Bestseller A singular and
stunning debut novel about the
forbidden union between two
enslaved young men on a Deep
South plantation, the refuge they
find in each other, and a betrayal
that threatens their existence.

Isaiah was Samuel's and Samuel
was Isaiah's. That was the way it
was since the beginning, and the
way it was to be until the end. In
the barn they tended to the
animals, but also to each other,
transforming the hollowed-out
shed into a place of human
refuge, a source of intimacy and
hope in a world ruled by vicious
masters. But when an older
man—a fellow slave—seeks to
gain favor by preaching the
master's gospel on the
plantation, the enslaved begin to
turn on their own. Isaiah and
Samuel's love, which was once so
simple, is seen as sinful and a
clear danger to the plantation's

harmony. With a lyricism
reminiscent of Toni Morrison,
Robert Jones, Jr., fiercely
summons the voices of slaver
and enslaved alike, from Isaiah
and Samuel to the calculating
slave master to the long line of
women that surround them,
women who have carried the
soul of the plantation on their
shoulders. As tensions build and
the weight of centuries—of
ancestors and future generations
to come—culminates in a
climactic reckoning, *The
Prophets* fearlessly reveals the
pain and suffering of inheritance,
but is also shot through with
hope, beauty, and truth,

portraying the enormous, heroic power of love.

On a desolate road in the
Oregon high desert, an
apprentice mortician
stumbles upon a horrific
car crash--and into a
vortex of treachery, long-
buried secrets, and
growing menace.
Melisende Dulac is a fish
out of water after
relocating from the East
Coast to a small
community in the Oregon
high desert. But just as

she's beginning to think of
Barlow County as home,
her life takes an ominous
turn when she comes
upon a grisly multiple car
wreck and three shattered
bodies on an isolated road
outside of town. Near the
scene, Melisende trips
over a fourth body, that of
a newborn girl lying a
physics-defying distance
from the wreckage. There
is no one to claim the
infant, nor a clear
indication she was even
part of the accident. The
crash offers plenty of

opportunities for an apprentice mortician--but when the victims' bodies are stolen from her family's mortuary, Melisende is branded suspect number one. Then, Portland lawyer Kendrick Pride arrives on the scene on behalf of one of the victim's families--or so he says--and Melisende begins to see that there's much more to this enigmatic figure than meets the eye. As the shadows gather and the mystery deepens,

Melisende must race to find the truth--or be swallowed by the darkness.

Challenged (Vipers Creed MC #1) Ryan Michele
From the co-writing duo of Mindy Michele comes a tale of small-town charm and backroads trouble. Seventeen-year-old Reagan seems like the perfect small-town girl. Dubbed a saint by her older brother,

Lincoln, she serves the community, makes straight A's, attends church, spends her summers working with special needs children, and is a piano playing prodigy. When you're the daughter of the mayor and the police chief in a sleepy Kansas town, toeing the line is easier than the alternative. That is, until her brother's best friend changes the rules. Reagan's been subject to Ridley's antics her entire life. Growing up, he tormented and teased her,

but he kept his distance-until now. When Ridley breaks a promise, late night phone calls and secret rendezvous in the haystacks quickly transform into a reckless, all-consuming love. Some promises are meant to be broken. Some secrets will not be contained, and sometimes the consequences we render are more than we can bear.

Of Stars and Secrets Hachette Books

This edited collection brings together leading and emerging scholars in the important field of sexual violence scholarship. The last ten years have witnessed an international reckoning on sexual violence, typified in the mainstream imagination by the #MeToo movement, acknowledgement of the violence of university campus life, and the overdue recognition of the enduring harms of child sexual abuse. While the state has been forced to respond through law and other political processes, at times revealing its agility

and at other times its archaic investment in the past, much of the real work responding to sexual violence and abuse has taken place within communities, and in the personal responses of the individuals writing the scripts of their experiences. This volume explores the nuances of these individual experiences and considers how they are shaped and reflected by intersecting axes of power including gender, race, class, age and able-bodied status. It reflects on law and law reform in the area and suggests new modes and

frames through which to explain and understand sexual violence and institutional responses to it. Debates within this contested personal and political arena do not map onto longstanding binaries of liberal and radical feminism, nor conservative and progressive politics. This interdisciplinary volume traces that murky terrain and features some of the leading international scholars writing on sexual violence in English today. This book will appeal to scholars and students across the broad disciplines of law and legal studies;

criminology; gender studies; political science and sociology. This is the introductory
volume of a multivolume,
verse-by-verse,
interfaith rereading of the
New Testament letter to
the Ephesians. It looks to
the Tiantai Buddhist
master Zhiyi and his
“ threefold truth ” to
enhance our appreciation
of nascent trinitarian
themes in Ephesians. And
it draws upon a broad
array of scientific,

theological, and
philosophical thinkers in
aid of rejecting the
epistle's ancient,
geocentric cosmology and
its accommodations to the
misogynistic, patriarchal,
and slaveholding norms of
its first-century
surroundings. As a whole,
the work constitutes a
twenty-first century
apologetic for doctrinal
humility and for
theologizing within a
global theological
commons.
