Fundamentals of Financial Management, Concise Edition South-Western College

??????????

财务管理基础 Cengage Learning

This popular, shorter version of Brigham's market leading Fundamentals text again offers students the core topics of financial management at the same detail and depth of coverage as the corresponding topics in the full-size text, but in a two-color format at a lower price.

Fundamentals of Financial Management PHI Learning Pvt. Ltd.

Financial Management is so crucial for any organization--public or private sector--as profit maximization and increasing the shareholder value depend, to a large measure, on efficient and effective financial management of the company or firm. With this end in view, Professor Bhabatosh Banerjee, drawing from his expertise and his rich and long years of experience, gives a masterly analysis of the fundamental principles of financial management along with their applications. While retaining the distinguishing features of the previous edition, the book is now a much more comprehensive one on Financial Management.

Significant changes have been incorporated into the chapters relating to cost of capital, analysis of leverages, capital structure theories and planning, capital budgeting decision, working capital management, changes in financial position, accounting ratios and financial statement analysis, mergers and acquisitions and corporate governance for further value addition of the book. The book is logically organized into five parts--Part I: Basic Concepts, Part II: Financial and Dividend Decisions, Part III: Investing in Long-term and Short-term Assets, Part IV: Performance Analysis and Measurement, Part V: Contemporary Topics--to enable the students to understand the concepts, with suitable cases, chronologically and more effortlessly. This book is primarily intended as a text for the students of commerce and management courses. It will also be highly useful for those appearing in CA and ICWAI examinations. In addition, the text will benefit practising finance and accounting professionals, corporate managers, and participants in management development programs. **KEY FEATURES** • Includes numerous illustrations, worked-out problems and exercises covering recent questions in university and professional examinations. • Gives corporate practices in professional management, wherever

found necessary. This will enable the students to acquaint themselves with real-life situations. • Provides Case Studies in a few complex chapters to enhance the analytical and presentation skills of the students in a classroom setting.
