If you have ever asked the question "What do I do now?" This is the book for you. So take a breath ... exhale. There's no rush; take your time. Walk slowly through the words; read, absorb, process then allow the gentle nudge of understanding to create a shift. This is not a self-help manual. It's a conversation between two friends sitting on the edge of the Universe with the beauty of the world at their feet. It's you and

me talking as friends do, about life, our struggles, challenges and the ways we navigate through it all. Take a breath, exhale let the journey begin...

Electronic Content  
Vince Weber grew up on the tough streets of New York City during the Depression and World War II, and went on to become a successful banker, businessman, and entrepreneur. In *From Street Kid to CEO* he shares what he's learned the hard way over the years, through trial and error, in all kinds of circumstances--what he calls the "Seven Rules for Success in Life." Every success he's had, both personally and professionally, has been the result of following these rules: tenacity, education, honesty, confidence, originality, flexibility, and loyalty. If you understand the power of the Seven Rules and follow them diligently with your mind and heart, they will help you achieve success in whatever you do, no matter how you define it, if you're willing to pursue that success in a methodical, disciplined, and self-aware way. Through hard work and determination, Vince Weber became the first in his family to attend college. He received a Bachelor's degree from Fordham University and a Master's degree from the New York University Graduate School of Business Administration. He and his wife Betty have been married 60 years and have four children,

#1 NEW YORK TIMES BESTSELLER •

In her latest book, Brené Brown writes, “If we want to find the way back to ourselves and one another, we need language and the grounded confidence to both tell our stories and be stewards of the stories that we hear. This is the framework for meaningful connection.” In *Atlas of the Heart*, Brown takes us on a journey through eighty-seven of the emotions and experiences that define what it means to be human. As she maps the necessary skills and an actionable

framework for meaningful connection, she gives us the language and tools to access a universe of new choices and second chances—a universe where we can share and steward the stories of our bravest and most heartbreaking moments with one another in a way that builds connection. Over the past two decades, Brown’s extensive research into the experiences that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. *Atlas of the Heart* draws on this research, as well as on Brown’s singular skills as a storyteller, to show us how accurately naming an experience doesn’t give the experience more power—it gives us the power of understanding, meaning, and choice. Brown shares, “I want this book to be an atlas for all of us, because I believe that, with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves.”

*Recitations for Young Speakers, Or, Popular Program* Routledge

*Ditch Pressure for Freedom in Christ* Any mom who has tried to create a godly home for her family knows it doesn’t happen

automatically. Through books, blogs, and Instagram accounts, culture asserts that good moms must follow certain standards and abide by certain rules if she want what’s best for her children. She must do everything she can—and she must do it all just right. Following the suggested steps and recommended rules may seem best, but what if we’re missing the point? This is something Maggie Combs came to realize while seeking to be a good mom to her three sons. Though the world around us may have critical expectations and rules for mothering, Christ instead calls moms to an intimate, abiding relationship with a triune God. In *Motherhood Without All the Rules*, Maggie identifies the main “rules” moms today often feel pressured to follow and counters them with gospel truth. You’ll discover how the character of each member of the trinity practically impacts your role as a mom. Join Maggie in forgetting the rules, so that instead of being a good mom, you grow to become a holy mom.

Simon and Schuster

Explains how lifelong participation in sports promotes health, confidence, and life skills, and how girls can get the most out of various levels of competition.

**Throwing Hard Easy** State University of New York Press  
First published in 1971, *Rules for Radicals* is Saul Alinsky's impassioned counsel to young radicals on how to effect constructive social change and know “the difference between being a realistic radical and being a rhetorical one.” Written in the midst of radical political developments whose direction Alinsky was one of the first to question, this volume exhibits his style at its best. Like Thomas Paine before him, Alinsky was able to combine, both in his person and his writing, the intensity of political engagement with an absolute insistence on rational political discourse and adherence to the American democratic tradition.

your life these are the books you need to read. Robin Roberts releases the words upon the page so that the reader may capture them and create the life of abundance they deserve.

**Current Biography Yearbook** Strategic Book Publishing

From the author of *Shields of Strength*, “a gift that could radically change every interaction and relationship you have” (Reg Lloyd, Pastor, Praise Church, Beaumont TX). What is the opposite of love? Many would say hate, but studying the Bible reveals that it is actually fear. Fear leads us to make harmful decisions and live unproductive, unhappy, and unfruitful lives. Love is the key to a fruitful life, but love must be more than a feeling. Love must be an action, a choice. Choosing love over fear is the most powerful choice we can make. Kenny Vaughan brings this timeless discussion back to the forefront of our spiritual exploration by teaching us to view life as a fruit-bearing tree. When we feed the roots with love, the tree flourishes, and we enjoy the blessings that grow upon it. If we deprive our roots, however—if we allow fear to cut us off from love—then the whole tree withers and dies. Utilizing both

Scripture and anecdotes from modern life, *The Right Fight* teaches us how to tend our roots, grow our fruit, and, through the grace of God, cast fear out for good. “The Right Fight will hold your attention and challenge your perspective and application of love.”—Reg Lloyd, Pastor, Praise Church, Beaumont TX

Interpretation; rules and principles assisting the reading of the holy Scriptures New Harbinger Publications

“Regardless of how much money you have, your race, where you live, what religion you follow, you are going through something. Or you already have or you will. As momma always said, “Everybody's got something.” So begins beloved Good Morning America anchor Robin Roberts's new memoir in which she recounts the incredible journey that's been her life so far, and the lessons she's learned along the way. With grace, heart, and humor, she writes about overcoming breast cancer only to learn five years later that she will need a bone marrow transplant to combat a rare blood disorder, the grief and heartbreak she suffered when her mother passed away, her triumphant return to GMA after her medical leave, and the tremendous support and love of her family and friends that saw her through her difficult times.

---

Following her mother's advice to "make your mess your message," Robin taught a nation of viewers that while it is true that we've all got something -- a medical crisis to face, aging parents to care for, heartbreak in all its many forms --- we've also all got something to give: hope, encouragement, a life-saving transplant or a spirit-saving embrace. As Robin has learned, and what readers of her remarkable story will come to believe as well, it's all about faith, family and friends. And finding out that you are stronger, much stronger, than you think.

### *Road Signs on the High Road of Life*

Createspace Independent Publishing Platform

We often hear that success requires pushing the boundaries, coloring outside the lines, stepping on toes, and breaking all the rules. But some rules are so critical they aren't meant to be broken. Here, perennially popular Good Morning America host Robin Roberts reveals the 8 rules that she has always honored on her road to success. Illustrated with stories from her work, her family, and her faith, she explains how deceptively simple maxims like "Never lose sight of the Big Picture" and "Give people the benefit of the doubt" are both deeply meaningful and crucial to happiness and genuine accomplishment. Combined with a good dose of Robin's trademark humor,

warmth, and honesty, this book will be required reading for anyone in need of an infusion of sincere inspiration. And in light of her announcement in July 2007 that she had breast cancer, Robin's message is bound to touch an even larger audience.

*Lumber Manufacturer and Dealer* Grand Central Publishing

An Instant New York Times Bestseller! From the beloved host of Good Morning America and New York Times bestselling author Robin Roberts, a guide to instilling hope and optimism into readers' lives, infusing their days with positivity and encouragement. Over the last 16 years as the esteemed anchor of Good Morning America, Robin Roberts has helped millions of people across the country greet each new morning, gracing our screens with heart and humility. She has sought to bring a bit of positivity into each day, even in the most trying of times. Now, she shares with readers the guidance she's received, her own hard-won wisdom, and eye-opening experiences that have helped her find the good in the world and usher in light—even on the darkest days. Drawing on advice and knowledge she gleaned from conversations with loved ones, spiritual practices, and life experiences, Robin offers a window into how she feeds her own mind, spirit, and soul and invites readers to do the same. With a deeply personal touch, she explains that just like any skill, optimism requires practice and demonstrates how we can shift our mindsets and

give ourselves permission to let our best intentions take root and be true. Full of profound insight and the compassion to meet readers wherever they are on their journey, this contemplative and uplifting read is a breath of fresh air that will bring a dose of joy into your daily life.

[What Do I Do Now?](#) Triumph Books (IL)

Every couple fights—it's how you fight that can determine the success of your relationship. This book teaches you to look beyond what you and your partner fight about, and discover the core issues that undermine your relationship. In the midst of a disagreement, many couples ask themselves, "What are we really fighting about?" Sound familiar? As it turns out, breakups and divorce don't happen because couples fight, they happen because of how couples fight. In this much-needed book, Judith and Bob Wright—two married counselors and coaches with over thirty years of experience helping couples learn how to fight well—present their tried-and-true methods for exploring the emotions that underlie many relationship fights. In this unique guide, you'll learn how to use disagreements as an opportunity to deepen your understanding of your partner, bring more intimacy to the relationship, strengthen your bond, and really learn from the conflicts and tensions that occur between you. You'll also learn how to

---

navigate the fifteen most common fights couples have, including “the blame game,” “dueling over dollars,” “If you really loved me, you’d...,” “told-you-so’s,” and more. If you’re ready to start fighting for your love, rather than against it, this book will show you how.

discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

Modern medical therapeutics Sharon Lechter

If you want to "change lives, change organizations, change the world," the Stanford business school's motto, you need power. Is power the last dirty secret or the secret to success? Both. While power carries some negative connotations, power is a tool that can be used for good or evil. Don't blame the tool for how some people used it. If fully understood and harnessed effectively, power skills and understanding become the keys to increasing salaries, job satisfaction, career advancement, organizational change, and, happiness. In *7 Rules of Power*, Jeffrey Pfeffer, professor of organizational behavior at the Stanford University Graduate School of Business, provides the insights that have made both his online and on-campus classes incredibly popular—with life-changing results often achieved in 8 or 10 weeks. Rooted firmly in social science research, Pfeffer's 7 rules provide a manual for increasing your ability to get things done, including increasing the positive effects of your job performance. The 7

rules are: 1) Get out of your own way. 2) Break the rules. 3) Show up in powerful fashion. 4) Create a powerful brand. 5) Network relentlessly. 6) Use your power. 7) Understand that once you have acquired power, what you did to get it will be forgiven, forgotten, or both. With *7 Rules of Power*, you'll learn, through both numerous examples as well as research evidence, how to accomplish change in your organization, your life, the lives of others, and the world.
