League of Nations Failures. While the League of Nations could celebrate its successes, the League had every reason to examine its failures and where it went wrong. These failures, especially in the 1930's, cruelly exposed the weaknesses of the League of Nations and played a part in the outbreak of World War Two in 1939. During the 1920's the failures of the League of Nations were essentially ...

Origins of the League of Nations The central, basic idea of the movement was that aggressive war is a crime not only against the immediate victim but against the whole human community. Accordingly it is the right and duty of all states to join in preventing it; if it is certain that they will so act, no aggression is likely to take place.
