Dear Jerk Across the Street, sorry for accidentally walking in on you and catching an eyeful of your-equipment. And hard pass on the open invitation to join you in the shower "anytime", A-hole. That's the note I should've written. Instead I sent a pleasant and apologetic version. Had I known Phoenix "Nix" Russo would've been the neighbor from hell, I'd have told him right where he could shove my words. Nix is the big man on campus with everyone lined up at his games to make sure he knows it. Sure, he's got piercing blue eyes, abs that don't quit and a smile that could set fire to a set of panties from a hundred yards away, but he's also the biggest pain in my ass. Dear Pink-Haired Menace, learn how to take a joke and stop being such a kill-joy... Elle Masterson called the cops on one of my parties-again. My sweet talking usually gets me out of trouble, but this time it got me into a nice pair of silver handcuffs. Now I'm on a reputation rehab tour with a stop at a spring break community service project. Guess who's my new boss? Now we're shoulder to shoulder, sweaty, tired and...she's not anything like I expected. There might just be a heart under that hardass exterior. She's invading my dreams and I can't shake the feeling she's the key to unlocking a piece of me that I've hidden away. It's only a matter of time until she finds out why I'm really here. How We Met Random House

Jack Valentini isn't my type. Sexy, brooding cowboys are fine in the movies, but in real life, I prefer a suit and tie. Proper manners. A close shave. Jack might be gorgeous, but he's also scruffy, rugged, and rude. He wants nothing to do with a "rich city girl" like me, and he isn't afraid to say so. But I've got a PR job to do for his family's farm, so he's stuck with me and I'm stuck with him. His glares. His moods. His tight jeans. His muscles. His huge, hard muscles. Pretty soon there's a whole different kind of tension between us, the kind that has me misbehaving in barns, trees, and pickup trucks. I've never done anything so out of character-but it feels too good to stop. And the more I learn about the grieving ex-Army sergeant, the better I understand him. Losing his wife left him broken and bitter and blaming himself. He doesn't think he deserves a second chance at happiness. But he's wrong. I don't need to be his first love. If only he'd let me be his last.
