Jake Wallace does not recognize America anymore. What society once vilified is now glorified as governmental politics change. For years he has watched the mainstream media gloss over domestic and world events with half truths,

misinformation, or outright lies. He confides in Cara Janssen, a friend and co-worker but she is resistant, believing that cant happen here. Can he convince her of the truth without driving her away? One day they witness an unnatural phenomenon that completely mystifies them. Later, Jake notices that no one is reporting on this strange phenomenon and he draws his own conclusion. There is a cover-up. How high does it go? Soon they see people changing. Riots ensue, plunging their town and county into chaos. Suddenly it hits him. The phenomenon is actually a catalyst for something more sinister. Quickly events escalate nationwide, creating even more unrest. As the two become closer, Jake and Cara quickly realize the need to escape the violence but something goes terribly wrong. So, begins their life changing

journey of unbelievable highs and devastating lows, taking them across two states in the fight for their lives in a country that they do not recognize, running from a new autocracy in search of freedom, life and love.

Each year car manufacturers release new production models that are unique and innovative. The production model is the result of a lengthy process of testing aerodynamics, safety, engine components, and vehicle styling. The new technologies introduced in these vehicles reflect changing standards as well as trends of the market. From Acura to Volvo, this

book provides a snapshot of the key engineering concepts and trends of the passenger vehicle industry over the course of a year. For each of the 43 new production models, articles from Automotive Engineering International (AEI) magazine detail technology developments as well as a comprehensive look at the 2013 passenger car models. This book provides those with an interest in new vehicles with all the information on the key automotive engineering and technology advancements of the year. AEI's association with SAE International guarantees that these articles come from a trusted and reliable source with a reputation 100-plus years in the making. The 2013 Passenger Car Yearbook features articles covering a wide variety of topics from styling, safety, testing, hybrid systems, powertrain designs, lightweighting, and materials. Interviews with key designers and engineers offer the reader an in-depth look at the strategies behind the year's technology advancements. This yearbook is a must-read to any vehicle enthusiast or engineer. The 2013 Passenger Car Yearbook explores where automotive engineering and styling is heading in years to come, and where it has come from in the past.

"The Game..." makes for strange bedfellows. Local gangster Dante (Jack Boy) knows more than anybody how dangerous and ruthless the streets can be. But against his better instincts allows himself to fall for a local female gangster

named Alinna. Considered to be somewhat of a competitor to Dante because she leads her own all female crew. Alinna too, is very well aware of the dangers that come with letting feelings get in the way of business. But like Dante, decides to embrace the attraction anyway. That however proves to be a mistake. When she discovers Dante is two-timing her with a female gang unit officer. But unlike what she has with Dante, this relationship is more about lust and power. Or better yet the officers lust for it. While both get pleasure from this arrangement, she also gains intel. Which lead to major busts that fuel her quick ascension within the department. However her world is suddenly rocked when she discovers she's pregnant with Dante's child! Now they have something that binds them together forever... and something that complicates not just her job but also Dante's relationship with Alina! But with Alina being onto Dante's cheating ways, and the officer being willing to eliminate any and all threats to her burgeoning career. Not to mention the threat of the streets discovering Dante's Serpico ties. Could he end up losing everything in the end?
