How I Write Harper Collins

The #1 New York Times Bestseller: “A hilarious take on that age-old problem: getting the beloved child to go to sleep” (NPR). “Hell no, you can’t go to the bathroom. You know where you can go? The f**k to sleep.” Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don’t always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won’t care.

BESTSELLER • Don't miss Janet Evanovich's short story "Pros and Cons" in the back of the book. Catch a professional assassin: top priority. Find a failure-to-appear and collect big bucks: top score. How she'll pull it all off: top secret. Trenton, New Jersey's favorite used-car dealer, Jimmy Poletti, was caught selling a lot more than used cars out of his dealerships. Now he's out on bail and has missed his date in court, and bounty hunter Stephanie Plum is looking to bring him in. Leads are quickly turning into dead ends, and all too frequently into

dead bodies. Even Joe Morelli, the city's hottest cop, is struggling to find a clue to the suspected killer's whereabouts. These are desperate times, and they call for desperate measures. So Stephanie is going to have to do something she really doesn't want to do: protect former hospital security guard and general pain in her behind Randy Briggs. Briggs was picking up quick cash as Poletti's bookkeeper and knows all his boss's dirty secrets. Now Briggs is next on Poletti's list of people to put six feet under. To top things off, Ranger—resident security expert and Stephanie's greatest temptation—has been the target of an assassination plot. He's dodged the bullet this time, but if Ranger wants to survive the next attempt on his life, he'll have to enlist Stephanie's help and reveal a bit more of his mysterious past. Death threats, highly trained assassins, highly untrained assassins, and Stark Street being overrun by a pack of feral Chihuahuas are all in a day's work for Stephanie Plum. The real challenge is dealing with her Grandma Mazur's wild bucket list. A boob job and getting revenge on Joe Morelli's Grandma Bella can barely hold a candle to what's number one on the list—but that's top secret. Praise for *Top Secret Twenty-One* "The combination of biting dialogue, outrageous characters and intense story lines are consistent throughout. And [Janet Evanovich] novels are the true definition of a guilty pleasure." —Associated Press

“ Evanovich doesn ’ t disappoint. . . . [She] weaves setting, family, romance and crime to pull the plot of Top Secret Twenty-One forward. ” —Bookreporter

The Bounty Cape Town Books

Brilliantly twisted entertainment wrapped around a powerful ecological plea—from the New York Times bestselling author of Squeeze Me. When Palmer Stoa notices the black pickup truck following him on the highway, he fears his precious Range Rover is about to be carjacked. But Twilly Spree, the man tailing Stoa, has vengeance, not sport-utility vehicles, on his mind. Idealistic, independently wealthy and pathologically short-tempered, Twilly has dedicated himself to saving Florida's wilderness from runaway destruction. He favors unambiguous political statements—such as torching Jet-Skis or blowing up banks—that

leave his human targets shaken but re-educated. After watching Stoa blithely dump a trail of fast-food litter out the window, Twilly decides to teach him a lesson. Thus, Stoa's prized Range Rover becomes home to a horde of hungry dung beetles. Which could have been the end to it had Twilly not discovered that Stoa is one of Florida's cockiest and most powerful political fixers, whose latest project is the "mallng" of a pristine Gulf Coast island. Now the real Hiaasen-variety fun begins... Dognapping eco-terrorists, bogus big-time hunters, a Republicans-only hooker, an infamous ex-governor who's gone back to nature, thousands of singing toads and a Labrador retriever greater than the sum of his Labrador parts—these are only some of the denizens of Carl Hiaasen's outrageously funny new novel. High Five St. Martin's Press

Now available in a special 25th anniversary edition! Discover where it all began—#1 New York Times bestselling author Janet Evanovich ’ s first “ snappily written, fast-paced, and witty ” (USA TODAY) novel in the beloved Stephanie Plum series featuring a feisty and funny heroine who “ comes roaring in like a blast of very fresh air ”

(The Washington Post). Meet Stephanie Plum, a bounty hunter with attitude. In Stephanie's opinion, toxic waste, rabid drivers, armed schizophrenics, and August heat, humidity, and hydrocarbons are all part of the great adventure of living in Jersey. She's a product of the "burg," a blue-collar pocket of Trenton where houses are attached and narrow, cars are American, windows are clean, and (God forbid you should be late) dinner is served at six. Out of work and out of money, Stephanie blackmails her bail-bondsman cousin Vinnie into giving her a try as an apprehension agent. Stephanie knows zilch about the job requirements, but she figures her new pal, el-primo bounty hunter Ranger, can teach her what it takes to catch a crook. Her first assignment: nail Joe Morelli, a former vice cop on the run from a charge of murder one. Morelli's the inamorato who charmed Stephanie out of her virginity at age sixteen. There's still powerful chemistry between them, so the chase should be interesting...and could also be extremely dangerous.
