The Mindful Way to Study Melissa Wright

The complete fantasy trilogy of a feared Scottish outlaw—from the author of the Seventh Sword series and “ one of the leading masters of epic fantasy ” (Publishers Weekly). In his action-packed fantasy saga, originally written under the pseudonym Ken Hood, Scottish-born, Aurora Award– winning author Dave Duncan tells the tale of Scottish outlaw Toby Strangerson, known and feared by the name Longdirk. In 1244, all of Europe is under the control of Genghis Khan, whose conquering Golden Horde has cut a swath of devastation. Scotland, in addition, lies under the heel of England. But out of the battle-scarred highlands, a hero will rise . . . Demon Sword: Young Toby Strangerson, a half-English bastard reared by a witchwife, wants only to shed his hated Sassenach blood and free his beloved highlands. As the outlaw Longdirk, Toby wields a sword that can cut down men like stalks of corn. But stranger winds are swirling across the lochs—eldritch winds that are ridden by hobs and wisps and demons. The enemy Sassenach king is also a sorcerer. His demon soul needs a body, and his Black Arts can free Europe from the Khan ’ s Golden Horde. Demon Rider: Longdirk has become possessed by a hob, a murderous demon spirit, as amoral as a child, neither inherently good nor evil. Toby wants his freedom—and the spirit of the tyrant-demon Nevil, ensorcelled in amethyst, can be traded for the exorcism of the hob. In order to make the exchange, though, Toby and his ally Hamish must face the hexer Oreste on his own ground, in the dank and fetid dungeons of Barcelona, where souls are racked and tortured—and ultimately destroyed on the relentless wheel of the Inquisition. Demon Knight: Longdirk has used gramarye—dark magic—to defeat the Fiend and save Europe from abject slavery, but he has also made himself the most feared and envied man in all of Italy. The hordes are reorganizing and plan to sweep

over the Alps once more to retake their lost prize of power and conquest. Toby and his friend Hamish struggle to unite the quarreling city-states into a single, powerful force to resist the invasion, in a world where no ally can be trusted and traitors lurk in every shadow. But there is more at stake than freedom and the destiny of a continent—a woman ’ s love hangs in the balance . . .

Come Back to Me Melissa Wright

She ’ ll win back her freedom, even if she has to steal it. Nimona Weston has a debt to pay. Her father ’ s dealings with the dark society known as the Trust cost Nim her freedom. There ’ s one way out of the contract on her life and that ’ s to bide her time and pay the tithes. But when the Trust assigns Nim to a task in the king ’ s own castle, her freedom is not the only thing she ’ ll risk. Warrick Spenser has a secret. As king ’ s seneschal, he should be the last soul in Inara to risk association with dark magic, but long-hidden ties to the Trust are harder to shed than simply cutting the threads. When the Trust sends a thief to his rooms, Warrick thinks he ’ s finally found a way to be rid of them for good. But Nimona Weston is hiding secrets of her own. Magical contracts, blood-debt accountants, and a deadly game. An epic fantasy with regency flair, an improper and slightly stabby heroine with a penchant for trouble, clean, slow burn romance, and a dark and twisty plot that pits magic against kings, love against power, and a gothic underworld against a kingdom built on lies. Perfect for fans of Sorcery of Thorns and The Shadows Between Us.

Shatter City HarperCollins UK

Brianna can see her future, but it's the past that haunts her. Plans laid in place centuries ago are threatening not only her and her sister, but all of the Seven Lines. As the shadows plot their way to old rule, the visions shift again. Her power has led to some hard choices—and the occasional stab wound—but this set of futures holds nothing but darkness. Unable to bear the idea of losing the footing they've so recently gained, she turns the soldiers of the Seven. But with shadows hidden among the ranks, can she overcome the path they've set in place, or is she blindly following their lead?

The ability to pay attention is a key component of effective learning. Just think of all the times in your life when parents, teachers, bosses, and coaches have told you to pay attention to what you are doing. You would think that with all of the attention paid to paying attention, we would be pretty good at it. The problem is we're not, because most of us have never been taught how. Commonly adopted methods like forced concentration are actually counterproductive to learning and achieving our goals. In addition, too much focus on future goals and rewards takes our attention away from what we need to be doing in order to achieve them. Luckily, there is another way, a better way: the mindful way. The Mindful Way To Study: Dancing With Your Books is a guide to help students, professionals, and other lifelong learners develop a better approach to their educational and career pursuits. By using mindfulness, or the practice of bringing full awareness to the present moment, the authors blend the latest research with entertaining stories and specific techniques to teach readers how to truly pay attention, and even learn to enjoy it.

The Trial of George W. Bush Farrar, Straus and Giroux (BYR)

Ride on the backs of fire-breathing dragons with the Dark Fae and watch the Light Fae play in the shadows of primitive humanity as they build their magical world. Abandoned by their creator, two factions of powerful angels remain on earth after the Great War with Lucifer. They struggle to comprehend their Creator ’ s plan while their angel wings, a symbol of their angelic lineage, slowly and painfully decay. With no hope of returning to the Shining Kingdom, two groups of angels denounce their angelic lineage and develop into separate factions - the Court of Light, led by Queen Aurora, a former Virtue Angel, and the Court of Dark, ruled by King Jarvok, a former Power Brigade Angel. The two monarchs have opposing views on how to govern their kin, but the one belief they agree on is that human worship equals power. Birth of the Fae: Locked Out of Heaven is an epic-fantasy adventure of heartbreak, rebirth, and hope that examines the bonds of family, friendship, and love. It is a fantastic tale of good versus evil in a beautiful world, where the Light Fae and their potent elemental magick are tested by the raw power of the dragon-riding Dark Fae warriors. They are their own beings and masters of their own destiny. They are the Fae.

The Years of Longdirk Del Rey

A Publishers Weekly Best Book of the Year *A Barnes & Noble Best YA Book of the Year* Frey, Ovie, Juniper, and Runa are the Boneless Mercies—girls hired to kill quickly, quietly, and mercifully. But Frey is weary of the death trade and, having been raised on the heroic sagas of her people, dreams of a bigger life. When she hears of an unstoppable monster ravaging a nearby town, Frey decides this is the Mercies' one chance out. The fame and fortune of bringing down such a beast would ensure a new future for all the Mercies. In fact, her actions may change the story arc of women everywhere. Full of fierce girls, bloodlust, tenuous alliances, and unapologetic quests for glory, this elegantly spun tale challenges the power of storytelling—and who gets to be the storyteller. Perfect for fans of Maggie Stiefvater, V.E. Schwab, and Heidi Heilig.
