all Freightliner Trucks listed in the drop down box below. Choose your Freightliner truck year and model from the drop down list just below. [Freightliner Check Engine Codes - svc.edu](#) The status of a code is determined by an electronic service tool or by flash code activity. Codes for diesel

engines are represented by specific types of engines, namely ISB, ISC, ISL, ISM and ISX. Therefore, ISB fault codes may refer to parts for an ISB type engine, such as the ECM microprocesso r -111 or the ESS circuit -115.
