its manifestations, *Anti-Book* will enrich current debates about radical publishing, artists’ books and other new genre and media forms in alternative media, art publishing, media studies, cultural studies, critical theory, and social and political theory.

Fantastic Creatures Tordotcom
One of the Best Books of the Year: NPR, GQ, Billboard, JazzTimes In jazz parlance, “playing changes” refers to an improviser’s resourceful path through a chord progression. In this definitive guide to the jazz of our time, leading critic Nate Chinen boldly expands on that idea, taking us through the key changes, concepts, events, and people that have shaped jazz since the turn of the century—from Wayne Shorter and Henry Threadgill to Kamasi Washington and Esperanza Spalding; from the phrase “America’s classical music” to

an explosion of new ideas and approaches; from claims of jazz's demise to the living, breathing scene that exerts influence on mass culture, hip-hop, and R&B. Grounded in authority and brimming with style, packed with essential album lists and listening recommendations, *Playing Changes* takes the measure of this exhilarating moment—and the shimmering possibilities to come.

To save himself Leifr needs to get his hands on a magic sword and then find the troll's grindstone to sharpen it. But Sorkvir had hidden the grindstone, and the sword hangs on the wall of Sorkvir's throne room.

The Troll's Grindstone Addison-Wesley Professional

The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! In *Knife of Dreams*, the eleventh novel in Robert Jordan's #1 New York Times bestselling epic fantasy series, *The Wheel of Time®*, Tarmon Gai'don, the Last Battle, is upon Rand al'Thor—and now the Dragon Reborn must confront the Dark One as humanity's only hope. The dead are walking, men die impossible deaths, and it seems as though reality itself has become unstable... Abandoning Rand's war against the Dark One, Perrin Aybara has made his own truce with the Seanchan in his obsessive quest to save his wife Faile from the Shaido and destroy their mutual enemies. To achieve victory, Perrin must render the Shaido Wise One channelers in Malden powerless. But even as he puts his

desperate plan into action, Masema Dagar, the Prophet of the Dragon, moves against him. Traveling with circus performers through Seanchan-controlled Altara, Mat Cauthon attempts to court Tuon, the Daughter of the Nine Moons, to complete their fateful prophesized marriage. Despite being surrounded by Seanchan seeking to kill her, Mat's intended leads him on a merry chase while he wages guerrilla warfare to protect her. Knowing he cannot defeat the Dark One while at war with the Seanchan, Rand brokers for a truce with the Daughter of the Nine Moons. Unaware of Tuon's actual location, the Dragon Reborn walks into a trap set by the Forsaken Semirhage, who possesses the knowledge about his powers that will either shatter or steel his resolve in the

forthcoming conflict. Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The last six books in series were all instant #1 New York Times bestsellers, and The Eye of the World was named one of America's best-loved novels by PBS's The Great American Read. The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! In Crossroads of Twilight, the tenth novel in Robert Jordan's #1 New York Times bestselling epic fantasy series, The Wheel of Time®, Rand al'Thor and his allies endure trials by fire amidst battles, sacrifices, and treachery. Fleeing from Ebou Dar with the kidnapped Daughter of the Nine Moons, whom he is fated to marry, Mat Cauthon learns that he can neither keep her nor let her go, not in safety for either of them, for both the Shadow and the might of the Seanchan Empire are in deadly pursuit. Perrin Aybara will stop at nothing to free his wife Faile from the Shaido Aiel. Consumed by rage, he offers no mercy to those he takes prisoner. And when he discovers that Masema Dagar, the Prophet of the Dragon, has been conspiring with the Seanchan, Perrin considers making an unholy

alliance. Rand al'Thor, the Dragon Reborn himself, has cleansed the Dark One's taint from the male half of the True Source, and everything has changed. Yet nothing has, for only men who can channel believe that saidin is clean again, and a man who can channel is still hated and feared—even one prophesied to save the world. Now, Rand must gamble again, with himself at stake, and he cannot be sure which of his allies are really enemies. Since its debut in 1990, *The Wheel of Time*® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The last six books in series were all instant #1 New York Times bestsellers, and *The Eye of the World* was named one of America's best-loved novels by PBS's *The Great American Read*. *The Wheel of Time*® New Spring: The Novel #1 *The Eye of the World* #2 *The Great Hunt* #3 *The Dragon Reborn* #4 *The Shadow Rising* #5 *The Fires of*

Use an Approach Inspired by Domain-Driven Design to Build Documentation That Evolves to Maximize Value Throughout Your Development Lifecycle Software documentation can come to life, stay dynamic, and actually help you build better software. Writing for developers, coding architects, and other software professionals, *Living Documentation* shows how to create documentation that evolves throughout your entire design and development lifecycle. Through patterns, clarifying illustrations, and concrete examples, Cyrille Martraire demonstrates how to use well-crafted artifacts and

automation to dramatically improve the value of documentation at minimal extra cost. Whatever your domain, language, or technologies, you don't have to choose between working software and comprehensive, high-quality documentation: you can have both. · Extract and augment available knowledge, and make it useful through living curation · Automate the creation of documentation and diagrams that evolve as knowledge changes · Use development tools to refactor documentation · Leverage documentation to improve software designs · Introduce living documentation to new and legacy environments

Seaway Code Vintage

The FIRST book on the Lamborghini Miura to be published in the past twenty

six years – and enthusiasts agree it is long overdue. Written by a world-renowned authority on the subject, featuring, among other things, a never-before-published factory chassis production register, technical illustrations, studio-supplied images and exclusive interviews with the designers of the car: this is essential reading for any Lamborghini fan.

The Haunted Wizard No Starch Press
Author, activist, and TED speaker Ashton Applewhite has written a rousing manifesto calling for an end to discrimination and prejudice on the basis of age. In our youth obsessed culture, we're bombarded by media images and messages about the despairs and declines of our later years.

Beauty and pharmaceutical companies work overtime to convince people to purchase products that will retain their youthful appearance and vitality. Wrinkles are embarrassing. Gray hair should be colored and bald heads covered with implants. Older minds and bodies are too frail to keep up with the pace of the modern working world and olders should just step aside for the new generation. Ashton Applewhite once held these beliefs too until she realized where this prejudice comes from and the damage it does. Lively, funny, and deeply researched, *This Chair Rocks* traces her journey from apprehensive boomer to pro-aging radical, and in the process debunks myth after myth about late life. Explaining the roots of ageism in history and how it divides and debases, Applewhite

examines how ageist stereotypes cripple the way our brains and bodies function, looks at ageism in the workplace and the bedroom, exposes the cost of the all-American myth of independence, critiques the portrayal of elders as burdens to society, describes what an all-age-friendly world would look like, and offers a rousing call to action. It's time to create a world of age equality by making discrimination on the basis of age as unacceptable as any other kind of bias. Whether you're older or hoping to get there, this book will shake you by the shoulders, cheer you up, make you mad, and change the way you see the rest of your life. Age pride! "Wow. This book totally rocks. It arrived on a day when I was in deep confusion and sadness about my age. Everything about it, from my invisibility

to my neck. Within four or five wise, passionate pages, I had found insight, illumination, and inspiration. I never use the word empower, but this book has empowered me." —Anne Lamott, New York Times bestselling author

Playing Changes K.L Randis

A FAMILY LOST IN A WORLD OF MAGIC

AND MONSTERS A scientist from Earth at

heart, Rod Gallowglass has come to terms

with the "magic" of the medieval lost

colony planet of Gramarye, and is just

beginning to understand his own powers.

But when his enemies lure his family

through a portal into what appears to be an

alternate universe, he must follow them

into a world where magic really does seem

to work and where the laws of the universe

seem to have been rewritten. Reluctantly

drawn into a dynastic conflict, hunted by monsters both faery and human, can Rod and his wife Gwen keep their children free and safe, let alone find a way back to their home world of Gramarye? Bringing his renowned blend of science fiction and fantasy back to the world of Gramarye, Christopher Stasheff once again redefines what is real and what is “magic.”

The Warlock Unlocked Del Rey

“Exuberantly written and illustrated—a surefire read-aloud hit.” —School Library Journal Based on the simple concept of dreaming big, *An Awesome Book!* is the inspiring debut work of Los Angeles writer/artist sensation Dallas Clayton. Written in the vein of classic imaginative tales, this is a book for everyone, young and old. This brightly illustrated book works well as a gift for showers, graduations, and other life moments that involve dreaming

big. Close your eyes my child, and dream that perfect dream inside your head.

[Knife of Dreams](#) Cumberland House Publishing

On average, at least one woman is murdered by a current or former partner every week in Australia. Far too many Australian women have experienced physical or sexual violence. Only rarely do these women capture the attention of the media and the public. What can we do to stem the tide of violence and tragedy? Finally, we are starting to talk about this epidemic of gendered violence, but too often we are doing so in a way that can be clumsy and harmful. Victim blaming, passive voice and over-identification with abusers

continue to be hallmarks of reporting on this issue. And, with newsrooms drastically cutting staff and resources, and new business models driven by rapid churn and the 24 hour news cycle journalists and editors often don't have the time or resources bring new ways of thinking into their newsrooms. Fixed It demonstrates the myths that we're unconsciously sold about violence against women, and undercuts them in a clear and compelling way. This is a bold, powerful look at the stories we are told – and the stories we tell ourselves – about gender and power, and a call to action for all of us to think harder and do better.
