Fundamentals of Financial Management Cengage Learning

In this thoroughly revised and updated third edition of Fundamentals of Health Care Financial Management, consultant and educator Steven Berger offers a practical step-by-step approach to understanding the fundamental theories and relationships guiding financial decisions in health care organization. Set in a fictional mid-sized hospital, the book is written in diary form, taking the reader into the inner workings of the finance executive's office. This introduction to the most-used tools and techniques of health care financial management includes health care accounting and financial statements; managing cash, billings and collections; making major capital investments; determining cost and using cost information in decision-making; budgeting and performance measurement; and pricing. As in the previous editions, this book introduces key practical concepts in fundamental areas of financial management.

Tata McGraw-Hill Education

The tourism and hospitality industries are seeing continued success, which is why so many new businesses are trying to find a foothold in the field. However, the functions and responsibilities of management differ heavily between organizations within the tourism industry, such as the differences faced by big chain hotels, family owned hotels, and individually owned hotels. Understanding the methods of managing such companies is vital to ensuring their success. Industrial and Managerial Solutions for Tourism Enterprises is a pivotal reference source that focuses on the latest developments on management in the tourism and hospitality industries. Highlighting a range of topics including core competency, customer relationship management, and departmental relationships, this book is ideally designed for managers, restaurateurs, tour developers, destination management professionals, travel agencies, tourism media journalists, hotel managers, management consulting companies, human resources professionals, performance evaluators, researchers, academicians, and students.

Fundamentals of Financial Management, Concise Edition  
Cengage Learning

With the growing complexities involved in corporate financial decisions, financial management has undergone a sea change in recent years. Fundamentals of Financial Management focuses on keeping readers abreast of these changes and acquainting them with the theoretical concepts and analytical tools in the field of financial management. Readers new to the subject, and especially those not well versed with business terminology, will find this book invaluable.

Ying wen ban Cengage Learning

Entre las características de este libro, se pueden destacar dos de ellas. Primera, es un texto escrito en inglés y español, para que el lector pueda conocer las explicaciones teóricas y cuestiones prácticas en ambos idiomas. Segunda, el libro incluye numerosos conceptos financieros explicados de una forma sencilla, con ejemplos, para adquirir un sólido conocimiento de los fundamentos de las finanzas. Cada capítulo combina teoría y práctica, finalizando con una relación de ejercicios, cuyas soluciones se proponen, con la finalidad de comprobar el nivel de conocimiento de los diferentes conceptos explicados. Merece mencionarse que el último capítulo se dedica a analizar cuestiones relevantes de la crisis financiera de 2007.

Fundamentos de dirección financiera es un libro muy adecuado para estudiantes y profesionales de las finanzas, o cualquier persona que pretenda adquirir un conocimiento sólido de aspectos básicos de las finanzas corporativas. Muchas personas han adoptado, o adoptarán, decisiones de inversión y financiación sobre algunos asuntos particulares, y en este sentido, el libro podrá ayudar a elegir la decisión correcta.
