Don't miss one of America's top 100 most-loved novels, selected by PBS's The Great American Read. This beloved book by E. B. White, author of *Stuart Little* and *The Trumpet of the Swan*, is a classic of children's literature that is "just about perfect." Illustrations

in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in Charlotte's Web, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and

death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's *Stuart Little* and Laura Ingalls Wilder's *Little House* series, among many other books. Whether enjoyed in the classroom or for homeschooling or independent reading, *Charlotte's Web* is a proven favorite.

Regular cold-water immersion can improve your physical health and emotional well-being. Whether you are an elite athlete, a bio-

hacker, a health and fitness enthusiast, or someone who is trying to reboot your immune system, cold water might be the missing piece to enhance your results. However, if you live in a warm climate, what options do you have? Cold showers are a good place to start, but do not provide consistent temperatures year-round, and most people find them to be uncomfortable at best. Buying and hauling ice gets expensive and takes a lot of time. Cryotherapy chambers are inconvenient and expensive. Commercially built cold plunges can cost several thousand - or tens of thousands - of dollars. So, what is a great solution for the average person? Convert a chest freezer into a cold plunge!

However, chest freezers are not meant to hold water. Creating a personal cold plunge from a chest freezer is fraught with potential problems and missteps. If you don't set it up correctly, you can damage or break your chest freezer, waste hundreds of dollars and countless hours of time, or worse, injure yourself. After two years of research and modifications and helping more than 1,500 people from 72 countries in a private online group, John Richter has created a guide book that helps you convert a chest freezer into a cold plunge while avoiding costly mistakes and frustration. The Ultimate Chest Freezer Cold Plunge DIY Guide helps you:

- Select the best chest freezer
- Design options for various budgets
- Prevent rust and other damage
- Choose equipment for easy use and maintenance
- Keep your water clean- with or without chemicals
- Be safe- Set the optimal temperature
- Create a cold-water practice
- Find the best training
- Avoid costly mistakes
- And much more

Each chapter is easy to read and offers step-by-step directions. The book includes a buyer's guide, setup checklist, and a FAQ that answers more than 50 questions. This book is a must-have for professional athletes, students of the Wim Hof Method, followers of Dr. Jack Kruse, and anyone else who wants to take the benefits of cold training to the next level.

The Truth About Forever What Happened to Goodbye Fresh from the Freezer Twenty years ago, a first novel appeared and instantly announced the arrival of a master storyteller. T. R. Pearson's A Short History of a Small Place was hailed as "an absolute stunner" (Jonathan Yardley, The Washington Post) and its hero, young Louis Benfield, was dubbed "a youth not as wry as Holden Caulfield, but certainly as observant, and with a bigger, even sadder heart" (Fran Schumer, The New York Times). Now, older but not necessarily wiser, Louis

Benfield returns in Glad News of the Natural World. In order to get a sense of the larger world, he has moved to New York City from his hometown of Neely, North Carolina. Louis is a modern-day Candide, looking for love and experience in all the wrong places. However, when tragedy strikes, he finds the maturity to be more than man enough for the job. Whether catching up with Louis Benfield and the denizens of Neely or meeting them for the first time, readers will find Glad News of the Natural World hilarious and heartbreaking, warm and wise.
