My Love Little, Brown

Compelling, moving, and beautifully written, the interlinked stories that make up *We Should Never Meet* alternate between Saigon before the city's fall in 1975 and present-day "Little Saigon" in Southern California---exploring the reverberations of the Vietnam War in a completely new light. Intersecting the lives of eight characters across three decades and two continents, these stories dramatize the events of Operation Babylift, the U.S.-led evacuation of thousands of Vietnamese orphans to America just weeks before the fall of Saigon. Unwitting reminders of the war, these children were considered *bui doi*, the dust of life, and faced an uncertain, dangerous existence if left behind in Vietnam. Four of the stories follow the saga of one orphan's journey from the points-of-view of a teenage mother, a duck farmer and a Catholic nun from the Mekong Delta, a social worker in Saigon, and a volunteer doctor from America. The other four take place twenty years later and chronicle the lives of four Vietnamese orphans now living in America: Kim, an embittered Amerasian searching for her unknown mother; Vinh, her gang member ex-boyfriend who preys on Vietnamese families; Mai, an ambitious orphan who faces her emancipation from the American foster-care system; and Huan, an Amerasian adopted by a white family, who returns to Vietnam with his adoptive mother. *We Should Never Meet* is one of those rare books that truly takes an original look at the human condition---and marks the exciting debut of a major new writer for our time.

From the Moment We Met HTJB, Inc.

From the last time Linda and Thomas meet, at a charmless hotel in a distant city, to the moment, thirty-five years earlier, when a chance encounter on a rocky beach binds them fatefully together, this hypnotically compelling novel unfolds a tale of intense passion, drama, and suspense. *The Last Time They Met* is a singularly ambitious and accomplished work by one of today's most widely celebrated novelists.

Preorder now and receive the stunning LIMITED EDITION while supplies last - featuring gorgeous sprayed edges and an exclusive spine design. One year is all it takes for strangers to become lovers... Nineteen-year-old Farrah Lin is going to fall in love for the first time during her year abroad in Shanghai. She's sure of it. The only problem? Her would-be leading man is her new friend's boyfriend. There's nothing worse than being in love with someone you can't have...or at least, she thinks it's love. But if that's true, why can't she stop fantasizing about someone else, specifically the cocky blond athlete with the world's biggest ego (and greatest dimples)? *** Blake Ryan is--was--a college football star who shocked the sports world when he quit after his third national championship. Instead of dealing with the fallout, he escapes to Shanghai, where he vows to keep life simple. No football. No commitments. No romance. But no matter how hard he tries, he can't keep a certain beautiful brunette off his mind...or out of his heart. What starts as a physical attraction develops into something much deeper as Blake and Farrah get swept up in the magic of Shanghai--and each other. But they only have one year, and there are forces outside their control that threaten to rip them apart. Can their relationship survive the test...or was it just not meant to be?

Dear Jerk Across the Street, sorry for accidentally walking in on you and catching an eyeful of your-equipment. And hard pass on the open invitation to join you in the shower "anytime", A-hole. That's the note I should've written. Instead I sent a pleasant and apologetic version. Had I known Phoenix "Nix" Russo would've been the neighbor from hell, I'd have told him right where he could shove my words. Nix is the big man on campus with everyone lined up at his games to make sure he knows it. Sure, he's got piercing blue eyes, abs that don't quit and a smile that could set fire to a set of panties from a hundred yards away, but he's also the biggest pain in my ass. Dear Pink-Haired Menace, learn how to take a joke and stop being such a kill-joy... Elle Masterson called the cops on one of my parties-again. My sweet talking usually gets me out of trouble,

but this time it got me into a nice pair of silver handcuffs. Now I'm on a reputation rehab tour with a stop at a spring break community service project. Guess who's my new boss? Now we're shoulder to shoulder, sweaty, tired and...she's not anything like I expected. There might just be a heart under that hardass exterior. She's invading my dreams and I can't shake the feeling she's the key to unlocking a piece of me that I've hidden away. It's only a matter of time until she finds out why I'm really here. Maybe I can break through her walls and into her heart before that happens...one screw at a time. ***The Second We Met is a standalone new adult romance***

Emily thinks she's lost everything...until a mysterious painting leads her to what she wants most in the world. The new novel from the author of international bestsellers *The Sweetness of Forgetting* and *The Life Intended* shows why her books are hailed as "engaging" (People), "absorbing" (Kirkus Reviews) and "enthraling" (Fresh Fiction). Emily Emerson is used to being alone; her dad ran out on the family when she was a just a kid, her mom died when she was seventeen, and her beloved grandmother has just passed away as well. But when she's laid off from her reporting job, she finds herself completely at sea...until the day she receives a beautiful, haunting painting of a young woman standing at the edge of a sugarcane field under a violet sky. That woman is recognizable as her grandmother--and the painting arrived with no identification other than a handwritten note saying, "He always loved her." Emily is hungry for roots and family, so she begins to dig. And as she does, she uncovers a fascinating era in American history. Her trail leads her to the POW internment camps of Florida, where German prisoners worked for American farmers...and sometimes fell in love with American women. But how does this all connect to the painting? The answer to that question will take Emily on a road that leads from the sweltering Everglades to Munich, Germany and back to the Atlanta art scene before she's done. Along the way, she finds herself tempted to tear down her carefully tended walls at last; she's seeing another side of her father, and a new angle on her painful family history. But she still has secrets, ones she's been keeping locked inside for years. Will this journey bring her the strength to confront them at last?

A meddling app says she's about to meet her match, but which of the four possibilities is the one--and more importantly, is she ready for love? Find out in this novel about family, soul mates, and chasing dreams by the author of *Have We Met?* Tiwanda Harris's thirtieth birthday is a turning point. Gifted her late mother's journal, Tiwanda is finally getting a glimpse of who her mother was as an adult. Shortly after, the budding entrepreneur receives a grant to jump-start a delicious business opportunity--and her sweet dreams don't end there. Tiwanda's been sent a dating app called Met that

promises four matches, and among them, her soul mate. All Tiwanda has to do is tap "Yes"... Though she's doubtful about fitting romance into her life, the choices are hers. As the matches begin to surface, Tiwanda is surprised to find that maybe there is some future potential there after all. But which one could lead to real love? Only time will tell. That is, if she can find the time. With her focus split between launching her career, helping heal old family rifts, maintaining friendships while building new ones, and also trying to open her heart to romantic love, chasing so many dreams is leaving Tiwanda breathless. But who knows? With destiny on her side, maybe there's a chance all those dreams could come true.

The colorful staff of a hedonistic club attends to the unconventional and sometimes humorous needs of their members while navigating their own friendships, rivalries and romances in this contemporary series. An actor for the California collective, Black is one of several personnel using a pseudonym. He embarks on recruiting Becky Martin with the ultimate intention of bringing her onto the staff, not as his subordinate, but as his equal. Plagued by a recurring nightmare and stagnant life, Becky actively entertains his proposal. Black's closest ally is Cade, the in-house lawyer looking to fill the void of having no genuine connection since coming on board. He sets his sights on an ambitious target after years of being rejected by his first choice, the showy Hannah Sedgwick. Along with Cade, Hannah has made her home on Black's so-called side of the fence. Certain staff find solidarity in Black's laidback reticence while others are drawn to the unwavering control imposed by Random, the resident doctor and head of the collective. Random's most staunch ally is Reno, a snarky, attractive hacker and master of improvisation. Also in his camp are Shay Fontaine and Trip, the two most recently hired Tops. Shay fills the member relations role and has a get-it-done work ethic that Random regards. Trip is another actor, whose private issue brewing back home in Oklahoma will challenge his capacity while also ushering a breath of fresh air into his life. Volume 1 brings Black and Random's sides together in the equally personal and work-oriented goal of recruiting Becky Martin, who becomes the mutual mission of these two Dominants, binding them over the course of time. It's never too dark and never too light in this forward-moving series of desires, mind games, debauchery and the option to live an offbeat life: *The Alternative*.

After We Fall Pan Macmillan

Mars and Venus on a Date is for all single people looking for love, including the newly separated or divorced who are daunted by re-entering the singles scene. Written with the compassion and understanding that could come only from John Gray, it takes readers through the five stages of dating: Attraction, Ambivalence, Commitment (to monogamy), True Intimacy and Proposal/Marriage. In its pages, readers will find creative ideas on finding a soulmate, making a commitment and sage advice on such difficult issues as deciding when to become sexually intimate and whether or not to live with their partner. The singles universe can be a nebulous and frightening place, and the men and women alone in this void have great need for

the wisdom of John Gray. In the same way that *Men Are from Mars, Women Are from Venus* became the ultimate relationship book for couples, *Mars and Venus on a Date* will be the singles' essential guide.

How We End is a book of 41 illustrated short stories chronicling the romantic and sexual history of an unnamed and unreliable narrator. Each story details the moments in which the narrator realizes a relationship is over. The images are a visual representation of where that moment took place. The illustrations collage public imagery, sourced from the Internet, with private, intimate narratives to create scenes that are just as distorted and fragmented as the stories themselves. Break-ups are nothing if not one-sided, skewed. The book is about intimacy and heartbreak, but it is also about the way we communicate these things and the way truth deteriorates every time we tell a story. The relationship between the text and images is representative of the collaboration and friendship between writer and artist. There is an openness and a desire to communicate, but also a disconnect. Something is lost in translation, always.

The Moment We Meet HQN Books

Can a boy be "trapped" in a girl's body? Can modern medicine "reassign" sex? Is our sex "assigned" to us in the first place? What is the most loving response to a person experiencing a conflicted sense of gender? What should our law say on matters of "gender identity"? When Harry Became Sally provides thoughtful answers to questions arising from our transgender moment. Drawing on the best insights from biology, psychology, and philosophy, Ryan Anderson offers a nuanced view of human embodiment, a balanced approach to public policy on gender identity, and a sober assessment of the human costs of getting human nature wrong. This book exposes the contrast between the media's sunny depiction of gender fluidity and the often sad reality of living with gender dysphoria. It gives a voice to people who tried to "transition" by changing their bodies, and found themselves no better off. Especially troubling are the stories told by adults who were encouraged to transition as children but later regretted subjecting themselves to those drastic procedures. As Anderson shows, the most beneficial therapies focus on helping people accept themselves and live in harmony with their bodies. This understanding is vital for parents with children in schools where counselors may steer a child toward transitioning behind their backs. Everyone has something at stake in the controversies over transgender ideology, when misguided "antidiscrimination" policies allow

biological men into women's restrooms and penalize Americans who hold to the truth about human nature. Anderson offers a strategy for pushing back with principle and prudence, compassion and grace.

It's Just a F*ing Date** M.L. Broome

My only son was murdered in December 2012 and I was having a very hard time dealing with my grief. I looked into counselling groups but the meetings were held on week nights, and this was impossible for me as I work an afternoon shift. I would come home from work and write how I felt in a notepad, as I was doing this, my expressions of grief were coming out in poems. I began posting my expressions of my grief on my facebook page., my family would comment on how beautiful they were, and that maybe I should consider publishing them in a book. I thought no who would really want to read about my grief and how I hurt inside. Then I found a facebook page for grieving mothers and began posting my expressions there. In no time so many grieving mothers from all over were wanting to share my poems. They had all encouraged me to write my expressions in a book and thats what I've done. For all the grieving mothers in the world this is from my heart.

It was like seeing a ghost. When my late husband's twin brother moves back to our small town, I want to avoid him. Everything about Wes reminds me of the man I lost and the life we'd planned together, and after eighteen long months struggling just to get out of bed, I'm finally doing okay. I have a new job, an amazing support group, and a beautiful five-year-old daughter to parent. I don't want to go backward. But I'm drawn to him, too. He understands my grief and anger and guilt like no one else-and I understand his. Before long, that understanding becomes desire, and that desire becomes uncontrollable. He says he doesn't care what people think, and love can never be wrong. But life has taught me its cruelest lesson--love doesn't always win. If only my heart would believe it.
