Fundamentals of Management  
Cengage Learning

Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. **Management** Lippincott Williams & Wilkins Fundamentals of Management, 4/e, an abridged version of Management, 8/e, provides up-to-date coverage to key functional areas (planning, organizing, leading, and controlling) plus new research and examples, all in a brief format. From respected author Ricky Griffin, this skills-based text gives instructors the flexibility to integrate their own cases, exercises, and projects while continuing to provide them with a strong theoretical framework. New! Each chapter also contains either a Technology Toolkit, Business of Ethics, or Today's Management Issues boxed feature. These are intended to briefly depart from the flow of the chapter to highlight or extend especially interesting or emerging points and issues relating to new technology and its role in management or ethical issues and questions facing managers

today. New! Test Preppers, located at the end of every chapter, prompt students with true/false and multiple-choice quizzes to gauge their retention and comprehension of chapter material. The answers are found at the end of the text. New! HM e-Study Student CD-ROM is carefully tailored to supplement and enhance the content of the text, including ACE self-tests, selected videos, chapter outlines, company web links, a glossary, flashcards, learning objectives, ready notes, self-assessment exercises, and chapter summaries. The CD-ROM is free with the text. Knowledgebank Icon in the text refers students to the new Knowledgebank feature on the HM e-Study CD. Here they can find additional information about particular topics in the text. It can also be used to find further management knowledge or for a research project, and it can be found only on HM e-Study CD ROM. Building Management Skills exercises appear throughout the text and are organized around the set of basic management skills introduced in Chapter 1. The Skills Self-Assessment Instrument helps readers learn something about their own approach to management. Finally, an Experiential Exercise provides additional action-oriented learning opportunities, usually for group settings. Pedagogical features that support learning are features throughout the text. In addition to the end-of-the-chapter exercises, every chapter includes important learning objectives, a chapter outline, an opening incident, boldface key terms, a summary of key points, questions for review, questions for analysis, and an end-of-the-chapter case with questions. Eduspace, a flexible, powerful, and customizable e-learning platform, provides instructors with text-specific online courses and content for Management, 4/e, Eduspace permits the instructor to create part or all of their course online using the widely recognized tools of Blackboard and quality text-specific content of Houghton Mifflin (HMCo). Instructors can quickly and easily assign homework exercises, quizzes and tests, tutorials and supplementary study materials. Pre-loaded material can be modified, or instructors can add their own. Loose-Leaf for Fundamentals of Human Resource Management Routledge Original edition: Munson, Young, and Okiishi in 1990.

The Truth About Managing People offers real solutions for the make-or-break problems faced by every manager. Readers will discover: how to overcome the true obstacles to teamwork; why too much communication can be as dangerous as too little; how to improve hiring and employee evaluations; how to heal layoff survivor sickness; even how to learn charisma. This isn't someone's opinion; it's a definitive, evidence-based guide to effective management: a set of bedrock principles to rely on throughout an entire management career. The Rules of Management: They're surprisingly easy to learn and live by. Now, Richard Templar's brought them all together in one place. Templar covers everything from setting realistic targets to holding effective meetings; finding the right people to inspiring loyalty. Learn when and how to let your people think they know more than you (even if they don't) -- and recognize when they really do The first edition of The Rules of Management became a global phenomenon, topping bestseller charts around the word. This new, even better edition contains 10 brand new rules to take you further, faster. In Wired to Care, top business strategist Dev Patnaik tells the story of how organizations of all kinds prosper when they tap into a power each of us already has: empathy, the ability to reach outside of ourselves and connect with other people. When people inside a company develop a shared sense of what's going on in the world, they see new opportunities faster than their competitors. They have the courage to take a risk on something new. And they have the gut-level certitude to stick with an idea that doesn't take off right away. People are Wired to Care, and many of the world's best organizations are, too.

The Public Policy Process Irwin/McGraw-Hill

Laytime and Demurrage is the leading authority for all queries pertaining to this vital aspect of maritime law. It has continued to offer reliable, authoritative, and in-depth analysis since the first edition published in 1986. Praised for its unrivalled coverage and lucid writing style, this book provides a comprehensive overview of all aspects of laytime and demurrage, tracing the development of the law from its origins in the nineteenth century right up to the present day.

The author delivers an in-depth analysis of both fixed and customary laytime clauses, the rules relating to commencement of laytime in berth, dock and port charters, and discusses under which circumstances laytime can be suspended.

Furthermore, it analyses demurrage rules and vital issues such as despatch, detention and frustration.

This seventh edition includes all key judicial and arbitral decisions reported since the sixth edition published in 2011. It also covers suffixes in connection with laytime measured in terms of Working days and Weather Working Days, and disputes arising from tender of NORs at the end of the sea passage. Laytime and Demurrage is an invaluable guide for both legal practitioners and maritime professionals worldwide, including commodity traders and brokers, shipping companies, P&I Clubs, shipowners, charterers, and arbitrators.
