The new Student Activities Manual includes both workbook and lab manual materials in a single convenient volume, with all materials for a given chapter grouped together, saving students money and simplifying navigation. The answer key with answers to all activities is available separately. The Mosaicos Workbook parallels the organization of the text and provides more reading comprehension activities, sentence building and completion exercises, fill-ins, realia and art-based activities as well as composition exercises. Instructors may choose to assign these activities as homework and use them to reinforce class lessons. Each chapter of the Mosaicos Lab Manual contains activities based on recordings of native speakers in situations thematically related to the corresponding chapters in the text. The listening material for the Lab Manual, the student audio for the in-text listening activities, and recordings of all the text's active vocabulary is contained on the Audio Program CDs or cassettes and is provided free to labs upon adoption of Mosaicos. The scripts for the audio program are provided in the Instructor's Resource Manual.

For courses in First-year Russian Introductory Russian, Basic Russian, Basic Intensive Russian, and Intermediate Russian. Golosa is a two-volume, communicative approach to Russian that is designed to help students reach the ACTFL Intermediate range in speaking and Intermediate High in reading and listening. Each volume of Golosa includes a main textbook, a student workbook with laboratory drills and written exercises, and an audio program that runs approximately ten hours per volume and includes listening comprehension exercises, dialogs, conversations, and rapid-pace oral drills. Each unit in the program revolves around a topic (university, family, etc.), and follows the same basic format: introduction of basic vocabulary for the topic, listening to introductory conversations, short dialogs with activation exercises and role-play practice, practice in listening and reading with emphasis on strategies, grammar study and practice in both oral and written form, and written workbook exercises that go from mechanical to creative. NEW! Book I offers a CD-ROM with lexical and grammatical exercises for each unit!
