The Best Vacation Ever  
Penguin  
Hard Times - For These Times (commonly known as Hard Times) is the tenth novel by Charles Dickens,

first published in 1854. The book surveys English society and satirises the social and economic conditions of the era. Hard Times is unusual in several ways. It is by far the shortest of Dickens' novels, barely a quarter of the length of those written immediately before and after

it. Also, unlike all but one of his other novels, Hard Times has neither a preface nor illustrations. Moreover, it is his only novel not to have scenes set in London. Instead the story is set in the fictitious Victorian industrial Coketown, a generic Northern English mill-town, in some ways similar to

---

Manchester, though smaller. Coketown may be partially based on 19th-century Preston.

Modeling comprehension strategies is KEY for readers of ALL ages. Comprehension is gaining meaning from what you read. This is a complex higher-level thinking skill, but children from a very early age can begin thinking about what they have

just read and tell you what a story is about. When children read, they must turn their "minds on" and actively think about the meaning of what they are reading.

Rainbow Bridge Publishing In this classic Irish legend, two harpists -- merry-hearted Old Pat and ill-spirited Young Tom -- set off for a contest to name the finest harpist in all of Ireland. When Young Tom realizes that Old Pat is truly the better musician, he schemes to be the winner -- but he doesn't reckon with the clever trickery of a mischievous little leprechaun. Noted picture book creators Pamela Duncan Edwards

and Henry Cole have imagined a joyful and fanciful tale with a priceless lesson.

Review

A hilarious read-aloud favorite about some foolish farm animals who decide to trade roles—and discover just how hard it is to do someone else's job, from award-winning author Lester L. Laminack and celebrated illustrator Henry Cole. The Tuckers' farm is

---

a peaceful place where everyone has a job and no one complains. That is, until a hapless peacock falls off the back of a passing truck and stirs things up. Soon, customers are flocking to the farm to see what all the fuss is about. But the hens don't like the newcomer getting attention while they do all the hard work. When a wise old hound sees the problem, he helps orchestrate a job swap. What follows is the riotous tale of three hens who

get in way over their feathered heads, and one very distressed peacock who just can't figure out how to lay an egg. Lester L. Laminack has created a comical look at envy, finding your strength, and what happens when we underestimate the value of others' work. Henry Cole's delightful illustrations heighten the story's humor and will have readers of all ages laughing out loud.
