[Freedom from Fear – To Be An American](#)
Freedom From Fear explores how the nation agonized over its role in World War II, how it fought the war, why the United States won, and why

the consequences of victory were sometimes sweet, sometimes ironic. In a compelling narrative, Kennedy analyzes the determinants of American strategy, the painful choices faced by commanders and statesmen, and the agonies inflicted on the millions of ordinary Americans who were compelled to swallow their fears and face battle as best they could.

Into our third decade of the 21st century,
Americans are coming to understand and
appreciate Freedom from Fear from a different
perspective than when the phrase was introduced
by Franklin Roosevelt in his State of the Union
address in 1941 . At the time, Europe was
engaged in a war that would soon escalate and
involve the entire civilized world. In giving
Freedom from Fear an iconic image in 1943, the
painter Norman Rockwell shows a couple tucking
their children into bed. their faces full of

Freedom From Fear: The American People in
Depression and War, 1929-1945 By David M. Kennedy
Between 1929 and 1945, two great travails were
visited upon the American people: the Great
Depression and World War II. Freedom from Fear tells
the story of how Americans endured, and eventually
prevailed, in the face of those unprecedented
calamities.
