Whether you are interested in problem-solving or ideating, creating something new or working with people, this book is your one-stop compendium to finding your niche and excelling in it.

The Nintendo Wii Pocket Guide Dark Horse Comics

This hip and accessible guide addresses all of the nagging money questions and thorny situations that come up when you're in a relationship, whether you're just starting to get serious or you're already married. This book gives couples the perfect excuse to break the silence and start talking about... money! Staying on top of your finances when you're single can be tough enough - add another person to the mix and it can seem downright daunting. Even if you've got your own finances in order, there are inevitable money issues that come up when you're part of a couple, not just because one of you may be in better shape financially than the other, but because you may each have very different perspectives on money and how to manage it. The principles the Cookies set out in their first book about the basics of life planning and investing can work for couples, too, and this guide offers simple techniques that will help readers with everything from dealing with "money baggage" to getting out of debt to planning for retirement. Again they draw practical advice and meaty anecdotes from their own financial escapades, as well as readers' queries and the personal experiences of five focus couples.

Wireless Networking Absolute Beginner's Guide Hiddenstuff Entertainment
