The full spectrum light that is produced by our lamps does enhance vision by increasing the contrast (higher definition). We also offer the brightest full spectrum lights available on the market as additional light is often needed. Keep us in mind for any future lighting needs!

[About Full Spectrum Solutions - Full Spectrum Solutions, Inc.](#)

Full Spectrum Solutions is the only place, on-line or off that carries the products I need. Their service has always been fast. Dealing in fragile lamps requires better than average packing, and they always do an excellent job here.

**On Sale - Full Spectrum Solutions, Inc.**

Full Spectrum was the only place online I could locate it. I ordered on a late Sunday night and it was shipped the next afternoon at a cost I expected to have to pay. It arrived in good condition, even if UPS did crunch the box. It works, I can see again! I'd certainly recommend Full Spectrum Solutions and when I need to replace this floor lamp, Full Spectrum is where I'll go.
