When face-to-face with a real French speaker, do you freeze? Do you know how to ask for directions in French or communicate if there's

an emergency? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's anything more challenging than learning the grammar rules of a new language, it's knowing what to say and having the courage to speak with confidence. We know how you feel - You always try to avoid making embarrassing mistakes or not getting your message through correctly, but it will happen anyway. 'How do I get out of this situation?', You may ask yourself, but have yet to find a straight-forward answer. Until now. We have compiled 50 French Stories along with their translations, providing new French speakers with the necessary tools to begin effectively studying how to set a meeting, how to check into a hotel and even what to say during an emergency! Our French dialogues get straight to the point saving you precious time. There's no benefit learning words and phrases you will never actually use! If you want to learn French quickly and have a ton of fun along the way, obviously, this book is for you! How Conversational French Dialogues works:

- Each new chapter will have a fresh, new story between two or more people who wish to solve a common, day-to-day problem that you will most likely experience in real life.
- A French version of the conversation will take place first, followed by an English translation. This ensures that you

fully understood just what it was that they were saying! • Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. • That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational French book once you have started reading and studying this one! Focus on getting from zero to conversationally fluent, so you can: -Travel or live in France or any French speaking country without relying on Google Translate -Join French conversations with your French speaking coworkers, friends, or family members -Date French-speakers without embarrassing yourself -Stop getting passed over for jobs or promotions for less-qualified people who are bilingual We want you to feel confident while learning French; after all, there should never be a language barrier stopping you from traveling around the world and expanding your social circles! So look no further! Grab your copy of Conversational French Dialogues and start learning French right now!

First-year French McGraw Hill Professional Students learn the sources of hundreds of vocabulary words with this new, multi-year program. Unlike many programs that depend on rote memorization, Vocabulary from Latin and

Greek Roots incorporates a variety of techniques to teach students the skills they need to determine the meaning of unfamiliar words, while also expanding sight vocabulary. Vocabulary from Latin and Greek Roots reinforces new words through: a format that capitalizes on word families associative hooks and visuals to jog the memory building language-analysis skill exercises designed for maximum retention Many vocabulary programs are focused on preparing students for a test from week to week, but Vocabulary from Latin and Greek Roots teaches skills that they can use for a lifetime. Grammar and Vocabulary Workbook : Holt French Level 1 McGraw Hill Professional

This 1999 reference grammar, written for advanced students of French, their teachers, and others who want a better understanding of the French language, combines the best of modern and traditional approaches. Its objective is not only practical mastery of the language, but familiarity with its structure. Taking into account modern linguistic research, *Advanced French Grammar* approaches the French language primarily through the study of syntactic structures, but without excessive emphasis on formalism. It provides a generous number of examples, based on the author's own experience of teaching French to English-speakers, to help the student to understand the different meanings of apparently similar syntactic alternatives. The norms of 'correct expression' are given together with current usage and deviations, and appendixes provide information on the 1990 spelling reforms and on numbers. A substantial index of French and

English words and of topics provides easy access
to the text itself.
