Che Guevara left Argentina at

22. At 21, Bel é n Fern á ndez left the U.S. and didn ' t look back. Alone, far off the beaten path in places like Syria and Tajikistan, she reflects on what it means to be an American in a largely American-made mess of a world. After growing up in Washington, D.C. and Texas, and then attending Columbia University in New York,

---

Bel é n Fern á ndez ended up in a state of self-imposed exile from the United States. From trekking—through Europe, the Middle East, Morocco, and Latin America—to packing avocados in southern Spain, to close encounters with a variety of unpredictable men, to witnessing the violent aftermath of the 2009 coup in Honduras, the international travel allowed her by an American passport has, ironically, given her a direct view of the devastating consequences of U.S. machinations worldwide. For some years Fern á ndez survived thanks to the generosity of strangers who picked her up hitchhiking, fed her, and offered accommodations; then she discovered people would pay her for her powerful, unfiltered journalism, enabling—as of the present moment—continued survival. In just a few short years of publishing her observations on world politics and writing from places as varied as Lebanon, Italy, Uzbekistan, Syria, Mexico, Turkey, Honduras, and Iran, Bel é n Fern á ndez has established herself as a one of the most trenchant observers of America ' s interventions around the world, following in the footsteps of great foreign correspondents such as Martha Gellhorn and Susan Sontag. The Jerusalem Talmud St. Martin's Press As Israelis and Palestinians negotiate separation and division of their land, Meron Benvenisti, former Deputy Mayor of Jerusalem, maintains that any expectations for "peaceful partition" are doomed. In his brave and controversial new book, he raises the possibility of a confederation of Israel/Palestine, the only solution that he feels will bring lasting peace. The

---

seven million people in the territory between Jordan and the Mediterranean are mutually dependent regarding employment, water, land use, ecology, transportation, and all other spheres of human activity. Each side, Benvenisti says, must accept the reality that two national entities are living within one geopolitical entity—their conflict is intercommunal and will not be resolved by population transfers or land partition. A geographer and historian by training, a man passionately rooted in his homeland, Benvenisti skillfully conveys the perspective of both Israeli and Palestinian communities. He recognizes the great political and ideological resistance to a confederation, but argues that there are Israeli Jews and Palestinians who can envision an undivided land, where attachment to a common homeland is stronger than militant tribalism and segregation in national ghettos. Acknowledging that equal coexistence between Israeli and Palestinian may yet be an impossible dream, he insists that such a dream deserves a place in the current negotiations. "Meron Benvenisti is the Middle East expert to whom Middle East experts go for advice . . . the most oft-quoted and oft-damned analyst in Israel."—from the Foreword by Thomas L. Friedman

**The Lexus and the Olive Tree** Macmillan

"The Jerusalem Talmud," or "Yerushalmi," or "Talmud of the Land of Israel," is a commentary on the oral law (the Mishnah) of Israel that ties that oral law to the written law (the Torah, the Hebrew Scripture). Completed about 200 years prior to "The Babylonian Talmud (Bavli)", it records

---

the first such compilation of Jewish scholarly thought. Jacob Neusner completed this monumental American translation and commentary of "The Jerusalem Talmud" in the last decade, but until now it has been expensive and difficult to obtain. Now all thirty-nine Yerushalmi tractates as translated by Professor Neusner and Tzvee Zahavy have been brought together in this CD-ROM. In addition to a preface and general introduction to the whole work, Professor Neusner has provided fresh and helpful introductions to each of the tractates. He has also provided within his translation the references to Bible verses alluded to in the "Yerushalmi." This electronic edition contains the full content of the translation, commentary on most of the tractates, and introductions to each. Enabling instantaneous searches by word or phrase, it has exceptional research capabilities--and opens swift avenues for exploration and discovery.

**The Lexus and the Olive Tree** Anchor  
A Second Edition of  
Thomas Friedman's  
stunning book, the  
first edition of which  
won the American  
National Book Award.  
'If you're only going  
to read one book on  
the Middle East, this  
is it.' Seymour Hersh  
In this lucid,  
incisive and memorable  
book, acclaimed on  
both sides of the  
Atlantic, Friedman  
reaches deeper into  
the traumatic and  
complex recent history  
of the conflicts in  
the Middle East than  
any previous writer.

---

For this new edition, Friedman has added a further two chapters that bring the book up to 1995 and the unfolding - and stalling - of the Middle Eastern peace process. From Beirut to Jerusalem is wonderfully shrewd, surprisingly funny and indispensable to anyone seeking a fuller understanding of the political causes and psychological effects of the seemingly endless strife which besets this embattled region.

Spirit of the Phoenix Simon and Schuster

This book, a best-seller in its first edition, uses cultural metaphors to help students and managers understand, describe, and compare national cultures. In addition to expanding the number of countries covered, the author introduces new conceptual frameworks for classifying cultures

based on the works of Triandis, Fiske, and Huntington. These frameworks support students as they develop an increased awareness of various cultures and begin the challenging process of integrating cultural and economic perspectives.

NEW YORK TIMES

BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND THE ECONOMIST Winner of the Natan Book Award, the National Jewish Book Award, and the Anisfield-Wolf Book Award

An authoritative and deeply personal narrative history of the State of Israel, by one of the most influential journalists writing about the Middle East today Not since Thomas L. Friedman 's

groundbreaking From Beirut to Jerusalem has a book captured the essence and the beating heart of the Middle East as keenly and dynamically as My Promised Land. Facing unprecedented internal and external pressures, Israel today is at a moment of

---

existential crisis. Ari Shavit draws on interviews, historical documents, private diaries, and letters, as well as his own family's story, illuminating the pivotal moments of the Zionist century to tell a riveting narrative that is larger than the sum of its parts: both personal and national, both deeply human and of profound historical dimension. We meet Shavit's great-grandfather, a British Zionist who in 1897 visited the Holy Land on a Thomas Cook tour and understood that it was the way of the future for his people; the idealist young farmer who bought land from his Arab neighbor in the 1920s to grow the Jaffa oranges that would create Palestine's booming economy; the visionary youth group leader who, in the 1940s, transformed Masada from the neglected ruins of an extremist sect into a powerful symbol for Zionism; the Palestinian who as a young man in 1948 was driven with his family from his home during the expulsion from Lydda; the immigrant orphans of Europe's Holocaust, who took on menial work and focused on raising their children to become the leaders of the new state; the pragmatic engineer who was instrumental in developing Israel's nuclear program in the 1960s, in the only interview he ever gave; the zealous religious Zionists who started the settler movement in the 1970s; the dot-com entrepreneurs and young men and women behind Tel-Aviv's booming club scene; and today's architects of Israel's foreign policy with Iran, whose nuclear threat looms ominously over the tiny country. As it examines the complexities and contradictions of the Israeli condition, *My Promised Land* asks difficult but important questions: Why did Israel come to be? How did it come to be? Can Israel survive? Culminating with an analysis of the issues and threats that Israel is currently facing, *My Promised Land* uses the defining events of the past to shed new light on the present. The result is a landmark portrait of a small, vibrant country living on the edge, whose identity and presence play a crucial role in today's global political landscape. Praise for *My Promised Land* "This book will sweep you up in its narrative force

---

and not let go of you until it is done. [Shavit 's] accomplishment is so unlikely, so total . . . that it makes you believe anything is possible, even, God help us, peace in the Middle East. " —Simon Schama, *Financial Times* " [A] must-read book. " —Thomas L. Friedman, *The New York Times* " Important and powerful . . . the least tendentious book about Israel I have ever read. " —Leon Wieseltier, *The New York Times Book Review* " Spellbinding . . . Shavit 's prophetic voice carries lessons that all sides need to hear. " —*The Economist* " One of the most nuanced and challenging books written on Israel in years. " —*The Wall Street Journal*

That Used to Be Us Hachette UK

Explains how globalization is shaping world affairs, how it replaced the Cold War system, how it is creating a single global market, how it is influencing domestic policies, and other related topics.

*My Promised Land* Macmillan  
*From Beirut to Jerusalem* Farrar, Straus and Giroux

Doris Kearns Goodwin: *The Presidential Biographies* Simon & Schuster

NOT SINCE THOMAS FRIEDMAN 'S FROM BEIRUT TO JERUSALEM IN 1989 HAS A JOURNALIST OFFERED SUCH A POIGNANT AND PASSIONATE PORTRAIT OF LEBANON—A UNIQUELY PLURALIST ARAB COUNTRY STRUGGLING TO DEFEND ITS VIABILITY IN A TURBULENT AND TREACHEROUS MIDDLE EAST. Michael Young, who was taken to Lebanon at age seven by his Lebanese mother after the death of his American father and who has worked most of his career as a journalist there for American publications, brings to life a country in the crossfire of invasions, war, domestic division, incessant sectarian scheming, and often living in fear of its neighbors. Young knows or has known many of

---

the players, politicians, writers, and religious leaders. A country riven by domestic tensions that have often resulted in assassinations, under the considerable sway of Hezbollah (in alliance with Iran and Syria), frequently set upon by Israel and Syria, nearly destroyed by civil war, Lebanon remains an exception among Arab countries because it is a place where liberal instincts and tolerance struggle to stay alive. An important and enduring symbol, Lebanon was once the outstanding example of an (almost) democratic society in an inhospitable, dangerous region—a laboratory both for modernity and violence, as a Lebanese intellectual who was later assassinated once put it. Young relates the growing tension between a domineering Syria and a Lebanese opposition in which charismatic leader and politician Rafiq al-Hariri was assassinated and the Independence Intifada—the

Cedar Revolution—broke out. His searing account of his country's confrontation with its domestic and regional demons is one of hope found and possibly lost. In this stunning narrative, Young tells us what might have been his country's history, and what it may yet be.

An Ethical Compass Beacon Press

We're all familiar with the warning, "Don't believe everything you see or hear." Bill Press, the popular co-host of CNN's Crossfire, will have you wondering whether you should believe anything at all. Spin -- intentional manipulation of the truth -- is everywhere. It's in the White House, in the courtrooms, in headlines and advertising slogans. Even couples on dates -- not to mention book jackets -- are guilty of spin. Now, analyst Bill Press freeze-frames the culture of spin to

---

investigate what exactly spin is, without it the harsh truths of who does it and why, and its impact on American society as a whole. Depending upon who is doing it, spinning can mean anything from portraying a difficult situation in the best possible light to completely disregarding the facts with the intent of averting embarrassment or scandal. Using examples drawn from recent history -- the Clinton presidency, the Florida recount, and the Bush White House -- Press first probes spin's favorite haunt: politics. In addition to surveying the incarnations of spin in the fields of journalism, law, and advertising, Press also chews on the spin of sex and "dating," a word that has become the very embodiment of spin. Perhaps surprisingly, however, Press argues that spin isn't all bad, and that our times might be too tough to swallow. With the same keen sense of humor that helped make CNN's Crossfire television's premier debate show and the limited run of The Spin Room so popular, Press turns the tables on the prime purveyors of spin -- called spin doctors -- noting some of their biggest guffaws and blunders. As Press notes, it has become abundantly clear that the twenty-first century, beginning as it has with a president who was "spun into office," will be a fertile stomping ground for spin.

The World Is Flat [Updated and Expanded] OR Books  
Featuring 15 explosive new chapters, this new edition of the New York Times bestseller brings the story of Economic Hit Men up-to-date and, chillingly, home to the U.S. but it also gives us hope and the tools to fight back. Former

---

economic hit man John Perkins shares new details about the ways he and others cheated countries around the globe out of trillions of dollars. Then he reveals how the deadly EHM cancer he helped create has spread far more widely and deeply than ever in the US and everywhere else—to become the dominant system of business, government, and society today. Finally, he gives an insider view of what we each can do to change it. Economic hit men are the shock troops of what Perkins calls the corporatocracy, a vast network of corporations, banks, colluding governments, and the rich and powerful people tied to them. If the EHMs can't maintain the corrupt status quo through nonviolent coercion, the jackal assassins swoop in. The heart of this book is a completely new section, over 100 pages long, that exposes the fact that all the EHM and jackal tools—false economics, false promises, threats, bribes, extortion, debt, deception, coups, assassinations, unbridled military power—are used around the world today exponentially more than during the era Perkins exposed over a decade ago. As dark as the story gets, this reformed EHM also provides hope. Perkins offers specific actions each of us can take to transform what he calls a failing Death Economy into a Life Economy that provides sustainable abundance for all.

Understanding the Contemporary Middle East Penguin

"Bashir Gemayel...was commander-in-chief of Lebanon's Christian forces; [Barbara Newman] was an ABC news investigative producer doing a segment in Beirut for '20/20.' Eighteen months later, in 1982, Gemayel was, at the age of thirty-four, elected president of Lebanon, and he and Barbara Newman had become lovers. Their romance developed against the backdrop of Gemayel's rise to power from Beirut's bloodiest days of civil war through the Israeli invasion. It ended with his assassination. In the years since..., Newman and the world have witnessed Beirut's descent into the mindless horror of anarchy and terrorism. But Newman did not sit helplessly by as Gemayel's country abandoned the ideas and dreams

---

for which he died. Rather, she laid siege to Lebanon, utilizing all her investigative skills. In that process Newman turned up some of the most revealing stories of the war, all of them never before told, including who killed Bashir Gemayel"--from jacket flaps.  
From Beirut to Jerusalem Picador USA

Offers essays on Bosnia, the genocide in Rwanda, sweatshops and globalization, and the political obligations of the mothers of Argentina's Disappeared. In this book, readers may be fascinated by the ways in which essays on conflict, conscience, memory, illness (essay on AIDS), and God overlap and resonate with one another.

Brokers of Deceit From Beirut to Jerusalem

While today 's business world is dominated by technology and data analysis, award-winning financial journalist and anthropology PhD Gillian Tett advocates thinking like an anthropologist to better understand consumer behavior, markets, and organizations to address some of society 's most

urgent challenges. Amid severe digital disruption, economic upheaval, and political flux, how can we make sense of the world? Leaders today typically look for answers in economic models, Big Data, or artificial intelligence platforms. Gillian Tett points to anthropology—the study of human culture. Anthropologists learn to get inside the minds of other people, helping them not only to understand other cultures but also to appraise their own environment with fresh perspective as an insider-outsider, gaining lateral vision. Today, anthropologists are more likely to study Amazon warehouses than remote Amazon tribes; they have done research into institutions and companies such as General Motors, Nestlé, Intel, and more, shedding light on practical questions such as how internet users really define themselves; why corporate projects fail; why bank traders miscalculate losses; how companies sell products like pet food and pensions; why pandemic policies succeed (or not). Anthropology makes the familiar seem unfamiliar and vice versa,

---

giving us badly needed three-dimensional perspective in a world where many executives are plagued by tunnel vision, especially in fields like finance and technology.

“ Fascinating and surprising ”  
(Fareed Zararia, CNN), Anthro-Vision offers a revolutionary new way for understanding the behavior of organizations, individuals, and markets in today ’ s ever-evolving world.

From America ’ s “ Historian-in-Chief ” (New York magazine), The Presidential Biographies boxed set—featuring the Pulitzer Prize-winning author ’ s beloved and bestselling biographies No Ordinary Time, Team of Rivals, and The Bully Pulpit. After five decades of acclaimed studies of the presidency, Doris Kearns Goodwin stands as America ’ s premier presidential historian. Now, for the first time, her three most esteemed books are collected in one beautiful box set. No Ordinary Time: Winner

of the Pulitzer Prize for History, No Ordinary Time relates the story of how Franklin D. Roosevelt, surrounded by a small circle of intimates, led the nation to victory in World War II and with Eleanor ’ s essential help, changed the fabric of American society. Team of Rivals: The landmark biography of Abraham Lincoln, adapted by Steven Spielberg into the Academy Award-winning film Lincoln, and winner of the prestigious Lincoln Prize, illuminates Lincoln ’ s political genius as he brought disgruntled opponents together and marshaled their talents to the task of preserving the Union. The Bully Pulpit: The prize-winning biography of Theodore Roosevelt—a dynamic history of the first decade of the Progressive era when the nation was coming unseamed and reform was in the air. Told through the friendship of Roosevelt and William Howard Taft, Goodwin captures an epic

---

moment in history.

takes a new measure of the  
effects of this change on each  
of us.

Beirut Rules SAGE  
Publications, Incorporated  
From Israel's leading historian,  
a sweeping history of 1967—the  
war, what led up to it, what  
came after, and how it changed  
everything Tom Segev's  
acclaimed works *One Palestine*,  
*Complete* and *The Seventh*

Million overturned accepted  
views of the history of Israel.  
Now, in 1967—a number-one  
bestseller in Hebrew—he brings  
his masterful skills to the  
watershed year when six days of  
war reshaped the country and  
the entire region. Going far  
beyond a military account,  
Segev re-creates the crisis in  
Israel before 1967, showing how  
economic recession, a full grasp  
of the Holocaust's horrors, and  
the dire threats made by  
neighbor states combined to  
produce a climate of apocalypse.  
He depicts the country's  
bravado after its victory, the  
mood revealed in a popular joke  
in which one soldier says to his  
friend, "Let's take over Cairo";  
the friend replies, "Then what  
shall we do in the afternoon?"  
Drawing on unpublished letters  
and diaries, as well as  
government memos and  
military records, Segev  
reconstructs an era of new  
possibilities and tragic missteps.  
He introduces the legendary

---

figures—Moshe Dayan, Golda Meir, Gamal Abdul Nasser, and Lyndon Johnson—and an epic cast of soldiers, lobbyists, refugees, and settlers. He reveals as never before Israel's intimacy with the White House as well as the political rivalries that sabotaged any chance of peace. Above all, he challenges the view that the war was inevitable, showing that a series of disastrous miscalculations lie behind the bloodshed. A vibrant and original history, 1967 is sure to stand as the definitive account of that pivotal year.

**Anthro-Vision** Macmillan  
 An analysis of globalisation as an international system that today directly or indirectly influences the politics, environment, geopolitics and economics of virtually every country in the world.

Thank You for Being Late  
 HarperCollins Publishers  
 By the award-winning author of Team of Rivals and The Bully Pulpit, Wait Till Next Year is Doris Kearns Goodwin's touching memoir of growing up in love with her family and baseball. Set in the suburbs of New York in the 1950s, Wait Till Next Year re-creates the postwar era, when the corner store was a place to share stories and neighborhoods were equally divided between Dodger, Giant, and Yankee fans. We meet the people who most influenced Goodwin's early life: her mother, who taught her the joy of books but whose debilitating illness left her housebound; and her father, who taught her the joy of baseball and to root for the Dodgers of Jackie Robinson, Roy Campanella, Pee Wee Reese, Duke Snider, and Gil Hodges. Most important, Goodwin describes with eloquence how the Dodgers' leaving Brooklyn in 1957, and the death of her mother soon after, marked both the end of an era and, for her, the end of childhood.
