Cases in Human Resource Management SAGE Publications

Fundamentals of Human Resource Management provides a succinct yet comprehensive overview of the key issues shaping HRM today. The book explores the complex relationships between HRM and a range of organizational functions and encompasses the business, public and voluntary sectors. Using a wealth of real world examples, the text analyses HRM from a number of illuminating practical and theoretical perspectives. The book is arranged around four essential perspectives: environmental, organizational, strategic and operational. The text offers extensive coverage of contemporary HRM topics including ethics and diversity, knowledge management, and talent management. Highly topical coverage of how HRM has been affected by the global financial crisis and of how HRM is practiced in the world's developing economies is incorporated throughout. This book emphasises the operational realities of HRM within the wider business context, demonstrating the practical application of key HRM concepts.

Fundamentals of Human Resource Management AMACOM Div American Mgmt Assn  
Cases in Human Resource Management provides students with insights into common challenges, dilemmas, and issues human resource managers face in the workplace. Using a wide variety of well-known companies and organizations, author David Kimball engages students with original, real-world cases that illustrate HRM topics and functions in action. Each case is designed to encourage students to find new solutions to human resource issues and to stimulate class discussion. Case questions challenge students to think critically, apply concepts, and develop their HRM skills. The contents are organized using the same topical coverage and structure as most HRM textbooks, making Kimball the ideal companion for any introductory HRM course.

Fundamentals of Human Resources Management, Fourth Edition McGraw-Hill Education

Human resource management is the strategic approach to management of an organization's most valuable asset—its people. It covers the recruitment, management, and direction of people who work for the organization and deals with employee compensation and benefits, hiring and training, performance management, organization development, safety and wellness, and organizational communication.

Human Resource Management: Issues, Challenges and Opportunities covers a broad array of topics on

---

human resources management, including new emphasis on corporate social commitment, management practices that are essential for retaining effective professionals, financial rewards to stimulate longer workforce participation, entrepreneurial leadership, examination of leadership styles in different countries, dealing with organizational change, teamwork and employee resistance, integrating human resources aspects with corporate goals, and more. This book provides an interesting group of chapters that shed light on a variety of international human resources management styles and practices. The competitive nature of twenty-first-century global commerce requires that businesses be managed strategically by managers who are knowledgeable in the principles of the field. The efficient, nonexploitive use of human resources is essential to building successful businesses around the world.
