Kindly say, the Freedoms Daughters The Unsung Heroines Of Civil Rights Movement From 1830 To 1970 Lynne Olson is universally compatible with any devices to read

Those Angry Days Macmillan

The saga of the Freedom Rides is an improbable, almost unbelievable story. In the course of six months in 1961, four hundred and fifty Freedom Riders expanded the realm of the possible in American politics, redefining the limits of dissent and setting the stage for the civil rights movement. In this new version of his encyclopedic Freedom Riders, Raymond Arsenault offers a significantly condensed and tautly written account. With characters and plot lines rivaling those of the most imaginative fiction, this is a tale of heroic sacrifice and unexpected triumph. Arsenault recounts how a group of volunteers--blacks and whites--came together to travel from Washington DC through the Deep South, defying Jim Crow laws in buses and terminals and putting their lives on the line for racial justice. News photographers captured the violence in Montgomery, shocking the nation and sparking a crisis in the Kennedy administration. Here are the key players--their fears and courage, their determination and second thoughts, and the agonizing choices they faced as they took on Jim Crow--and triumphed. Winner of the Owsley Prize Publication is timed to coincide with the airing of the American Experience miniseries documenting the Freedom Rides "Arsenault brings vividly to life a defining moment in modern American history." --Eric Foner, The New York Times Book Review "Authoritative, compelling history." --William Grimes, The New York Times "For those interested in understanding 20th-century America, this is an essential book." --Roger Wilkins, Washington Post Book World "Arsenault's record of strategy sessions, church vigils, bloody assaults, mass arrests, political maneuverings and personal anguish captures the mood and the turmoil, the excitement and the confusion of the movement and the time." --Michael Kenney, The Boston Globe

Moving the Mountain Macmillan

"Powerful, moving, brilliant . . . an utterly captivating read, and I came away from it with this astonished thought: There's nothing this writer can't do." --Elizabeth Gilbert For readers of *A Gentleman in Moscow* and *Z: A Novel of Zelda Fitzgerald*, an ambitious, spellbinding historical novel about sensuality, censorship, and the novel that set off the sexual revolution. On the glittering shores of the Mediterranean in 1928, a dying author in exile races to complete his final novel. *Lady Chatterley's Lover* is a sexually bold love story, a searing indictment of class distinctions, and a study in sensuality. But the author, D.H. Lawrence, knows it will be censored. He publishes it privately, loses his copies to customs, and dies bereft. Booker Prize--longlisted author Alison MacLeod brilliantly recreates the novel's origins and boldly imagines its journey to freedom through the story of Jackie Kennedy, who was known to be an admirer. In MacLeod's telling, Jackie--in her last days before becoming first lady--learns that publishers are trying to bring D.H. Lawrence's long-censored novel to American and British readers in its full form. The U.S. government has responded by targeting the postal service for distributing obscene material. Enjoying what anonymity she has left, determined to honor a novel she loves, Jackie attends the hearing incognito. But there she is quickly recognized, and FBI Director J. Edgar Hoover takes note of her interest and her outrage. Through the story of Lawrence's writing of *Lady*

Chatterley's Lover, the historic obscenity trial that sought to suppress it in the United Kingdom, and the men and women who fought for its worldwide publication, Alison MacLeod captures the epic sweep of the twentieth century from war and censorship to sensuality and freedom. Exquisite, evocative, and grounded in history, *Tenderness* is a testament to the transformative power of fiction.

Hands on the Freedom Plow Barbour Publishing

The importance of Colonel Edward M. House in twentieth-century American foreign policy is enormous: from 1913 to 1919 he served not only as intimate friend and chief political adviser to President Woodrow Wilson but also as national security adviser and senior diplomat. Yet the relationship between House and the president ended in a quarrel at the Paris peace conference of 1919 largely because of Mrs. Wilson's hostility to House and House has received little sympathetic historical attention since. This extensively researched book reintroduces House and clearly establishes his contributions as one of the greatest American diplomats. A kingmaker in Texas politics, House joined Wilson's campaign in 1912 and soon was traveling through Europe as the president's secret agent. He visited Europe repeatedly during World War I and played a major part in drafting Wilson's Fourteen Points and the Covenant of the League of Nations. He tried to stop the war before it began, and to end it by negotiation after it had started. His greatest achievement was to lock both sides into an armistice based on American ideals."

Promised to the Crown Oxford University Press, USA

The Safety of the First Lady Rests in Shirley's Hands Shirley Davenport is as much a patriot as her four brothers. She, too, wants to aid her country in the war efforts, but opportunities for women are limited. When her best friend Joan informs her that the Coast Guard has opened a new branch for single women, they both enlist in the SPARs, ready to help protect the home front. Training is rigorous, and Shirley is disappointed that she and Joan are sent to separate training camps. At the end of basic training, Captain Webber commends her efforts and commissions her home to Maine under the ruse of a dishonorable discharge to help uncover a plot against the First Lady. Shirley soon discovers nothing is as it seems. Who can she trust? Why do the people she loves want to harm the First Lady? With the help of Captain Webber, it's a race against time to save Mrs. Roosevelt and remain alive. Don't miss these other stories about Heroines of WWII: *The Cryptographer's Dilemma* by Johnnie Alexander *Picture of Hope* by Liz Tolsma

Freedom's Daughters Grand Central Publishing

Recommended by The New York Times, The Washington Post, Book Riot and Autostraddle Nominated for a 2019 NAACP Image Award, a groundbreaking collection of profiles of African American women leaders in the twentieth-century fight for civil rights During the Civil Rights Movement, African American women did not stand on ceremony; they simply did the work that needed to be done. Yet despite their significant contributions at all levels of the movement, they remain mostly invisible to the larger public. Beyond Rosa Parks and Coretta Scott King, most Americans would be hard-pressed to name other leaders at the community, local, and national levels. In *Lighting the Fires of Freedom* Janet Dewart Bell shines a light on women's all-too-often overlooked achievements in the Movement. Through wide-ranging conversations with nine women, several now in their nineties with decades of untold stories, we hear what ignited and fueled their activism, as Bell vividly captures their inspiring voices. *Lighting the Fires of Freedom* offers these deeply personal and intimate accounts of extraordinary struggles for justice that resulted in profound social change, stories that are vital and relevant today. A vital document for understanding the Civil Rights Movement, *Lighting the Fires of Freedom* is an enduring testament to the vitality of women's leadership during one of the most dramatic periods of American history.

Freedom's Pen University of Georgia Press

Boston, 2015 Two years after nearly losing her life in the Boston Marathon bombing, Annie David is still far from "Boston strong." Instead she remains isolated and defeated--plagued by guilt over her niece, crippled in the blast, and by an antique ring alongside a hazy hero's face. But when she learns the identity of her rescuer, will he be the hero she's imagined? And can the long-past history of the woman behind the ring set her free from the guilt and fears of the present? Boston, 1770 As a woman alone in a rebellious town, Liberty Caldwell finds herself in a dangerous predicament. When a British lieutenant, Alexander Smythe, comes to her rescue and offers her employment, Liberty accepts. As months go by, Alexander not only begins to share his love of poetry with her, but protects Liberty from the advances of a lecherous captain living in the officers' house where she works. Mounting tensions explode in the Boston Massacre, and Liberty's world is shattered as her brother, with whom she has just reunited, is killed in the fray. Desperate and alone, she returns home, only to be assaulted by the captain. Afraid and furious toward redcoats, Liberty leaves the officers' home, taking with her a ring that belonged to Alexander. Two women, separated by centuries, must learn to face their fears. And when they feel they must be strong, they learn that sometimes true strength is found in surrender. A 2018 Christy Award finalist!

Lighting the Fires of Freedom Random House

Do What You Gotta Do examines the role of black female entertainers in the Civil Rights movement.

Citizens of London Rowman & Littlefield Publishers

Profiles the fearless, resourceful female leaders of the civil rights movement, including Ida Wells, who led the protest against lynching, and Jo Ann Robinson, who helped launch the Montgomery bus boycott.

Cassandra Speaks University of Illinois Press

The popular image of Alexander Graham Bell is that of an elderly American patriarch, memorable only for his paunch, his Santa Claus beard, and the invention of the telephone. In this magisterial reassessment based on thorough new research, acclaimed biographer Charlotte Gray reveals Bell's wide-ranging passion for invention and delves into the private life that supported his genius. The child of a speech therapist and a deaf mother, and possessed of superbly acute hearing, Bell developed an early interest in sound. His understanding of how sound waves might relate to electrical waves enabled him to invent the "talking telegraph" before his rivals, even as he undertook a tempestuous courtship of the woman who would become his wife and mainstay. In an intensely competitive age, Bell seemed to shun fame and fortune. Yet many of his innovations--electric heating, using light to transmit sound, electronic mail, composting toilets, the artificial lung--were far ahead of their time. His pioneering ideas about sound, flight, genetics, and even the engineering of complex structures such as stadium roofs still resonate today. This is an essential portrait of an American giant whose innovations revolutionized the modern world.

Under Sentence of Death Oxford University Press

Daughters of the Faith: Ordinary Girls Who Lived Extraordinary Lives. 1761--Phillis Wheatley was a little girl of seven or eight years old when she was captured in Africa and brought to America as a slave. But she didn't let her circumstances keep her down. She learned to read and write in English and Latin, and showed a natural gift for poetry. By the time she was twelve, her elegy at the death of the great pastor George Whitefield brought her worldwide acclaim. Phillis became known to heads of state, including George Washington himself, speaking out for American independence and the end of slavery. She became the first African American to publish a book, and her writings would eventually win her freedom. More importantly, her poetry still proclaims Christ almost 250 years later.

Woman of Color, Daughter of Privilege Seal Press

A NEW YORK TIMES BESTSELLER AND INDIE NEXT PICK Writer and performer on *Late Night* with Seth Meyers Amber Ruffin writes with her sister Lacey Lamar with humor and heart to share absurd anecdotes about everyday experiences of racism. Now a writer and performer on *Late Night* with Seth Meyers and host of *The Amber Ruffin Show*, Amber Ruffin lives in New York, where she is no one's First Black Friend and everyone is, as she puts it, "stark raving normal." But Amber's sister Lacey? She's still living in their home state of Nebraska, and trust us, you'll never believe what happened to Lacey. From racist donut shops to strangers putting their whole hand in her hair, from being mistaken for a prostitute to being mistaken for Harriet Tubman, Lacey is a lightning

rod for hilariously ridiculous yet all-too-real anecdotes. She's the perfect mix of polite, beautiful, petite, and Black that apparently makes people think "I can say whatever I want to this woman." And now, Amber and Lacey share these entertainingly horrifying stories through their laugh-out-loud sisterly banter. Painfully relatable or shockingly eye-opening (depending on how often you have personally been followed by security at department stores), this book tackles modern-day racism with the perfect balance of levity and gravity.

Tenderness Random House Trade Paperbacks

Profiles the fearless, resourceful female leaders of the civil rights movement, including Ida Wells, who led the protest against lynching, and Jo Ann Robinson, who helped launch the Montgomery bus boycott.

Do What You Gotta Do Univ of North Carolina Press

Mothers, Sex, and Sexuality talks about things not normally dared spoken out loud—the interconnectedness and conflict between our parental and sexual selves, the taboo of the sexual mother, and why it matters so much to shatter it. What is it about the sexual mother that is incompatible, and at times even disturbing? Why are we threatened by maternal sexuality? And what does this tell us about the structures of gender and power that govern our bodies? Mothers, Sex, and Sexuality presents a rigorous academic analysis of the myriad ways in which the sexual/maternal divide affects women, birthing people, and those of us who assume or are ascribed the title "mother". We examine the way we as mothers talk to our daughters about sex, the way we talk about sex in a cultural context, and the deafening silence around sex in a medical system that overlooks maternal sexuality. We return repeatedly to the impact of both Christianity and Hinduism on the mother as someone to be revered but tightly controlled. We embrace the lost eroticism of mothering and hail breastfeeding as a sexual maternal practice, arguing for a new, broader, feminist understanding of sexuality. We discuss the way fat mothers destabilise the heteronormative maternal model, the way kinky queers are reconfiguring the sexual/maternal divide through erotic role-play, and we explore the strange, intense, and romantic domestic relationship that springs up between mothers and nannies—two heterosexual women trapped together in a homoerotic triangulation of need and desire. In a titillating climax we revel in the sexual maternal as embodied through performance art, poetry, installations, and comedy, disrupting queer readings of bodies as we are invited to both fuck, and fuck with, the maternal. This book boldly provides both a challenge to the patriarchal constraints of motherhood and a racy road-map escape route out of the sexual-maternal dichotomy.

Reluctant Genius Moody Publishers

The acclaimed author of *Troublesome Young Men* reveals the behind-the-scenes story of how the United States forged its wartime alliance with Britain, told from the perspective of three key American players in London: Edward R. Murrow, the handsome, chain-smoking head of CBS News in Europe; Averell Harriman, the hard-driving millionaire who ran FDR's Lend-Lease program in London; and John Gilbert Winant, the shy, idealistic U.S. ambassador to Britain. Each man formed close ties with Winston Churchill—so much so that all became romantically involved with members of the prime minister's family. Drawing from a variety of primary sources, Lynne Olson skillfully depicts the dramatic personal journeys of these men who, determined to save Britain from Hitler, helped convince a cautious Franklin Roosevelt and reluctant American public to back the British at a critical time. Deeply human, brilliantly researched, and beautifully written, *Citizens of London* is a new triumph from an author swiftly becoming one of the finest in her field.

Woodrow Wilson's Right Hand Skyhorse

What story would Eve have told about picking the apple? Why is Pandora blamed for opening the box? And what about the fate of Cassandra who was blessed with knowing the future but cursed so that no one believed her? What if women had been the storytellers? Elizabeth Lesser believes that if women's voices had been equally heard and respected throughout history, humankind would have followed different hero myths and guiding stories—stories that value caretaking, champion compassion, and elevate communication over vengeance and violence. *Cassandra Speaks* is about the stories we tell and how those stories become the culture. It's about the stories we still blindly cling to, and the ones that cling to us: the origin tales, the guiding myths, the religious parables, the literature and films and fairy tales passed down through the centuries about women and men, power and war, sex and love, and the values we live by. Stories written mostly by men with lessons and laws for all of humanity. We have outgrown so many of them, and still they endure. This book is about what happens when women are the storytellers too—when we speak from our authentic voices, when we flex our values, when we become protagonists in the tales we tell about what it means to be human. Lesser has walked two main paths in her life—the spiritual path and the feminist one—paths that sometimes cross but sometimes feel at cross-purposes. *Cassandra Speaks* is her extraordinary merging of the two. The bestselling author of *Broken Open* and *Marrow*, Lesser is a beloved spiritual writer, as well as a leading feminist thinker. In this book she gives equal voice to the cool water of her meditative self and the fire of her feminist self. With her trademark gifts of both humor and insight, she offers a vision that transcends the either/or ideologies on both sides of the gender debate. Brilliantly structured into three distinct parts, Part One explores how history is carried forward through the stories a culture tells and values, and what we can do to balance the scales. Part Two looks at women and power and expands what it means to be courageous, daring, and strong. And Part Three offers "A Toolbox for Inner Strength." Lesser argues that change in the culture starts with inner change, and that no one—woman or man—is immune to the corrupting

influence of power. She provides inner tools to help us be both strong-willed and kind-hearted. *Cassandra Speaks* is a beautifully balanced synthesis of storytelling, memoir, and cultural observation. Women, men and all people will find themselves in the pages of this book, and will come away strengthened, opened, and ready to work together to create a better world for all people.

At the Dark End of the Street Freedom's Daughters

This updated edition considers Muhammad Ali and his legacy in light of the war on terror. In this timely antidote to the apolitical celebration of Muhammad Ali as 'a great American', Mike Marquese puts the great boxer back in his true historical context, to explore a crucial moment at the crossroads of popular culture and mass resistance. And, in a new afterword for this second edition, he reflects on Ali's legacy in the era of the 'war on terror'.

Saving Mrs. Roosevelt W. W. Norton & Company

A Question of Honor is the gripping, little-known story of the refugee Polish pilots who joined the RAF and played an essential role in saving Britain from the Nazis, only to be betrayed by the Allies after the war. After Poland fell to the Nazis, thousands of Polish pilots, soldiers, and sailors escaped to England. Devoted to liberating their homeland, some would form the RAF's 303 squadron, known as the Kosciuszko Squadron, after the elite unit in which many had flown back home. Their thrilling exploits and fearless flying made them celebrities in Britain, where they were "adopted" by socialites and seduced by countless women, even as they yearned for news from home. During the Battle of Britain, they downed more German aircraft than any other squadron, but in a stunning twist at the war's end, the Allies rewarded their valor by abandoning Poland to Joseph Stalin. This moving, fascinating book uncovers a crucial forgotten chapter in World War II—and Polish—history.

August 1914: A Novel Feminist Press at CUNY

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND KIRKUS REVIEWS From the acclaimed author of *Citizens of London* comes the definitive account of the debate over American intervention in World War II—a bitter, sometimes violent clash of personalities and ideas that divided the nation and ultimately determined the fate of the free world. At the center of this controversy stood the two most famous men in America: President Franklin D. Roosevelt, who championed the interventionist cause, and aviator Charles Lindbergh, who as unofficial leader and spokesman for America's isolationists emerged as the president's most formidable adversary. Their contest of wills personified the divisions within the country at large, and Lynne Olson makes masterly use of their dramatic personal stories to create a poignant and riveting narrative. While FDR, buffeted by political pressures on all sides, struggled to marshal public support for aid to Winston Churchill's Britain, Lindbergh saw his heroic reputation besmirched—and his marriage thrown into turmoil—by allegations that he was a Nazi sympathizer. Spanning the years 1939 to 1941, *Those Angry Days* vividly re-creates the rancorous internal squabbles that gripped the United States in the period leading up to Pearl Harbor. After Germany vanquished most of Europe, America found itself torn between its traditional isolationism and the urgent need to come to the aid of Britain, the only country still battling Hitler. The conflict over intervention was, as FDR noted, "a dirty fight," rife with chicanery and intrigue, and *Those Angry Days* recounts every bruising detail. In Washington, a group of high-ranking military officers, including the Air Force chief of staff, worked to sabotage FDR's pro-British policies. Roosevelt, meanwhile, authorized FBI wiretaps of Lindbergh and other opponents of intervention. At the same time, a covert British operation, approved by the president, spied on antiwar groups, dug up dirt on congressional isolationists, and planted propaganda in U.S. newspapers. The stakes could not have been higher. The combatants were larger than life. With the immediacy of a great novel, *Those Angry Days* brilliantly recalls a time fraught with danger when the future of democracy and America's role in the world hung in the balance. Praise for *Those Angry Days* "Powerfully [re-creates] this tenebrous era . . . Olson captures in spellbinding detail the key figures in the battle between the Roosevelt administration and the isolationist movement."—*The New York Times Book Review* "Popular history at its most riveting . . . In *Those Angry Days*, journalist-turned-historian Lynne Olson captures [the] period in a fast-moving, highly readable narrative punctuated by high drama."—*Associated Press*

Mothers, Sex, And Sexuality Farrar, Straus and Giroux

A perfect holiday gift, this beautifully illustrated collection honoring one hundred exceptional "feminist saints" throughout history is sure to inspire women and men alike. "A new set of role models and heroes—'matron saints'—for the feminist future."—*The New York Times Book Review* "The women in this book . . . blazed trails where none existed before."—*The Guardian* In this luminous volume, New York Times bestselling writer Julia Pierpont and artist Manjit Thapp match short, vibrant, and surprising biographies with stunning portraits of secular female "saints": champions of strength and progress. These women broke ground, broke ceilings, and broke molds—including Maya Angelou • Jane Austen • Ruby Bridges • Rachel Carson • Shirley Chisholm • Marie Curie & Irène Joliot Curie • Isadora Duncan • Amelia Earhart • Artemisia Gentileschi • Grace Hopper • Dolores Huerta • Frida Kahlo • Billie Jean King • Audre Lorde • Wilma Mankiller • Toni Morrison • Michelle Obama • Sandra Day O'Connor • Sally Ride • Eleanor Roosevelt • Margaret Sanger • Sappho • Nina Simone • Gloria Steinem • Kanno Sugako • Harriet Tubman • Mae West • Virginia Woolf • Malala Yousafzai Open to any page and find daily inspiration and lasting delight. Praise for *The Little Book of Feminist Saints* "A whistle-stop tour of inspiring women . . . [The artwork] deserves to be framed in every woman's living room."—*Diva* "Short, snappy and inspiring [with] glorious visuals."—*Psychologies* "This beautifully illustrated collection offers daily inspiration and humorous anecdotes to remind you why we worship these women so."—*Hello Giggles* "An enticing collection . . . Pierpont's pithy write-ups are accompanied by

Thapp's funky, wonderfully expressive color illustrations, making for an engaging picture-book experience for adults. . . . Bold and sassy . . . required reading for any seeking to broaden their historical knowledge."—*Kirkus Reviews* (starred review) "Small enough to tuck into a bag, this delightful book offers instant inspiration."—*BookPage*

Daybreak of Freedom HarperCollins

Explores the former first lady's political role after the death of her husband in 1945, including her efforts to eliminate institutionalized racism and discourage complacency in the democratic party
