become the de facto
standard for training
and reference material
at all levels of CNC
programming. Used in
hundreds of

educational institutions around the world as the primary text for CNC courses, and used daily by many in-field CNC programmers and machine operators, this book literally defines CNC programming. Written with careful attention to detail, there are no compromises. Many of the changes in this new Third Edition are the direct result of comments and suggestions received from many CNC professionals in the field. This extraordinarily comprehensive work continues to be packed with over one thousand illustrations, tables, formulas, tips, shortcuts, and practical examples. The enclosed CD-ROM now contains a fully functional 15-day

shareware version of CNC tool path editor/simulator, NCPlot(TM). This powerful, easy-to-learn software includes an amazing array of features, many not found in competitive products. NCPlot offers an unmatched combination of simplicity of use and richness of features. Support for many advanced control options is standard, including a macro interpreter that simulates Fanuc and similar macro programs. The CD-ROM also offers many training exercises based on individual chapters, along with solutions and detailed explanations. Special programming and machining examples are provided as well, in form of complete machine files, useful as

actual programming resources. Virtually all files use Adobe PDF format and are set to high resolution printing.

The Camera

Bookouture

Nina had a rough start to life, stealing to survive—and eventually being sold into slavery by her closest friend. But to her surprise, her captor, Prince Azure, ordained that she would live the life of a princess ...specifically, that of the recently deceased princess-priestess, Alisha. But despite her changing fortune, Nina won't give up

her old life without a fight...and Azure might just be the one to finally match her wits. But how much can she trust Azure? And can she stop the feelings budding in her heart, knowing she must eventually marry another...?

Ansel Adams

(1902-1984)

produced some of the 20th century's most iconic photographic images and helped nurture the art of photography through his creative innovations and peerless technical mastery. The

Camera--the first volume in Adams' celebrated series of books on photographic techniques--has taught generations of photographers how to harness the camera's artistic potential. This time-honored handbook distills the knowledge gained through a lifetime in photography and remains as vital today as when it was first published. Along with visualization, image management, Adams' famous Zone System, and other keys to photographic

artistry, The Camera covers 35mm, medium-format, and large-format view cameras, while offering detailed advice on camera components such as lenses, shutters, and light meters. Beautifully illustrated with photographs as well as instructive line drawings, this classic manual belongs on every serious photographer's bookshelf. "Adams is a clear-thinking writer whose concepts cannot but help the serious photographer." - New York Times

"A master-class kind of guide from an undisputed master." - Publishers Weekly

Inspired by an incredible true story. Fans of The Tattooist of Auschwitz, We Were the Lucky Ones and The Choice will

love this heartbreaking grandfather's rainbow novel of love, betrayal and a secret passed down through a family. Nazi-occupied Poland, 1940. When soldiers drag Tomasz back to his family's farm, they put a gun to his head and tell him he must join the German army, or see his loved ones forced into the camps. Staring into the wide blue eyes of his childhood sweetheart Zofia, Tomasz does the only thing he can. Over the course of the war, he will risk his life, love and the respect of his own people, to secretly fight for good against evil. All the while, he longs to be reunited with Zofia... but will his brave choices tear them apart forever? London, present day. Isla has grown up wearing her

scarf, a beloved memento from the Second World War, and hearing his stories about his time as a young soldier bravely fighting the Germans to protect his people. But as she is collecting photos for his 95th birthday celebration, she finds an old photograph of two men standing in Nazi uniforms, next to a folded piece of paper... a newspaper article, written in German. She knows that name. Her grandfather is too weak to answer questions, so Isla begins her hunt for the truth. There is so much she doesn't know. And what she learns about a love story and a secret from seventy years ago will change her own life forever...
