The Story of the Malakand Field Force is a historical account written by Winston Churchill and it describes a military campaign by the British army on the North West Frontier (now western Pakistan and eastern Afghanistan) in 1897, and Churchill's part in it.

The New Britannica/Webster Dictionary & Reference Guide Penguin
A Comparative Vocabulary Study Guide: Spanish to English to Portuguese to Chinese is a four language vocabulary guide highlighting over 5,000 selected Spanish words that have either the same spelling and meaning as their English and Portuguese language counterparts or contain easily recognizable English and Portuguese meanings with a comparison to their Chinese language equivalents. Spanish is the language base for this guide. All Spanish words are given the general or specific meanings of Spanish currently spoken in Argentina. Spanish is the language to which the English definitions and the Portuguese equivalents are compared. The Chinese is matched to English definitions. This guide is designed after the "vocabulary first" method of language instruction as advocated by the author. It teaches a basic vocabulary by word association.

“ A thorough and engaging history of Maine ’ s rocky coast and its tough-minded people. ” —Boston Herald “ [A] well-researched and well-written cultural and ecological history of stubborn perseverance. ” —USA Today
For more than four hundred years the people of coastal Maine have clung to their rocky, wind-swept lands, resisting outsiders ’ attempts to control them while harvesting the astonishing bounty of the Gulf of Maine. Today ’ s independent, self-sufficient lobstermen belong to the communities imbued with a European sense of ties between land and people, but threatened by the forces of homogenization spreading up the eastern seaboard. In the tradition of William Warner ’ s Beautiful Swimmers, veteran journalist Colin Woodard (author of American Character: A History of the Epic Struggle Between Individual Liberty and the Common Good) traces the history of the rugged fishing communities that dot the coast of Maine and the prized crustacean that has long provided their livelihood. Through forgotten wars and rebellions, and with a deep tradition of resistance to interference by people “ from away, ” Maine ’ s lobstermen have defended an earlier vision of America while defying the “ tragedy of the commons ” —the notion that people always overexploit their shared property. Instead, these icons of American individualism represent a rare example of true communal values and collaboration through grit, courage, and hard-won wisdom.

Reduce, reuse and recycle - the nineteenth century way!
This book is packed full of helpful hints and recipes from the early 1800s to the early 1900s, when the United States and Canada expanded their frontiers and intrepid pioneers set up frugal, self-reliant homesteads. It is not just for homesteaders or self-sufficiency purists - whether you live in a country cottage, a city apartment or a college dorm, this book contains a wealth of hints to help you save money, live a greener lifestyle and 'downsize'. It shows how to avoid expense and waste by using leftovers in new ways, substituting costly ingredients for more affordable ones and overcoming common household problems using everyday items. If you would like to find out how to make filling meals for just pennies - make cheese from sour milk - get rid of shiny elbows on suit jackets - cook with free wild plants - bring stale food back to life - make tea taste better and go further - use meat bones to shine shoes - or just brew your own beer in a tea-kettle, then this book is for you!

A groundbreaking bilingual kanji thesaurus that provides intermediate and advanced-level users with complete, precise guidance on the distinctions between characters of similar meanings. The Kodansha Kanji Synonyms Guide is the first-ever reference work to group together kanji characters that are related in meaning but different in detail. Arranged alphabetically by concept, these groupings let users focus on the often-subtle differences and similarities between them. Like The Kodansha Kanji Learner's Dictionary, and all of Jack Halpern's previous publications, The Kodansha Kanji Synonyms Guide is an innovative, authoritative, and impeccably-prepared resource that helps Japanese language learners deepen their knowledge of written Japanese, and provides educators, scholars, writers, and translators with an invaluable reference tool.

Sherry Monahan is an authority on "the city that wouldn't die" and its history. In Tombstone's

Treasure, she focuses on the silver mines, one reason for the city's founding, and the saloons, the other reason the city grew so quickly. When the discovery of silver at Tombstone first became known in mid-1880, there were about twenty-six saloons and breweries. By July of the following year, the number of saloons in Tombstone had doubled. The most popular saloon games of the time were faro, monte, and poker, with some offering keno, roulette, and twenty-one. Monahan shares true tales about Tombstone's mining and gambling history and describes a different time and locale where wealthy businesspeople and rugged miners rubbed elbows at the bar and gambled side by side. It is both shocking and enlightening to learn just how sophisticated Tombstone really was when the Earps, Doc Holliday, Johnny Ringo, and Curly Bill strode the boardwalks. Tombstone actually had telephones, ice cream parlors, coffee shops, a bowling alley, and a swimming pool. Wow! It is so contrary to the Hollywood version of the town . . . but it's absolutely true."--from the Foreword by Bob Boze Bell Read
Sherry Monahan's interview on AMC on the Wild West and the film Wild Bill

An unprecedented look at that most commonplace act of everyday life--throwing things out--and how it has transformed American society. Susan Strasser's pathbreaking histories of housework and the rise of the mass market have become classics in the literature of consumer culture. Here she turns to an essential but neglected part of that culture--the trash it produces--and finds in it an unexpected wealth of meaning. Before the twentieth century, streets and bodies stank, but trash was nearly nonexistent. With goods and money scarce, almost everything was reused. Strasser paints a vivid picture of an America where scavenger pigs roamed the streets, swill children collected kitchen garbage, and itinerant peddlers traded manufactured goods for rags and bones. Over the last hundred years, however, Americans have become hooked on convenience, disposability, fashion, and constant technological change--the rise of mass consumption has led to waste on a previously unimaginable scale. Lively and colorful, Waste and Want recaptures a hidden part of our social history, vividly illustrating that what counts as trash depends on who's counting, and that what we throw away defines us as much as what we keep.

Entick's New Spelling Dictionary ... Carefully revised, corrected, and improved, by John Robinson Rough Guides UK

With the help of a #1 New York Times bestselling author and finance expert, set your finances right with these updated tactics and practices Dave Ramsey knows what it's like to have it all. By age twenty-six, he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and, through his workshops and his New York Times business bestsellers Financial Peace and More than Enough, he has helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right-financially, emotionally, and spiritually. In this new edition of Financial Peace, Ramsey has updated his tactics and philosophy to show even more readers: • how to get out of debt and stay out • the KISS rule of investing—"Keep It Simple, Stupid" • how to use the principle of contentment to guide financial decision making • how the flow of money can revolutionize relationships With practical and easy to follow methods and personal anecdotes, Financial Peace is the road map to personal control, financial security, a new, vital family dynamic, and lifetime peace.
