The Italian Prince and the Shipwreck That Forever Changed the History of Seattle. A tale of corruption, deceit, and hope: Funded by Prince Luigi of Italy, Major Ingraham set sail for the Alaska gold fields in the spring of 1898. Three days after the schooner Jane Gray departed from Seattle, the ship went down in a moderate gale - hardly a storm that should sink a "staunch and seaworthy" whaler in a "hatful of wind." Of the famous people on board, only twenty-seven survived. In the aftermath of the wreck, the entire community was shocked and grief-stricken. Some of the survivors mounted a search for the missing, while others sought restitution from the powerful MacDougall and Southwick outfitting firm. Ownership of the vessel came into question and a nasty,

protracted legal battle ensued, revealing fraud, deceit and corruption at every turn. Rumors and speculation as to the cause of the disaster consumed conversations around the world. She'd been wrecked before. Was she a "hoo-doo," cursed with sailor's superstition? Or were MacDougall and Southwick at fault?

Bound by Fate Simon and Schuster Forgiveness is a choice. This workbook companion to Ripened on the Vine, is a tool to be used among the broken hearted, to emerge hope in the hopeless, and to bring restoration to the souls of the neglected. My aspiration for you is by the time you finish the study, you will have grown in ways you never knew you needed to grow, that you would be planted firmly in the Word of God without excuses, but with boundaries used as a hedge of protection. I pray for a complete and divine healing in your life. To freely forgive as you are freely

forgiven. The insight can help inspire you to become who you were born to be instead of who youve become. Although sometimes intrusive, know that each aspect is a vital part of moving forward in your restoration and shifting from being a victim to becoming victorious in Christ.

Montenero Val Cocchiara is usually referred to simply as Montenero, or Mundunur in the local dialect.

Montenero is a typical mountain village on the border of the Abruzzo and Molise regions, but it is more than that. Its history was tinted by contacts with numerous powerful groups over many centuries. The svillage and its people prove to be unique, but they also are highly embued with elements common to all in South Italy. Of course it is the hope of the author that anyone with roots in South Italy will benefit from reading this book. However, his much greater aspiration is that others will equally enjoy the story of Montenero as a metaphor of their own ancestral village or town, regardless of country or even see the village as a microcosm of the world where the forces of history and culture forge the character of people.

(Ravage MC #12) Ryan Michele

From the co-writing duo of Mindy Michele comes a tale of small-town charm and backroads trouble. Seventeen-year-old Reagan seems like the perfect small-town girl. Dubbed a saint by her older brother, Lincoln, she serves the community, makes straight A's, attends church, spends her summers working with special needs children, and is a piano playing prodigy. When you're the daughter of the mayor and the police chief in a sleepy Kansas town, toeing the line is easier than the alternative. That is, until her brother's best friend changes the rules. Reagan's been subject to Ridley's antics her entire life. Growing up, he tormented and teased her, but he kept his distance-until now. When Ridley breaks a promise, late night phone calls and secret rendezvous in the haystacks quickly transform into a reckless, all-consuming love. Some promises are meant to be broken. Some secrets will not be contained, and sometimes the consequences we render are more than we can bear.

This is the introductory volume of a multivolume, verse-by-verse, interfaith rereading of the New Testament letter to the Ephesians. It looks to the Tiantai Buddhist master Zhiyi and his "threefold truth" to enhance our appreciation of nascent trinitarian themes in Ephesians. And it draws upon a broad array of scientific, theological, and philosophical thinkers in aid of rejecting the epistle's ancient, geocentric cosmology and its accommodations to the misogynistic, patriarchal, and slaveholding norms of its first-century surroundings. As a whole, the work constitutes a twenty-first century apologetic for doctrinal humility and for theologizing within a global theological commons.

From the Wreckage Createspace Independent Publishing Platform  
Jacopo da Varagine (c. 1228–1298) is remembered today primarily for his immensely popular work *The Golden Legend*, a massive collection of stories about the saints. Compiled over the years 1260–67, *The Golden Legend* quickly eclipsed earlier collections of saints' lives. One indication of its popularity is the fact that so many manuscript copies of the work have survived—more than one thousand according to some estimates. Despite the enduring influence of *The Golden Legend*, Jacopo remains an elusive figure because he left behind so little information about himself. In *The Talents of Jacopo da Varagine*, Steven A. Epstein sets out to remedy this situation through a careful study of all Jacopo's works, including many hundreds of sermons and his innovative chronicle of Genoese history. In Epstein's sure hands, Jacopo emerges as one of the most active and talented minds of his day. Indeed, Epstein argues that one needs to read all of Jacopo's books, in a Genoese context, in order to understand the original scope of his thinking, which greatly influenced the ways generations of people across Europe experienced their Christianity. The rich sources for Jacopo's sermons, saints' lives, and history illuminate the traditions that inspired him and shaped his imaginative and artistic powers. Jacopo was also one of the inventors of social history, and his writings reveal complex and new perspectives on family life as well as the histories of gay people, slaves,

---

Jews, and the medieval economy. Filled with impressive insights into the intellectual life of the thirteenth century, The Talents of Jacopo da Varagine will be of interest to a wide range of medieval scholars and students of religious history, church history, and hagiography as well as intellectual history and Italian history.

Ravage Me (Ravage MC #1) Wicked Words Publishing, LLC

As the 2022 French Presidential election looms, two candidates emerge as favourites: Marine Le Pen of the Front National, and the charismatic Muhammed Ben Abbes of the growing Muslim Fraternity. Forming a controversial alliance with the political left to block the Front National 's alarming ascendancy, Ben Abbes sweeps to power, and overnight the country is transformed. This proves to be the death knell of French secularism, as Islamic law comes into force: women are veiled, polygamy is encouraged and, for our narrator François – misanthropic, middle-aged and alienated – life is set on a new course. Submission is a devastating satire, comic and melancholy by turns, and a profound meditation on faith and meaning in Western society.
